2015 ASSESSMENT MANUAL

Introduction

This manual should be used to calculate the Mcare assessment for 2015 as required by Act 13 of 2002 ("Act 13"). It is essential that this manual is read in its entirety. While the manual is intended to clarify and periodically modify procedures associated with calculating the assessment, the manual is not a substitute for complying with Act 13 (40 P.S. § 1303.101 et seq.) and the regulations (31 Pa. Code § 242.1 et seq.). Although the information in this manual is intended to complement Act 13 and its attending rules and regulations, if a conflict exists, Act 13 and its regulations are controlling.

The Mcare assessment is a percentage of the Pennsylvania Professional Liability Joint Underwriting Association ("JUA") rates as approved by the Pennsylvania Insurance Department. For 2015 Mcare assessment calculation purposes the JUA rates to be used are the base rates that are effective January 1, 2015. It has been determined that the 2015 assessment rate is 12%.

TIP: Consulting the JUA Rate Manual at www.pajua.com may provide details not specifically addressed in this manual.

MCARE PARTICIPATION

If a health care provider ("HCP") is licensed in Pennsylvania and 50% or more of the patients to whom the HCP renders healthcare services are in Pennsylvania, participation in Mcare is mandatory. If a HCP is licensed in Pennsylvania and less than 50% but more than 0% of patients to whom the HCP renders healthcare services are in Pennsylvania, the HCP may choose to participate in Mcare. However, if the HCP opts out of participating in Mcare the HCP must still meet the mandatory insurance requirements of Act 13 of 2002. See the Nonparticipating Transmittal Form e-316.

Although not defined as a "health care provider," those professional corporations, professional associations and partnerships that are entirely owned by HCPs and which elect to purchase basic insurance coverage must also participate in Mcare.

2015 MCARE LIMITS

Act 13 provides that the total required amounts of medical professional liability coverage, including primary and Mcare coverage, for HCPs, excluding hospitals, are $1,000,000 per occurrence and $3,000,000 per annual policy year aggregate. For hospitals, the required total coverage amounts are $1,000,000 per occurrence and $4,000,000 per annual aggregate. As in recent years, Mcare Fund participating HCPs will be required in 2015 to obtain primary coverage in the amount of $500,000 per occurrence and $1,500,000 per annual aggregate. Hospitals must obtain primary coverage in the amount of $500,000 per occurrence and $2,500,000 per annual aggregate. Mcare provides participating HCPs coverage of $500,000 per occurrence and $1,500,000 per annual aggregate in excess of the primary coverage.

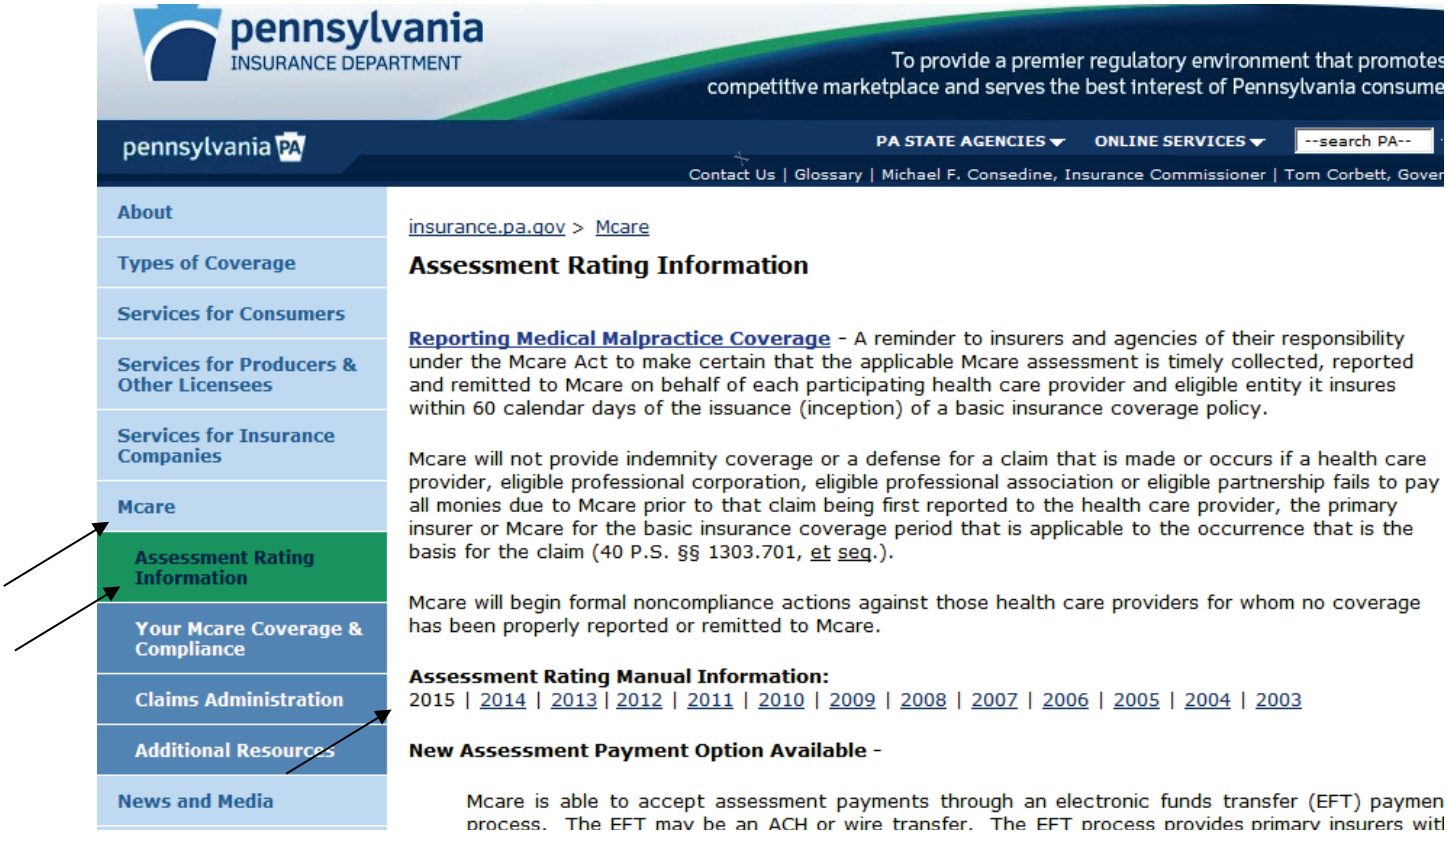
SECTION I - REMITTANCE ADVICE FORM e-216

A. FORM 216 GENERAL INFORMATION Form e-216 serves as both a coverage reporting form and an accounting form. Electronic submission of Excel type e-216 is the preferred method of reporting basic insurance coverage to Mcare. Prior written permission must be obtained from Mcare before alternate electronic submissions will be accepted. A hard copy 216 is no longer required when submitting your e-216 with or without payment.

