2018 ASSESSMENT MANUAL

Introduction

This manual should be used to calculate the Mcare assessment for 2018 as required by Act 13 of 2002 (“Act 13”). It is essential that this manual is read in its entirety. While the manual is intended to clarify and periodically modify procedures associated with calculating the assessment, the manual is not a substitute for complying with Act 13 (40 P.S. § 1303.101 et seq.) and the regulations (31 Pa. Code § 242.1 et seq.). Although the information in this manual is intended to complement Act 13 and its attending rules and regulations, if a conflict exists, Act 13 and its regulations are controlling.

The Mcare assessment is a percentage of the Pennsylvania Professional Liability Joint Underwriting Association (“JUA”) rates as approved by the Pennsylvania Insurance Department. For 2018 Mcare assessment calculation purposes the JUA rates to be used are the base rates that are effective January 1, 2018. It has been determined that the 2018 assessment rate is 19%.

TIP: CONSULTING THE JUA RATE MANUAL AT WWW.PAJUA.COM MAY PROVIDE DETAILS NOT SPECIFICALLY ADDRESSED IN THIS MANUAL.

MCARE PARTICIPATION

If a health care provider (“HCP”) is licensed in Pennsylvania and 50% or more of the patients to whom the HCP renders healthcare services are in Pennsylvania, participation in Mcare is mandatory. If a HCP is licensed in Pennsylvania and less than 50% but more than 0% of patients to whom the HCP renders healthcare services are in Pennsylvania, the HCP may choose to participate in Mcare. However, if the HCP opts out of participating in Mcare, the HCP must still meet the mandatory insurance requirements of Act 13 of 2002. See the Nonparticipating Transmittal Form e-316.

Although not defined as a “health care provider,” those professional corporations, professional associations and partnerships that are entirely owned by HCPs and which elect to purchase basic insurance coverage must also participate in Mcare.

2018 MCARE LIMITS

Act 13 provides that the total required amounts of medical professional liability coverage, including primary and Mcare coverage, for HCPs, excluding hospitals, are \$1,000,000 per occurrence and \$3,000,000 per annual aggregate. For hospitals, the required total coverage amounts are \$1,000,000 per occurrence and \$4,000,000 per annual aggregate. As in recent years, Mcare Fund participating HCPs will be required in 2018 to obtain primary coverage in the amount of \$500,000 per occurrence and \$1,500,000 per annual aggregate. Hospitals must obtain primary coverage in the amount of \$500,000 per occurrence and \$2,500,000 per annual aggregate. Mcare provides participating HCPs coverage of \$500,000 per occurrence and \$1,500,000 per annual aggregate in excess of the primary coverage.

EXEMPTIONS

HCPs as defined in the Mcare Act are exempt from participating in Mcare if they exclusively provide care:

- Outside the Commonwealth of Pennsylvania or have not provided care to Pennsylvanians
- As employees of the federal, state or local government including the military
- As a forensic pathologist

If a health care provider also provides care in other than exempted category, they must participate in Mcare for that part(s) of their practice.

HCPs who provide care in the Commonwealth of Pennsylvania may be exempt from participation in Mcare under the following circumstances that include restrictions:

- Less than 50% of the care provided by the HCP is in Pennsylvania, however, they must still maintain medical malpractice coverage as required by the Mcare Act
- The care provided by the HCP is exclusively within the restrictions of a Volunteer License
- Physicians with Active Retired licenses providing care only to themselves or their immediate family members

Additionally:

- HCPs without an active license, for whatever reason, who are not providing care are exempt from Mcare participation

SECTION I - REMITTANCE ADVICE FORM e-216

A. GENERAL INFORMATION Form e-216 serves as both a coverage reporting form and an accounting form. Electronic submission of the Excel e-216 is the preferred method of reporting basic insurance coverage to Mcare. Prior written permission must be obtained from Mcare before alternate electronic submissions will be accepted. A hard copy 216 is no longer required when submitting your e-216 with or without payment.

