Explanation of Requested Rate Change:

Geisinger Quality Options has proposed an overall base rate increase of 12.9% for Individual PPO members renewing in the Marketplace effective January 1, 2024 through December 1, 2024. The actual range of proposed rate changes vary from 4.6% to 16.3%. The key drivers of this increase are changes in the normalized risk pool experience, trend, reinsurance, pricing AVs, and benefit richness. The total projected 2024 administrative costs are slightly lower than those used for the current 2023 rates. As required by federal regulations and using the Federally prescribed MLR methodology, the projected loss

¹ Note that insurers will have the opportunity to revise their rate change request in July, after they are scheduled to receive updated information about the impact of a federal program called risk adjustment. This document will be updated accordingly at that time.