Always download a new Form e-216 from our website each time you need to complete another Form e-216. Mcare periodically improves Form e-216. Downloading a brand new Form e-216 each time will ensure the latest version is used. Form e-216, along with all applicable Worksheet Exhibits, is available by:

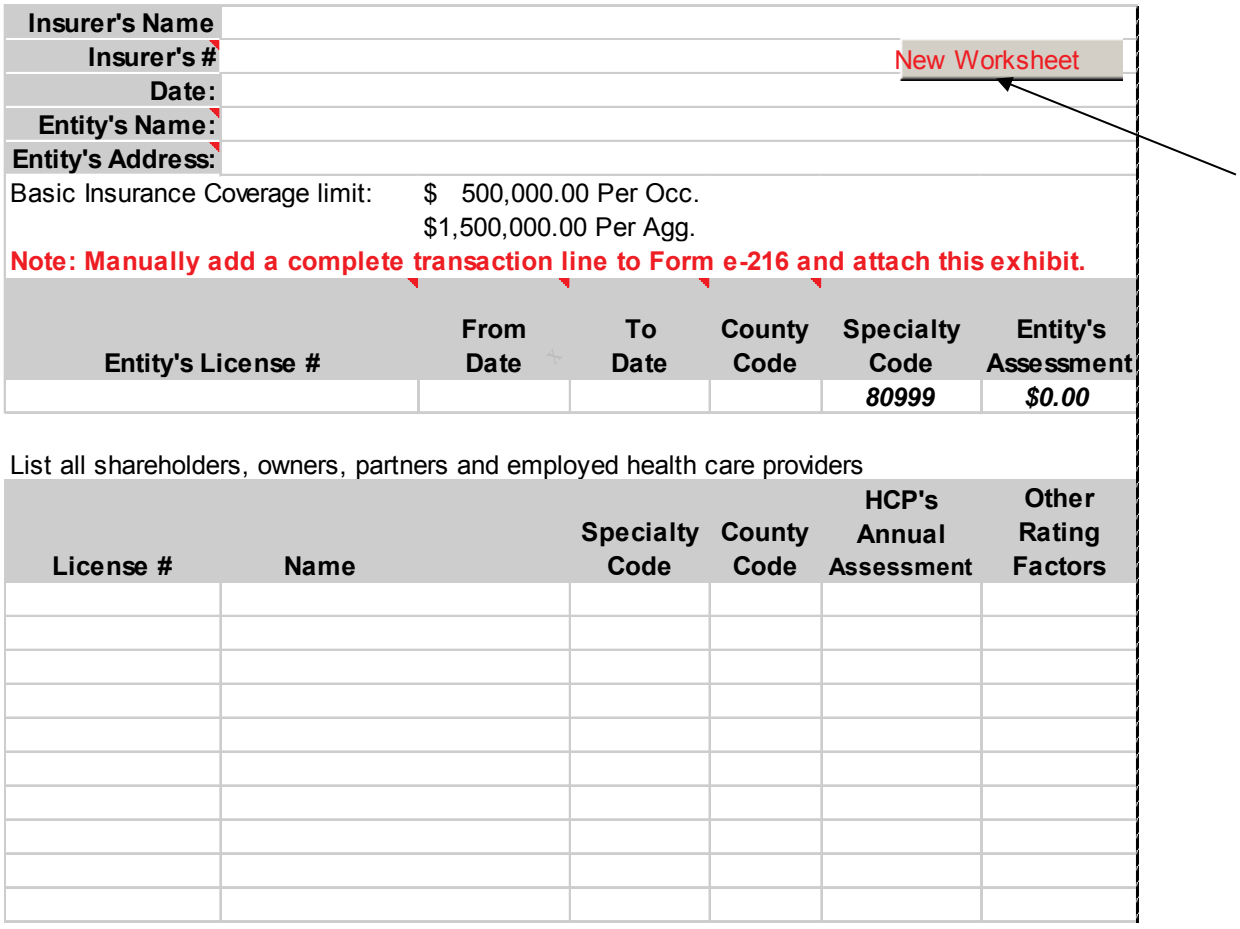
- Visiting our website at **www.insurance.pa.gov**
- Selecting "Mcare" from menu on the left
- Selecting "Assessment Rating Information" from menu on the left
- Selecting the link for the appropriate year's assessment manual
- Selecting the "e-216 Remittance Advice Form" link
- Opening or saving the file



Select "Assessment Rating Information" on website

Form e-216 is a Microsoft Office Excel Worksheet that contains macros which add functionality to the spreadsheet. The version of Microsoft Excel you are using will determine how macros are enabled.

Form e-216 calculates the assessment payable for physicians, podiatrists and certified nurse midwives based on the information provided in columns "A" through "N." The worksheets, Hospital Roster, and Form e-316 are tabbed at the bottom of the Form e-216. The worksheets will calculate the assessment for hospitals (Hosp. WS), corporations (Corp. WS), birth centers (BC WS), nursing homes (NC WS) and primary health centers (PHC WS). Since the worksheet will not update the Form e-216 automatically, it is necessary for the coverage and assessment information to be added to the Form e-216 tab manually. If the facility provides services in multiple territories, the assessment from all of the facility's worksheets must be totaled and the total added manually to the Form e-216 tab. The worksheets for these entities must be submitted along with the completed Form e-216.



"New Worksheet" button

NOTE: WHEN SUBMITTING MULTIPLE WORKSHEETS, SELECT THE "NEW WORKSHEET" BUTTON FOR EACH WORKSHEET.

Placing the cursor on a field that has a small red triangle in the upper right-hand corner of the cell on the Form e-216 will cause a comment box to appear that describes in detail the information needed in that field. All applicable fields of information must be completed.

For doctors and nurse midwives, this is the most advanced license number issued by Bureau of Professional & Occupational Affairs (717-787-8503). License information can be verified at www.licensepa.state.pa.us. All other license numbers are assigned by the Fund. All license numbers follow the same format; a two alpha prefix-six digits-a one alpha suffix (i.e. MD123546L). Newer license numbers may not include an ending suffix. Below is a list of prefix meanings:

BC = Birth Center
DO = Osteopathic Physician
HS = Hospital
LL = Limited License Professor
LT = Institutional License
MC = Medical Corporation
MD = Medical Physician or Surgeon
ML = Interim Limited License

"Comment" box on the e-216

The 2015 Form e-216 is to be used to report coverage only for policies issued or renewed in 2015. This is because the 2015 Form e-216 will calculate the assessment based on 2015 rates. When reporting mid-term additions and deletions to an existing master policy, use the effective year of the master policy to determine the applicable assessment year and rates.

NOTE: FORM E-216 IS A TOOL TO ASSIST IN THE CALCULATION OF THE ASSESSMENT; HOWEVER, ALL ASSESSMENTS MUST BE REVIEWED FOR ACCURACY BEFORE SUBMITTING TO MCARE. TRANSACTIONS SHOULD BE REPORTED AND RECEIVED AT MCARE IN CHRONOLOGICAL ORDER.

Coverage information along with collected assessment payments, if applicable, should be received by Mcare **within 60 days of the effective date of coverage in order to be considered timely.** Failure to pay a sufficient assessment within 60 days of the effective date of coverage may result in disciplinary action against a HCP's medical license and the denial of Mcare coverage in the event of a claim against the HCP or eligible entity.

TIP: When sending an insured an invoice for the Mcare assessment, select a due date for your invoice which allows sufficient time for you to comply with the 60-day reporting requirement.

B. ELECTRONIC SUBMISSIONS Electronic submission of Form e-216s is the preferred method of reporting basic insurance coverage to Mcare. Each submission must have a unique 216 date. A hard copy 216 is no longer required when submitting your e-216 with or without payment. These improvements apply to all submissions regardless of the assessment year. The e-216 and accompanying documentation must be sent to ra-in-remittance@pa.gov with the appropriate subject line as discussed on page 9.

New Assessment Payment Option Available Assessment payments may be made through an electronic funds transfer ("EFT") payment process. The EFT payment method is an alternative to a check payment method; however, checks will still be accepted. To learn more about this new payment option and the required minimum standards, please send an e-mail to Mcare's Fiscal Unit at ra-in-mcare-exec-web@pa.gov expressing your interest.