Always download a new Form e-216 from our website each time you need to complete another Form e-216. Mcare periodically improves Form e-216. Downloading a new Form e-216 each time will ensure the latest version is used. Form e-216, along with all applicable Worksheet Exhibits, is available by:

1. Visiting our website at www.insurance.pa.gov
2. Selecting “Mcare” from the Special Funds menu on the bottom
3. Selecting “Coverage” from the Resources section on the right
4. Selecting the link for the appropriate year’s assessment manual
5. Selecting the “e-216 Remittance Advice Form” link
6. Opening or saving the file

Form e-216 is a Microsoft Excel Worksheet that contains macros which add functionality to the spreadsheet. The version of Microsoft Excel you are using will determine how macros are enabled.

Form e-216 calculates the assessment payable for physicians, podiatrists and certified nurse midwives based on the information provided in columns “A” through “N.” The worksheets, and Form e-316 are tabbed at the bottom of the Form e-216. The worksheets will calculate the assessment for hospitals (Hosp. WS), corporations (Corp. WS), birth centers (BC WS), nursing homes (NC WS) and primary health centers (PHC WS). Since the worksheet will not update the Form e-216 automatically, it is necessary for the coverage and assessment information to be added to the Form e-216 tab manually. If the facility provides services in multiple territories, the assessment from all of the facility’s worksheets must be totaled and the total added manually to the Form e-216 tab. The worksheets for these entities must be submitted along with the completed Form e-216.

The 2018 Form e-216 is to be used to report coverage only for policies issued or renewed in 2018. This is because the 2018 Form e-216 will calculate the assessment based on 2018 rates. When reporting mid-term additions and deletions to an existing master policy, use the effective year of the master policy to determine the applicable assessment year and rates.

NOTE: FORM E-216 IS A TOOL TO ASSIST IN THE CALCULATION OF THE ASSESSMENT; HOWEVER, ALL ASSESSMENTS MUST BE REVIEWED FOR ACCURACY BEFORE SUBMITTING TO MCARE. TRANSACTIONS SHOULD BE REPORTED AND RECEIVED AT MCARE IN CHRONOLOGICAL ORDER.

Coverage information along with collected assessment payments, if applicable, should be received by Mcare within 60 days of the effective date of coverage in order to be considered timely. Failure to pay a sufficient assessment within 60 days of the effective date of coverage may result in disciplinary action against a HCP's medical license and the denial of Mcare coverage in the event of a claim against the HCP or eligible entity.

TIP: WHEN SENDING AN INSURED AN INVOICE FOR THE MCARE ASSESSMENT, SELECT A DUE DATE FOR YOUR INVOICE WHICH ALLOWS SUFFICIENT TIME FOR YOU TO COMPLY WITH THE 60-DAY REPORTING REQUIREMENT.

B. ELECTRONIC SUBMISSIONS Electronic submission of Form e-216s is the preferred method of reporting basic insurance coverage to Mcare. Each submission must have a unique 216 date. A hard copy 216 is no longer required when submitting your e-216 with or without payment. These improvements apply to all submissions regardless of the assessment year. The e-216 and accompanying documentation must be sent to ra-in-remittance@pa.gov with the appropriate subject line as discussed on [page 10](#).

Assessment Payment Option Available Assessment payments may be made through an electronic funds transfer ("EFT") payment process. The EFT payment method is an alternative to a check payment method; however, checks will still be accepted. To learn more about this payment option and the required minimum standards, please send an e-mail to Mcare's Fiscal Unit at ra-in-mcare-exec-web@pa.gov expressing your interest.

