*After First Trimester: live births that started prenatal care in the second or third trimester or had no prenatal care.

Notes: Percents based on less than 10 events are considered statistically unreliable and are not displayed (ND). Unknowns excluded from calculations. The methodology for calculating prenatal care has changed. Please see a description of this change at: <https://www.health.pa.gov/topics/healthstatistics/EDDIE/Pages/Prenatal-Care-Calculation-Revised.aspx>.

Resident Live Births to Mothers Receiving Prenatal Care in the First Trimester of Pregnancy by Race of Mother

Starting in 2013, race of mother was derived from multiple race selections. Prior to 2013, race of mother was derived from a single race designation. For example, starting in 2013, "White" means that it was the only race selected from a list of multiple race selections. Prior to 2013, "White" means that the single race designation was "White". Also, starting in 2013, "All Other Races" includes "Multi-Race" (more than one race selected).