If payment is due, the payment must be sent to Mcare at or about the same time as the e-216 is e-mailed, but within 60 days of the effective date of coverage. Since no hard copy 216 is required, the check, ACH (if available) or wire number and payment amount must be included in your e-216 and the carrier code must be included on the face of the check or in the designated space of your ACH or wire so we can match the e-216 with the payment. **Please make payment methods payable to: Medical Care Availability and Reduction of Error Fund or "Mcare".**

Although a hard copy Form 216 will be accepted in isolated circumstances that are preapproved by Mcare, submitting both an electronic and hard copy of purportedly the same Form 216 is unacceptable. The submission of a hard copy Form 216 with or instead of a Form e-216 will hinder processing, which may cause your insured to be subject to noncompliance or delay the processing of claims.

If payment is due with your Form e-216, the assessment total must be equal to the payment amount remitted unless the primary insurer or self-insurer has a prior credit balance and it is properly documented in the e-216. If utilizing a credit, the payment amount should equal the amount due.

NOTE: When payment is due with an e-216, the "received date" is the date the valid funds and the valid e-216 are received by Mcare.

SECTION II - REPORTING GUIDELINES

A. CREDIT BALANCES When the total of a Form e-216 results in a credit that is due to the carrier, the credit will be used as payment toward a future Form e-216. All credit balances must be carried forward to the next Form e-216 until the credit balance is exhausted.

Credit balances belong to the carrier of record. One credit balance per carrier may be maintained. Mcare does not maintain separate credit balances per insured and Mcare does not transfer credit balances for an insured from one carrier to another.

The heading of the Form e-216 tracks credit balances. Please utilize the fields as outlined below.

Carrier Code	Carrier code selected from drop down box	Receipt Date	Mcare's official use
Enter Check/EFT#:	Check/EFT # must be entered if sending payment	Transaction Count	The number of transactions on this e-216
Enter Check/EFT Amnt	*Enter the amount of the check. This should match the Amount Due below	Covg Specialist	Mcare's official use
		Contact Code	Mcare's official use
Assessment Total	This is the e-216 total		
Beginning Crdt Bal	Enter your current credit balance as a **credit**	From e-216 dated:	Enter the e-216 date the credit balance is being transferred from
Crdt Bal Used	Enter amount of credit being applied to this submission as a **debit**

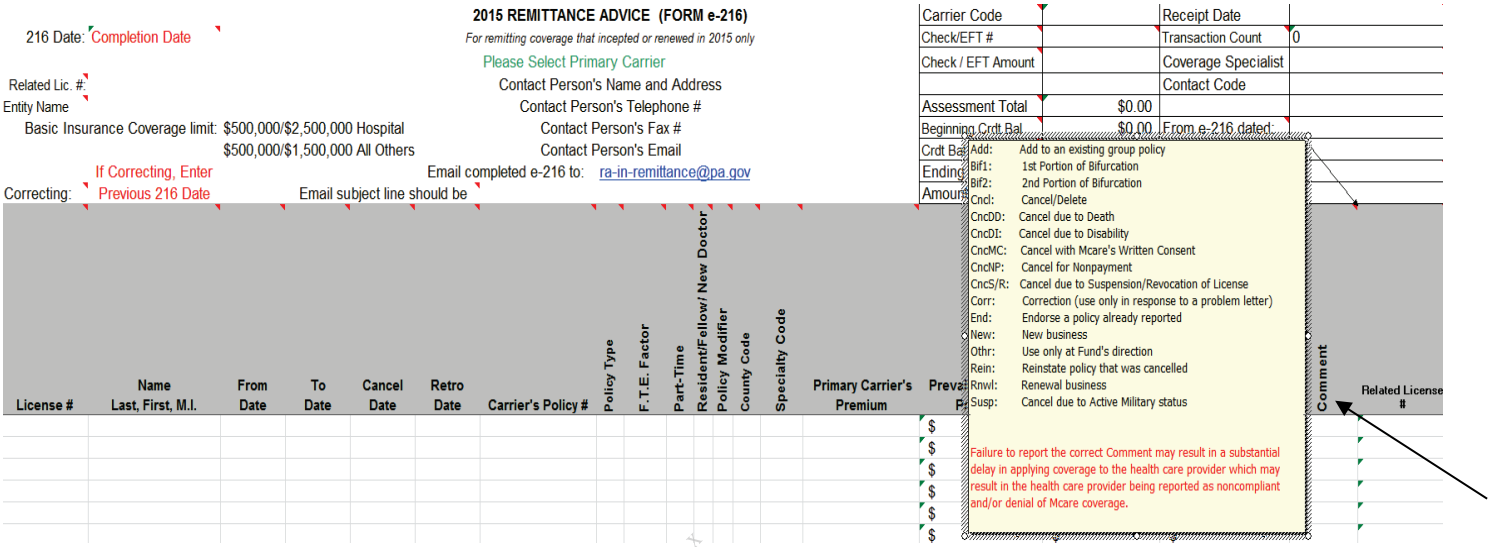
e-216 heading information

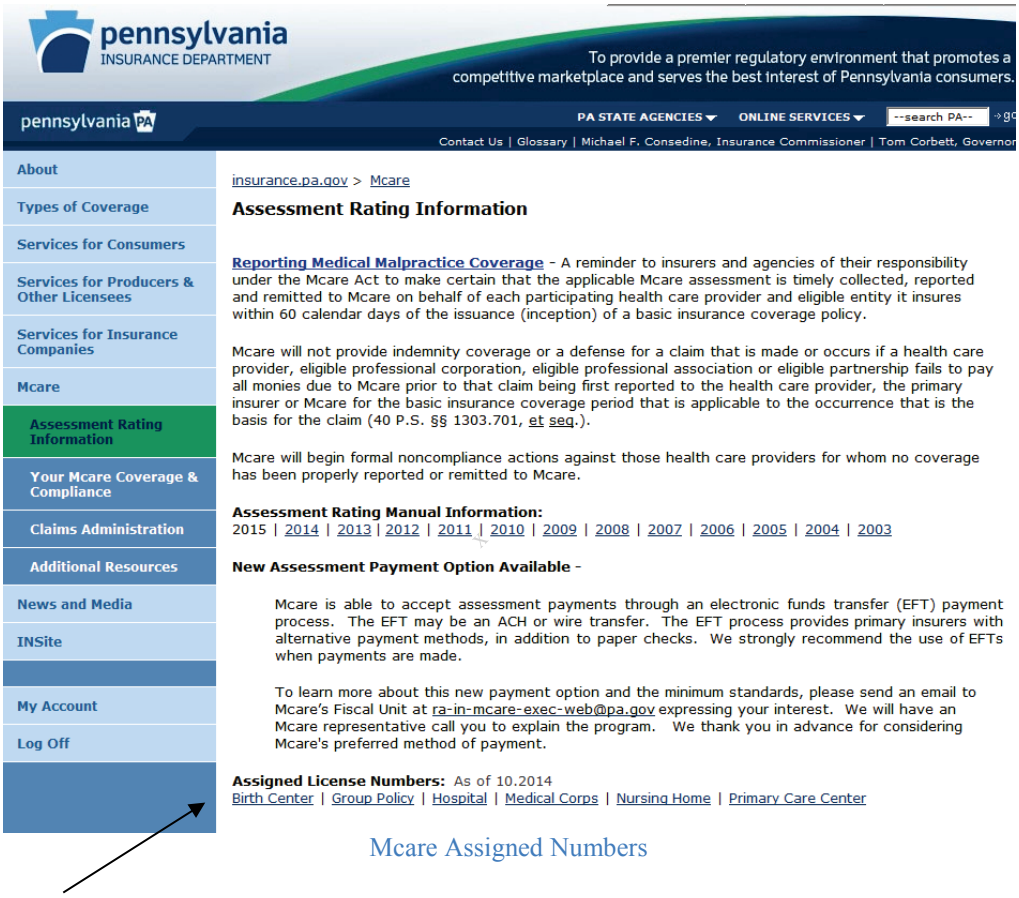
Our preferred method is one e-216 per submission. Multiple e-216s per submission are acceptable; however, completion of the information in the heading may become more complex.

