# Duncan Trail Route

1

## **Alto Model Train Museum Association, Inc.**

Duncansville Memorial Park is a local park that provides a quiet place for residents as well as beautiful landscaped scenery. The park also offers a large playground and a stream and pavilion for picnics. Every summer the Park hosts Duncansville Community Days.

2

## **Duncansville Community Center**

Duncansville Community Center is a great social hall for community functions. The Center is available for private party rentals such as wedding receptions and showers. The Center offers plenty of parking, as well as a large kitchen with a lot of open floor space.

3

## **Duncansville Memorial Park**

The Alto Model Train Museum Association, Inc. is located inside the Antique Depot. The Museum offers hands-on model train activities for children and displays model trains from the early 1900s to present day. This Museum includes displays depicting the Altoona area train history, including a display of the Horse Shoe Curve and Lakemont Park. The Museum is free of charge to the public.
