

### **REHIRE EPAR SUBMISSION GUIDE**

#### Overview/Tips

This EPAR form is used to hire an individual who was previously employed by the commonwealth. Does the candidate currently work for the Commonwealth or did they in the past?

- If the candidate worked for the Commonwealth in the past and has a personnel number, this is a rehire action.
- If the candidate <u>currently</u> works for the Commonwealth, this may be a dual hire, promotion, demotion, or reassignment action.
- If the employee was separated from Commonwealth employment within the last 14 days, a Rehire action/PAR is not appropriate. The employee's separation will be removed and either a Promotion, Demotion, or Reassignment PAR should be submitted.

For requests that include 10 or more employees, click here for MASS EPAR information.

Did you complete the EPAR worksheet? This worksheet provides needed information to make completing the PAR request easy. Click <u>here</u> to download a copy.