B. COMMENT COLUMN The Comment column is a required field and *must* be completed on each coverage line of the Form e-216. It is very important that this information be accurate. Please be mindful to use the "New" comment only for business that is new to your company. Please use the "Rnwl" comment only for business that is a renewal. (Example: HCP is with "Company A" 1/1/14-1/1/15, and then renews with same company for 1/1/15-1/1/16; coverage should be reported as "Rnwl".) Please use the "Cncl" comment only when basic insurance coverage is actually being cancelled. A description of each comment can be found on the Form e-216 by placing your cursor on the red triangle at the top of the Comment column.



Comment column on the e-216

C. RELATED LICENSE NUMBERS are assigned by Mcare to identify specific hospitals ("HS"), corporations ("MC"), or groups ("GP"). Mcare assigns a GP number to a nonparticipating entity whenever a group of HCPs are reported under the same policy. Mcare identifies the specific related hospital, corporation, or group that individual HCPs are employed by or affiliated with for rating and statistical purposes. "Related License Numbers" can be found on our website by selecting "Mcare" and then selecting "Assessment Rating Information". If a related license number is not found on our website, input "TBD" (To Be Determined) in the related license number column only if you believe you will not meet the 60 day reporting requirement.



Mcare Assigned Numbers

When submitting a Form e-216 for HCPs employed by one related license number, indicate the Mcare-issued related license number in the related license number field at the top of the Form e-216 (cell B4). This will automatically populate the related license number in the V column on the Form e-216. Complete cell B5 with the related entity name.

If this is problematic, please contact the Coverage Specialist who handles your account. Please type the corresponding name of the hospital, corporation, or group as a heading in the name column on the line above each group of HCPs having the same related license number.

D. CANCELLATIONS AND ENDORSEMENTS must be received by Mcare within 60 calendar days of the effective date of the cancellation or endorsement. Extended reporting endorsements ("tail") are due to Mcare within 120 calendar days of the expiration or cancellation of the underlying claims-made coverage. When an endorsement or cancellation is reported to Mcare and the result is a credit, the credit shall be reported on the Form e-216 with parentheses to distinguish it from a debit. Mcare calculates transactions on a pro rata basis (i.e., for a partial year of coverage).

If the reporting of a cancellation, an endorsement, or the sum of an endorsement falls beyond the 60-day reporting requirement and results in an assessment credit, the cancellation or endorsement shall still be reported, but no credit will be issued or accepted by Mcare.

There are five exceptions to the no credit rule for a cancellation or endorsement that is received by Mcare beyond 60 days from the effective date of the cancellation or endorsement:

- Cancellation due to suspension or revocation of the insured's license
- Cancellation by carrier due to nonpayment of premium
- Cancellation or endorsement submitted with the written consent of Mcare
- Cancellation due to the health care provider is deceased
- Cancellation due to the health care provider is disabled

NOTE: IF THE DATE IN THE CANCEL DATE FIELD IS **BOLD**, *ITALIC* AND ~~LINED THROUGH~~ THE DATE IN THE CANCEL DATE FIELD IS NOT WITHIN 60 DAYS OF THE 216 DATE.

CANCELLATIONS (CNCL) should be reported when the primary policy cancels.

1. Enter the full original policy period in the coverage "From Date" and "To Date" and the cancellation effective date in the cancel date column.
2. Complete all other applicable coverage information.
3. The Form e-216 will calculate the return assessment credit.
4. CNCL should be coded in the Comment column of the Form e-216.

1. The first line is a simulation of a cancellation of the previously reported coverage. Enter the full original policy period in the coverage "From Date" and "To Date" and the endorsement effective date in the "Cancel Date" column.
2. On the second line, use the endorsement effective date as the "From Date" and the expiration date as the "To Date" and complete the Form e-216 with the amended coverage information.
3. Both lines should be coded as END in the Comment column of the Form e-216.

John J. Smith was reported with an incorrect retro date of 1/01/12 on remittance dated 2/01/15
His correct retro date is 1/01/13

A correction Form e-216 should include only those HCPs being corrected. Do not resubmit entries that were previously reported correctly. Additionally, a correction Form e-216 should have a new remittance date since it is not a replacement of a previous submission. A correction Form e-216 should only include HCPs which have been identified by Mcare as having discrepancies. In cell B9, enter the date of the Form e-216 that you are correcting.

Please note that failure to provide correct information or full payment to Mcare may result in a health care provider being reported to their licensing authority for noncompliance. A claim that is made prior to Mcare's receipt of correct information or full payment may result in the denial of Mcare coverage.

SECTION III - CALCULATING THE MCARE ASSESSMENT

Mcare assessment payments are to be sent to Mcare at the same time as the Form e-216 and any other required documents are e-mailed. Always download a new e-216 from our website each time you need to complete another e-216. This section is designed to assist in the manual calculation of the Mcare assessment for the various types of HCPs and eligible entities participating in Mcare.

A. PHYSICIANS, PODIATRISTS, AND CERTIFIED NURSE MIDWIVES

REQUIRED FORM: EXHIBIT 4 (REMITTANCE ADVICE FORM E-216)

NOTE: PENNSYLVANIA LAW REQUIRES PHYSICIANS, PODIATRISTS, AND CERTIFIED NURSE MIDWIVES TO HAVE FULL ANNUALIZED, SEPARATE, AND INDIVIDUAL LIMITS. ADDITIONAL INSUREDS MAY NOT SHARE LIMITS WITH AN MCARE PARTICIPATING PHYSICIAN, PODIATRIST, OR CERTIFIED NURSE MIDWIFE.

1. Determine highest rated classification. (Refer to Exhibit 3)

2. Determine highest rated territory. When two or more classifications and/or territories are applicable to coverage being reported, the assessment for the highest rated classification and/or territory will apply. (Refer to Exhibit 10)

3. Locate appropriate prevailing primary premium. The assessment for a physician, podiatrist, or certified nurse midwife must be calculated by multiplying the prevailing primary premium by the 2015 annual assessment rate of 12%. (Refer to Exhibit 1)

4. Apply other applicable assessment rating factors as outlined in Section IV.

5. Submit a completed Form e-216.

B. PROFESSIONAL CORPORATIONS, PROFESSIONAL ASSOCIATIONS, AND PARTNERSHIPS (SPECIALTY CODE 80999)

REQUIRED FORMS: EXHIBIT 4 (REMITTANCE ADVICE FORM e-216)
EXHIBIT 5 (WORKSHEET FOR PROFESSIONAL CORPORATIONS, PROFESSIONAL ASSOCIATIONS, AND PARTNERSHIPS)

NOTE: PENNSYLVANIA LAW PROHIBITS PROFESSIONAL CORPORATIONS, PROFESSIONAL ASSOCIATIONS, AND PARTNERSHIPS FROM SHARING LIMITS WITH ANY HEALTH CARE PROVIDER. ADDITIONAL INSUREDS MAY NOT SHARE LIMITS WITH A PARTICIPATING PROFESSIONAL CORPORATION, PROFESSIONAL ASSOCIATION, OR PARTNERSHIP.

Although not defined as a "health care provider," those professional corporations, professional associations, and partnerships that are entirely owned by HCPs and which elect to purchase basic insurance coverage must participate in Mcare.

