Notes: Starting in 2013, race of decedent was derived from multiple race selections. Prior to 2013, race of decedent was derived from a single race designation. For example, starting in 2013, 'White' means that it was the only race selected from a list of multiple race selections. Prior to 2013, 'White' means that the single race designation was 'White'. Also, starting in 2013, 'All Other Races' includes 'Multi-Race' (more than one race selected).
