

PROJECT  
**FIRSTLINE**

CDC's National Training  
Collaborative for Healthcare  
Infection Control

## PA Project Firstline

PA Project Firstline (PA PFL) is a free program designed for frontline healthcare professionals (HCP) of all levels and facility types, including doctors, nurses, medical assistants, custodial staff, and more!

This program is a partnership between the Centers for Disease Control and Prevention (CDC) and the Pennsylvania Department of Health (PA DOH) to provide free, easy-to-access, and engaging training on infection prevention and control (IPC) basics.

Department of Health

**Empowering the  
Frontline!**

# Training Topics

PA PFL's training topics cover a range of essential IPC practices, including:

- **Risk Recognition;**
- **Hand Hygiene;**
- **Personal Protective Equipment (PPE);**
- **Environmental Cleaning & Disinfection;**
- **and more!**

Preparing frontline HCPs involves providing them with the necessary knowledge and resources to prevent infections. This includes comprehensive training, conducting personal knowledge checks, and promoting effective communication and collaboration.

## Why Choose Us

Our program offers essential training on IPC that frontline HCPs can immediately apply to their work, making it valuable for those at all levels. It provides the opportunity to:

- Access engaging and free training;
- Apply knowledge to prevent infections; and
- Enhance their ability to provide safe care.