Proof of Mcare eligibility is required for any entity that is newly reported to Mcare or that changes its professional corporation, professional association, or partnership status. Copies of Articles of Incorporation approved and stamped by the Pennsylvania Department of State and a list of owners and shareholders are required for professional corporations and professional associations. Copies of partnership agreements are required for partnerships. Copies of Articles of Incorporation and partnership agreements should be e-mailed to the Coverage Specialist prior to submitting coverage so that eligibility can be determined. Eligible professional corporations, professional associations, and

partnerships must be reported on the Form e-216 and submitted along with their applicable worksheets. Reporting of mid-term endorsements, additions, and deletions is not required; however, if choosing to report mid-term changes to a policy, all mid-term changes must be reported.

TIP: For more information about Mcare participation for Professional Corporations, Professional Associations, and Partnerships, please refer to Section 744 of Act 13 of 2002.

1. Calculate the assessment for a professional corporation, professional association, or partnership by computing the sum of 15% of the total 2015 Mcare assessments for each shareholder, owner, partner, independent contractor, and employed health care provider. (Refer to Example 1)

NOTE: ALL SHAREHOLDERS OF A PROFESSIONAL CORPORATION OR PROFESSIONAL ASSOCIATION, AND ALL PARTNERS OF A PARTNERSHIP MUST BE HEALTH CARE PROVIDERS AS DEFINED IN ACT 13 OF 2002; HOWEVER, THEY DO NOT NEED TO BE AN MCARE PARTICIPATING HEALTH CARE PROVIDER.

Example 1

Five health care providers are shareholders, owners, partners, independent contractors, or employees of Professional Corporation "Y" which provides emergency room services in Territory 1.

License #	Name	Specialty Code	County Code	HCP's Assessment	Other Rating Factors
MD123456	John Smith	03531	51	$ 4,633	Y3
MD654321	Jane Smith	03531	51	$ 6,177	
MD012345L	Mark Jones	03531	51	$ 6,177	
MD054321E	Sally Jones	03531	51	$ 6,177	
MD246810	Joseph Miller	03531	51	$ 4,015	PT 16

The sum of the total 2015 assessments for all health care providers who are shareholders, owners, partners, or employees of Professional Corporation "Y" is $27,179. ($4,633, $6,177, $6,177, $6,177 and $4,015 = $27,179). Thus, the 2015 assessment owed by Professional Corporation "Y" is $4,077 ($27,179 X 15% = $4.077).

If any of the shareholders, owners, partners, independent contractors, or employees has different policy dates than the professional corporation, professional association, or partnership policy, they shall be listed on the worksheet with their annual 2015 assessment that is effective or will be effective in the same calendar year as the professional corporation, professional association, or partnership's policy. (Refer to Example 2)

Example 2

Professional Corporation "Z" has a policy effective from 7/01/15-7/01/16. The shareholders, owners, partners, independent contractors, and employees have individual effective dates as follows:

John Smith	02/01/15-02/01/16	2015 Policy
Jane Smith	07/01/15-07/01/16	2015 Policy
*Mark Jones	11/01/15-11/01/16	2015 Policy

*When Mark Jones renews his 2015 policy on 11/01/15, his assessment will be $6,177. The corporation's assessment is based on his 2015 assessment even though it is not in effect at the time the corporation renews its coverage.

License #	Name	Specialty Code	County Code	HCP's Assessment	Other Rating Factors
MD123456	John Smith	03531	51	$ 4,633	Y3
MD654321	Jane Smith	03531	51	$ 6,177	
MD012345L	Mark Jones	03531	51	$ 6,177	

The sum of the total 2015 assessments for all health care providers who are shareholders, owners, partners, or employees of Professional Corporation "Z" is $16,987. ($4,633, $6,177 and $6,177= $16,987). The 2015 assessment owed by Professional Corporation "Z" is $2,548 ($16,987 X 15% = $2,548).

2. Apply other applicable assessment rating factors as outlined in Section IV.

3. Complete the Professional Corporation, Professional Association, and Partnership Worksheet (Exhibit 5) and submit with completed Form e-216. List the annual assessment for each HCP on the worksheet. Indicate any discounts applied to a HCP's assessment in the "Other Rating Factors" column. Also, indicate specific HCP addition or deletion dates in the "Other Rating Factors" column if choosing to report mid-term changes.

NOTE: THE HCPS ANNUAL ASSESSMENT MUST BE LISTED ON THE WORKSHEET EVEN IF REPORTING A SHORT TERM COVERAGE PERIOD FOR THE CORPORATION BECAUSE THE WORKSHEET WILL PRORATE THE HCPS ANNUAL ASSESSMENT BASED ON THE DATES PROVIDED.

C. HOSPITALS (SPECIALTY CODE 80612)

REQUIRED FORMS: EXHIBIT 4 (REMITTANCE ADVICE FORM e-216)
EXHIBIT 6 (WORKSHEET FOR HOSPITALS)
EXHIBIT 6A (ROSTER FOR HOSPITALS)

NOTE: PENNSYLVANIA LAW REQUIRES HOSPITALS TO HAVE FULL ANNUALIZED, SEPARATE, AND INDIVIDUAL LIMITS. ADDITIONAL INSUREDS MAY NOT SHARE LIMITS WITH A HOSPITAL.

1. Determine all of the territories in which the hospital provides services under the same license. (Refer to Exhibit 10)

2. Calculate the total prevailing primary premium for a hospital by computing:

   a. The sum of the annual occupied bed count (patient days divided by 365 and rounded to the nearest **whole** number - no partial numbers) for each of the following bed types: Hospital (acute care), Mental Health/Mental Rehabilitation, Extended Care, Outpatient Surgical, and Health Institution, multiplied by the appropriate rate. (Refer to Exhibit 2)

NOTE: WHEN REPORTING THE LIST OF ANNUAL OCCUPIED BED COUNTS ON EXHIBIT 6 FOR THE HOSPITAL, PLEASE DO NOT INCLUDE NURSING HOME BEDS.

PLUS

   b. The sum of the annual visit count for each of the following visit types: Emergency, Other, Mental Health/Mental Rehabilitation, Extended Care, Outpatient Surgical, Health Institution, and Home Health Care, divided by 100 and rounded to the nearest **whole** number, then multiplied by the appropriate rate. (Refer to Exhibit 2)

3. Calculate the assessment for a hospital by multiplying the total prevailing primary premium ("PPP") (the sum of the annual occupied bed and visit counts) by the Experience Modification Factor ("EMF") (as provided by Mcare), then multiplied by the 2015 annual assessment of 12%. (Mcare assessment = PPP x EMF x 12%) See note at bottom of page.

4. Apply other applicable assessment rating factors as outlined in Section IV.

5. Complete Hospital Worksheet (Exhibit 6) for each territory in which the hospital provides services, under the same license, listing the bed and visit counts separately for each territory and submit with completed Form e-216.

NOTE: EXPERIENCE MODIFICATION FACTOR MUST BE ENTERED AS A NUMBER (DECIMAL) AND NOT AS A PERCENTAGE ON THE HOSPITAL WORKSHEET, EXHIBIT 6 (98.9% SHOULD BE ENTERED AS 0.989).

NOTE: THE HOSPITAL WORKSHEET MULTIPLIES THE BED COUNTS BY THE TERRITORY RATE TO REACH THE SUBTOTAL AMOUNT. IT DIVIDES THE VISIT COUNTS BY 100 FIRST, THEN MULTIPLIES BY THE TERRITORY RATE TO REACH THE SUBTOTAL AMOUNT. ALL COUNTS SHOULD BE ENTERED AS AN ANNUAL AMOUNT. ALTHOUGH HOSPITALS' ASSESSMENTS ARE BASED ON A TOTAL OF BEDS AND VISIT COUNTS PER TERRITORY, ASSESSMENTS FOR PHYSICIANS, PODIATRISTS, AND CERTIFIED NURSE MIDWIVES EMPLOYED BY HOSPITALS ARE BASED ON THE HIGHEST RATED TERRITORY IN WHICH THE HEALTH CARE PROVIDER PRACTICES.

