*After First Trimester: live births that started prenatal care in the second or third trimester or had no prenatal care.

Notes: Percents based on less than 10 events are considered statistically unreliable and are not displayed (ND). Unknowns excluded from calculations. The methodology for calculating prenatal care has changed. Please see a description of this change at: <https://www.health.pa.gov/topics/healthstatistics/EDDIE/Pages/Prenatal-Care-Calculation-Revised.aspx>.

Starting in 2013, race of mother was derived from multiple race selections. Prior to 2013, race of mother was derived from a single race designation. For example, starting in 2013, "White" means that it was the only race selected from a list of multiple race selections. Prior to 2013, "White" means that the single race designation was "White". Also, starting in 2013, "All Other Races" includes "Multi-Race" (more than one race selected).
