

Dear VFC Provider,

As we approach the end of January, please see this update from CDC about ordering maternal RSV vaccine for children in the 2025–2026 season.

**RSV vaccination of pregnant people is recommended between September and January.**

The last day to order VFC Abrysvo (NDC: 00069-2465-01; RSV; SDV; 1-pack) is Thursday, January 29, 2026. Ordering will be turned off in PIERS.

Please direct any questions to the VFC Resource Account at [RA-pavfc@pa.gov](mailto:RA-pavfc@pa.gov).

Thank you,  
The VFC Program