6. When HCPs and Mcare eligible professional corporations, professional associations, and partnerships are covered under a policy issued to a hospital, a complete roster of all participating HCPs and those professional corporations, professional associations, and partnerships covered under that hospital policy must be submitted along with the Form e-216 reporting the hospital coverage. In the case of a health system comprised of multiple hospitals, the roster for each hospital must include the HCPs at that hospital at the time of policy issuance or renewal.

D. NURSING HOMES (SPECIALTY CODE 80924)

REQUIRED FORMS: EXHIBIT 4 (REMITTANCE ADVICE FORM e-216)
EXHIBIT 7 (WORKSHEET FOR NURSING HOMES)

NOTE: PENNSYLVANIA LAW REQUIRES NURSING HOMES TO HAVE FULL ANNUALIZED, SEPARATE, AND INDIVIDUAL LIMITS. ADDITIONAL INSUREDS MAY NOT SHARE LIMITS WITH A NURSING HOME.

1. Determine all of the territories in which the nursing home provides services under the same license. (Refer to Exhibit 10)

2. Calculate the total prevailing primary premium by computing the sum of the annual occupied bed count (patient days divided by 365 and rounded to the nearest **whole** number) for the appropriate bed type: Convalescent or Skilled Nursing, multiplied by the appropriate rate. (Refer to Exhibit 2)

   Each nursing home must report either convalescent bed counts or skilled nursing bed counts, not both. If 50% or more of patients are age 65 and under, all bed counts must be reported as convalescent. If 50% or more of patients are over age 65, all bed counts must be reported as skilled nursing.

NOTE: WHEN REPORTING THE LIST OF ANNUAL OCCUPIED BED COUNTS ON EXHIBIT 7 FOR THE NURSING HOME, PLEASE DO NOT INCLUDE ANY HOSPITAL BEDS.

3. Calculate the assessment for a nursing home by multiplying the total prevailing primary premium by the 2015 annual assessment of 12%.

4. Apply other applicable assessment rating factors as outlined in Section IV.

5. Complete a Nursing Home Worksheet (Exhibit 7) for each territory in which the nursing home provides services, under the same license, listing the bed counts separately for each territory and submit with completed Form e-216.

1. Determine all of the territories in which the birth center provides medical or healthcare services under the same license. (Refer to Exhibit 10)

2. Calculate the assessment by computing the sum of 25% of the total 2015 assessments for all HCPs who use the facility or who have an ownership interest. (Refer to Example 3)

REQUIRED FORM: EXHIBIT 4 (REMITTANCE ADVICE FORM e-216)

NOTE: PENNSYLVANIA LAW REQUIRES SELF-INSUREDS TO HAVE FULL ANNUALIZED, SEPARATE, AND INDIVIDUAL LIMITS. ADDITIONAL INSUREDS MAY NOT SHARE LIMITS WITH A SELF-INSURED.

1. Self-insured entities should follow the same procedures as primary insurers when submitting the Form e-216. All renewals and endorsements to the plan, including additions and deletions, should be received by Mcare within 60 calendar days of the effective date of the renewal, additions, and/or deletions in order to be considered timely.

2. The worksheets listed below are also to be used by self-insured entities, when applicable, and must be completed and submitted along with a completed Form e-216.

H. TELEMEDICINE For purposes of calculating the assessment, telemedicine is the electronic transmission of services from a remote location by a HCP licensed in Pennsylvania. Telemedicine could range from a telephone consultation to reading x-rays to robotic surgery.

SECTION IV - ADDITIONAL ASSESSMENT RATING FACTORS

In addition to the above information, there are other factors that affect the HCP's assessment that are listed below:

A. PART-TIME Physicians, podiatrists, and certified nurse midwives who advise their primary insurer or self-insurer in writing that they practice on annual average:

- "08" 8 hours or less per week shall be charged 50% of the otherwise applicable Mcare assessment (50% discount).
- "16" 16 hours or less, but more than 8 hours per week, shall be charged 65% of the otherwise applicable Mcare assessment (35% discount).
- "24" 24 hours or less, but more than 16 hours per week, shall be charged 80% of the otherwise applicable Mcare assessment (20% discount).

NOTE: PART-TIME DISCOUNTS ARE NOT AVAILABLE TO HEALTH CARE PROVIDERS REPORTED WITH AN FTE FACTOR LESS THAN 1.000.

B. NEW PHYSICIANS OR NEW PODIATRISTS These providers may receive the discount indicated from the otherwise applicable assessment:

- "Y1" Charge 25% of the otherwise applicable assessment for the first year of coverage (75% discount).
- "Y2" Charge 50% of the otherwise applicable assessment for the second year of coverage (50% discount).
- "Y3" Charge 75% of the otherwise applicable assessment for the third year of coverage (25% discount).

The first year of coverage for a new physician or a new podiatrist begins on the date medical liability coverage is effective if such coverage is effective within six months after:

1. The completion of (a) a residency program, (b) a fellowship program in their medical specialty, or (c) podiatry school or
2. The fulfillment of a military obligation in remuneration for medical school tuition.

Such physicians or podiatrists must be either joining a medical group or opening their own medical practice. If the initial coverage is effective more than six months after (1) or (2) above first occurs, the physician or podiatrist will be considered to be in the year of coverage that would apply if coverage had been effective within six months after (1) or (2) above.

NOTE: A HEALTH CARE PROVIDER MAY ONLY USE ONE LIFETIME (Y1, Y2, Y3) SERIES OF NEW PHYSICIAN OR NEW PODIATRIST DISCOUNT. THIS DISCOUNT IS NOT AVAILABLE TO CERTIFIED NURSE MIDWIVES.

C. RESIDENTS AND FELLOWS may receive the discount indicated from the otherwise applicable assessment:

- "R" Charge 50% of the otherwise applicable assessment for a Resident (50% Discount).
- "F" Charge 50% of the otherwise applicable assessment for a Fellow (50% Discount).

A resident or fellow is a physician or podiatrist enrolled in a medical, osteopathic, or podiatry residency or fellowship program who has successfully completed the prescribed period of postgraduate education that is necessary under applicable law to become eligible for unrestricted medical, osteopathic, or podiatry licensure in the Commonwealth of Pennsylvania.

NOTE: RESIDENT/FELLOW AND NEW PHYSICIAN DISCOUNTS CANNOT BE USED TOGETHER.

D. SLOT POSITIONS Slot rating is limited to (a) employees of an institution licensed as a hospital or (b) a physician practice plan owned by a hospital or that hospital's corporate parent organization. Slot rating is used to account for certain risks (see notation below) associated with a block of in-hospital clinical medical service exposures (i.e., several physicians rotating through one full-time equivalent position). The slot positions must be within the scope of duties and normal business of the institution and within a single medical specialty and job description. When added together, all HCPs within this one slot or block of exposure must equal one Full-Time Equivalent ("FTE").

When multiple HCPs fill a slot-rated position, the assessment shall be appropriately divided among them on a pro rata basis for the FTE position. If the aggregate hours of clinical time of those filling a slot exceed 40 hours per week, a new slot must be created. Each HCP in a slot must be reported to Mcare with full, separate and individual coverage limits. Such coverage is available only for the individual professional liability of the HCPs within the slot and is not available for entities. The number of HCPs in any one slot shall be limited to 12.

Slot rating shall be limited to the following specialty codes:

Anesthesiology - Excl Maj S*	02083	Neurology - Excl Maj S	02511
General or Family Practice - NS	01520	Neurosurgery	10011
General Surgery and Internal Medicine - Maj S	07043	Obstetrics/Gynecology*	08029
		Orthopedic Surgery	09013
Hematology - NS	00508	Pathology - NS	00715

Infectious Diseases - NS	01540	Psychiatry - NS*	00619

Internal Medicine - NS	01510	Rehabilitation/Physiatry - NS	00621
Internal Medicine*	03010	Trauma - Maj S	07084
Neonatology - NS	01541	Urgent Care - Excl Maj S*	03531

*See Exhibit 3 for Complete Specialty Code Description

Slot coverage is not available to HCPs associated with group practices for non-hospital environments or to groups that contract to provide medical services within a hospital. Slot rating is not available to a HCP who works full-time in one specialty (37.5 hours or more per week) at an institution, unless the position is a rotating resident position.

NOTE: PART-TIME DISCOUNTS ARE NOT AVAILABLE TO HEALTH CARE PROVIDERS REPORTED IN A SLOT.

When a HCP leaves a slot-rated position, but the slot remains open, slot tail must be reported for the HCP who is leaving. Please provide notification to Mcare in the e-mail transmitting the e-216 when a new slot is opened or an existing slot is closed. If the last HCP in a slot leaves and the slot closes, tail must be reported for the entire slot on that last HCP's reported tail coverage. Indicate the retroactive date of the slot in the e-mail transmitting the e-216 and the retroactive date of the HCP on the e-216. If the retroactive date of the slot (not the last HCP in the slot) is prior to January 1, 1997, a surcharge is due to Mcare, when and only if there would have been a primary premium greater than $0 due for the basic insurance coverage tail for periods prior to 1997.

NOTE: SLOT TAIL COVERAGE MUST PROVIDE EACH HEALTH CARE PROVIDER A SEPARATE AND INDIVIDUAL COVERAGE LIMIT.

E. LOCUM TENENS Taken from the Latin "to hold the place of, to substitute," a locum tenens health care provider is one who contracts with a medical facility or group to temporarily supply health care services while a permanent HCP is absent for a specified length of time. This term also includes HCPs who are temporarily engaged to assist during peak periods of the year, test market new services in a community, expand services into new geographical areas, and care for patients while new permanent HCPs are recruited.

INDIVIDUAL LOCUM TENENS POLICIES For individual physicians, certified nurse midwives, and podiatrists who provide health care services in locum tenens and are participating HCPs, the assessment shall be reported on a short-term basis for the specific dates being covered. If basic insurance coverage is written on a claims-made basis, tail coverage or its substantial equivalent must be obtained and reported to Mcare upon termination of the claims-made coverage.

NOTE: A DECLARATION OF COMPLIANCE FORM ("DOC") MAY NEED TO BE COMPLETED FOR ANY GAPS IN COVERAGE. TO COMPLETE THE DOC, GO ONLINE AT WWW.INSURANCE.PA.GOV/MCARE SELECT "YOUR MCARE COVERAGE AND COMPLIANCE". CLICK ON THE LINK "COMPLIANCE FORM" UNDER "DECLARATION OF COMPLIANCE".

GROUP LOCUM TENENS POLICIES The assessment for physicians, certified nurse midwives, and podiatrists groups, who provide health care services in locum tenens and are participating HCPs, shall be prorated through use of Full-Time Equivalents ("FTE") and reported as follows:

NOTE: EACH HEALTH CARE PROVIDER MUST BE PROVIDED A SEPARATE AND INDIVIDUAL COVERAGE LIMIT.

1. **Annual Policy Period** Calculate the FTE based on the estimated total number of days included for each locum tenens assignment. At the end of the policy period, the FTE should be adjusted for actual total number of days included for each assignment. (Refer to Example 4) The "actual" total number of days worked during the prior year should be used, at minimum, to calculate the FTE for the next renewal period, or an insufficient assessment may result.

Example 4**:**
The policy period reported is 2/1/15 – 2/1/16. A health care provider has the following assignments in PA: 2/6/15-2/25/15 (20 days), 5/1/15-5/26/15 (26 days), 7/1/15-7/26/15 (26 days) = a total of 72 days of locum tenens assignment in PA divided by 365 days a year (72 ÷ 365 = 0.197). The FTE reported would be 0.197. Note: 365 days should also be used in a leap year.

2. **Mid-term Additions** When adding a HCP to a group locum tenens policy mid-term, the preferred method is to use the start date of the HCP as the inception and retroactive date. Please note, the FTE must be based on the actual number of days in the policy period (HCP's inception date to expiration date). At the end of the policy period, the FTE should be adjusted for actual total number of days included for each assignment.

Example 5:
The group policy period is 7/1/15 – 7/1/16. The health care provider's start date is 10/1/15. The policy period reported for this health care provider is 10/1/15 – 7/1/16.

The health care provider has the following assignments in PA: 10/6/15 – 10/25/15 (20 days), 1/1/16 – 1/26/16 (26 days), 5/1/16 – 5/26/16 (26 days) = a total of 72 days of locum tenens assignment in PA divided by 273 days in the policy period (72 ÷ 273 = 0.264). The FTE reported would be 0.264.

NOTE: THE E-216 FURTHER PRORATES BASED ON THE DATES OF COVERAGE PROVIDED.

Tail coverage or its substantial equivalent must be provided and reported for health care providers who end their assignments in Pennsylvania with the locum tenens group if coverage is written on a claims-made basis. Tail coverage must provide each health care provider with separate and individual coverage limits.

NOTE: PART-TIME DISCOUNTS ARE NOT AVAILABLE TO HEALTH CARE PROVIDERS REPORTED WITH AN FTE FACTOR LESS THAN 1.000.

F. BIFURCATION ("BIFU") If a HCP changes the effective date of their professional liability coverage and that change results in a HCP receiving more than 12 months of the same assessment rate, then the appropriate assessment will be bifurcated to include the assessment percentages applicable to each calendar year over which the new policy is in effect. This allows only 12 months maximum at the same assessment rate for the year that the policy effective date was changed. Report each portion of the bifurcated assessment on separate Form e-216s applicable to the rating year that is being paid (i.e., for the example the report on the next page 7/1/15 to 1/1/16 on a 2015 Form e-216 using the 2016 rates and report 1/1/16 to 7/1/16 on a 2016 Form e-216 using the 2016 rates). Indicate "BIF1" or "BIF2" in the Comment column of the Forms e-216 on the respective line of coverage. (Refer to Example 6)

Mcare will consider the assessment for the second portion of a bifurcated assessment as being timely remitted when paid to Mcare within 60 days of the beginning date of the second portion of the bifurcated period. In example 6, the second payment is due to Mcare within 60 days of January 1, 2016.

TIP: Select a due date for your invoice for the second portion of the bifurcation which allows sufficient time for you to comply with the 60 day reporting requirement.

NOTE: THE ASSESSMENT FOR SUBSEQUENT ANNUAL RENEWALS SHOULD NOT BE BIFURCATED AGAIN AND MAY RESULT IN A HEALTH CARE PROVIDER RECEIVING MORE THAN 12 MONTHS OF THE SAME ASSESSMENT RATE.

Example 6:

A health care provider has a policy from February 1, 2015 to February 1, 2016. The 2015 assessment (12%) was reported on this policy. On July 1, 2015, the health care provider cancels his policy and purchases a new policy for the period of July 1, 2015 to July 1, 2016.

(1) The assessment shall be prorated from July 1, 2015 to January 1, 2016 using the 2015 assessment (12%).
(2) The policy period from January 1, 2016 to July 1, 2016 shall be prorated by using the 2016 assessment (%TBD)*.
(3) Upon renewal of the July 1, 2016 policy, the 2016 assessment (%TBD)* will be applied for the full annual period.

	2/1/2015 to 2/1/2016	(12%)
Cancelled	(7/1/2015 to 2/1/2016)	(12%)
	7/1/2015 to 1/1/2016	(12%) Bifurcated
	1/1/2016 to 7/1/2016	(%TBD) Bifurcated
	7/1/2016 to 7/1/2017	(%TBD)

* This rate has yet to be determined.

SECTION V - NONPARTICIPATING TRANSMITTAL (FORM e-316)

A. GENERAL INFORMATION The Nonparticipating Transmittal Form e-316 is the form to be used by primary insurers and self-insurers who provide coverage to nonparticipating HCPs. A nonparticipating HCP is a HCP as defined in Section 103 of Act 13 that conducts less than 50%, but more than 0% of their health care business or practice within this Commonwealth and does not choose to participate in Mcare. The health care business or practice, as defined in Section 702, is based on the number of patients to whom health care services are rendered by a HCP within an annual period.

Nonparticipating HCPs must secure basic insurance coverage limits as required by and consistent with Act 13 of 2002. Current coverage limits are $1 million per occurrence or claim and $3 million per annual aggregate.

The preferred method for primary insurers and self-insurers submitting coverage to Mcare is to do so electronically via the following e-mail address: ra-in-remittance@pa.gov. A hard copy Nonparticipating Transmittal Form 316 is no longer required when submitting your e-316/e-216. e-316s submitted electronically in a .pdf format will be rejected.

SECTION VI - PRIOR ACTS, RETRO, AND TAIL COVERAGE

A. PRIOR ACTS ("NOSE") AND RETROACTIVE ("RETRO") COVERAGE When prior acts coverage is written for claims-made coverage with a retroactive date before January 1, 1997, the surcharge associated with that prior acts coverage shall be 164% of the primary insurer's premium for the primary prior acts coverage, but only for that portion of the primary prior acts coverage prior to the 1997 policy. A surcharge is due when and only if there is a primary premium greater than $0 due for the basic insurance coverage prior acts. No additional assessment is due on retro coverage reported on claims-made policies. Please note that Mcare will not accept retro coverage that covers any period of time wherein previous underlying claims-made coverage has not been reported to Mcare. Mcare's limits for prior acts coverage are restricted to the statutory limits of liability.

B. EXTENDED REPORTING PERIOD ("TAIL") COVERAGE Following cancellation, termination or nonrenewal of claims-made coverage in Pennsylvania, a primary insurer writing medical professional liability insurance on a claims-made basis is required to offer, for a period of 60 calendar days, liability protection to a HCP, eligible professional corporation, professional association or partnership for the liability previously covered by the primary insurer, subsequent to the cancellation, termination, or nonrenewal of the claims-made policy.

Tail coverage, regardless of whether it involves the payment of a surcharge, should be received at Mcare within 120 calendar days of the cancellation, termination, or nonrenewal of the underlying claims made coverage.

Claims-made coverage with a retro date prior to January 1, 1997 will have a surcharge due to Mcare, when and only if there is a primary premium greater than $0 due for the basic insurance coverage tail for periods prior to 1997. The tail surcharge shall be 164% of the tail primary premium calculated by the basic insurance coverage insurer using their current tail rates for only that portion of the tail covering claims-made periods prior to the expiration of the 1996 coverage (See Example 7). For claims-made policies with retro dates for periods for which a surcharge or assessment based on 1997 and subsequent years' surcharge or assessment rates has been paid to Mcare, there is no Mcare surcharge or assessment due for the primary tail (See Example 8).

Example 7:

Claims made Policy: 7/1/95 - 7/1/96
Claims made Policy: 7/1/96 - 7/1/97
Claims made Policy: 7/1/97 - 7/1/98
Claims made Policy: 7/1/98 - 7/1/99
Tail Policy: 7/1/95 - 7/1/99

This Health Care Provider retiring on 7/1/99 would owe a surcharge equivalent to 164% of what the provider is currently charged for tail coverage for the period 7/1/95 - 7/1/97

Example 8:

Claims made Policy: 7/1/01 - 7/1/02
Claims made Policy: 7/1/02 - 7/1/03
Tail Policy: 7/1/01 - 7/1/03

This Health Care Provider retiring on 7/1/03 would owe no Mcare surcharge for the basic insurance coverage tail

Mcare recognizes two types of extended reporting period (tail) coverage. Primary insurers must report on Form e-216 the type of tail coverage provided the insured, either a policy type of "ERP" for Extended Reporting Period Endorsement Tail coverage or "SAT" for Stand Alone Tail coverage.

"ERP" **EXTENDED REPORTING PERIOD ENDORSEMENT** Extended Reporting Period endorsements provide coverage wherein the aggregate limit of liability is shared with the last underlying claims made coverage. A separate Mcare aggregate limit for Extended Reporting Period endorsements does not exist. The tail shares the aggregate limit of the terminating claims made coverage.

"SAT" **STAND ALONE TAIL** Generally, a primary insurer other than the primary insurer of record for the last claims made policy will underwrite this type of tail policy, although a primary carrier providing a new aggregate limit of liability on an endorsement tail is not precluded from reporting it as Stand Alone Tail coverage. Mcare provides a separate aggregate limit for Stand Alone Tail coverage.

SECTION VII - JUA DEFINITIONS

The definitions supplied in this Section are in accordance with the Pennsylvania Professional Liability Joint Underwriting Association ("JUA"). When completing the necessary forms and/or worksheets, it is important that you keep the following definitions in mind:

Beds
The number of beds equals the daily average number of occupied beds, cribs, and bassinets used for patients during the previous policy period. The unit of exposure is each bed, computed by dividing the sum of the daily numbers of beds, cribs, and bassinets used for patients for each day of the policy period, by the number of days in such period.

Convalescent Facilities
Convalescent Facilities are free-standing facilities which provide skilled nursing care and treatment for patients requiring continuous health care, but do not provide any hospital services (such as surgery) and 50% or more of their patients are 65 and under.

Extended Care
All beds located within a hospital, licensed by the state and utilized for patients requiring either skilled nursing care or the supervision of skilled nursing care on a continuous and extended basis.

Outpatient Surgical
Outpatient Surgical Facilities are facilities that provide surgical procedures on an outpatient (same day) basis. Beds are used primarily for recovery purposes, and overnight stays, if any, are the exception.

Skilled Nursing Facilities
Skilled Nursing Facilities are freestanding facilities which provide the same service as a Convalescent Facility, except that 50% or more of their patients are over 65.

Visits
The number of visits equals the total number of visits to the institution (regardless of the number of visits to particular departments within such institution) by outpatients (patients not receiving bed and board services), during the previous policy period. The unit of exposure is 100 visits each.

MEDICAL PROCEDURES

Medical procedures typically are employed as one of many components of a physician's medical practice. This rule applies to those physicians who limit their medical practice to a single medical procedure. If the medical practice of a physician is solely limited to a medical procedure described herein, the physician shall be classified and rated as follows:

If the physician's medical practice is not solely limited to a medical procedure described herein, the medical specialty of the physician shall be used to determine the applicable rate classification. If the physician's medical practice includes multiple medical specialties, the highest rated classification shall be used.

For Example:

Laparoscopy/Peritoneoscopy are medical procedures which are performed by practitioners of several medical specialties. The rating classification of physicians performing these procedures shall correspond with that of the physician's medical specialty:

Colon-Rectal Surgery	–	Shall be rated as either Class 050 or 060
Gastroenterology	–	Shall be rated as Class 070
General Surgery	–	Shall be rated as Class 070