If payment is due, the payment must be sent to Mcare at or about the same time as the e-216 is e-mailed, but within 60 days of the effective date of coverage. Since no hard copy 216 is required, the check, ACH (if available) or wire number and payment amount must be included in your e-216 and the carrier code must be included on the face of the check or in the designated space of your ACH or wire so we can match the e-216 with the payment. **Please make payment methods payable to: Medical Care Availability and Reduction of Error Fund or "Mcare".**

Although a hard copy Form 216 will be accepted in isolated circumstances that are preapproved by Mcare, submitting both an electronic and hard copy of the same Form 216 is unacceptable. The submission of a hard copy Form 216 with or instead of a Form e-216 will hinder processing, which may cause your insured to be subject to no coverage or delay the processing of claims.

If payment is due with your Form e-216, the assessment total must be equal to the payment amount remitted unless the primary insurer or self-insurer has a prior credit balance and it is properly documented on the e-216. If utilizing a credit, the payment amount should equal the amount due. For more information on credit balances and tracking them on the e-216, please see [page 9](#).

NOTE: WHEN PAYMENT IS DUE WITH AN E-216, THE "RECEIVED DATE" IS THE DATE THE VALID FUNDS AND THE VALID E-216 ARE RECEIVED BY MCARE. WHEN NO PAYMENT IS DUE WITH AN E-216, THE "RECEIVED DATE" IS THE DATE THE VALID E-216 IS RECEIVED BY MCARE.

When remitting to Mcare, please include the following in your e-mail:

- A subject line with proper formatting. (See formatting instructions below)
- A brief description of what is being submitted in the body of the e-mail. A cover letter is no longer required, but information formerly contained in the cover letter should be provided in the body of the e-mail.
- An attached Form e-216 with credit balances being tracked when appropriate.
- Supporting documentation provided as separate attachments.

When money is due to Mcare, the check, ACH or wire number and payment amount must be included in the Form e-216 and the carrier code must be included on the face of the check or in the designated space of your ACH or wire.

Proper subject line formatting for your e-216 submission is very important as your e-mail will be sorted based upon this information. The correct subject line is automatically populated on your e-216 in cell G9 and may be copied and pasted to your email. The subject line of the e-mail must be in the following format:

e-216s with a payment:

Insurer’s 3-digit Mcare-assigned # Official e-216 Date of e-216 Check, ACH or Wire No.

EXAMPLE: 000 Official e-216 01/01/18 Check/EFT No. 123456

e-216s without a payment:

Insurer’s 3-digit Mcare-assigned # Official e-216 Date of e-216 [No Check, ACH or Wire No. is needed when there is no payment]

EXAMPLE: 000 Official e-216 01/01/18

Alternatively, you can use the **Submit e-216** button as shown below and an email with the appropriate subject line, a brief description of your submission and your e-216 will automatically be generated. If you are submitting multiple e-216s or need to include any supporting documentation, these will need to be attached to the email manually.

SECTION II - REPORTING GUIDELINES

A. CREDIT BALANCES When the total of a Form e-216 results in a credit that is due to the carrier, the credit will be used as payment toward a future Form e-216. All credit balances must be carried forward to the next Form e-216 until the credit balance is exhausted. Credit balances belong to the carrier of record and one credit balance per carrier may be maintained. The heading of the Form e-216 tracks credit balances. Please enter data in the specified fields as outlined below:

	P	Q	S	U	V	Key:
1	Carrier Code		Receipt Date			Entered by submitter
2	Check/EFT #		Transaction Count	0		Automatically populated
3	Check / EFT Amount		Coverage Specialist			For Mcare's official use only

Form e-216 header assessment/credit tracking

Form e-216 header assessment/credit tracking field descriptions:

- Carrier Code (Cell Q1) – Carrier code selected from drop down box
- Check/EFT# (Cell Q2) – Check/EFT # must be entered if sending payment
- Check/EFT Amount (Cell Q3) – Enter the amount of the check. This should match the Amount Due. The Check/EFT Amount should be equal to the Assessment Total minus the credit balance being used
- Assessment Total (Cell Q5) – This is the e-216 total
- Beginning Crdt Bal (Cell Q6) – Enter your current credit balance as a **credit**
- Crdt Bal Used (Cell Q7) – Enter amount of credit being applied to this submission as a **debit**
- Ending Crdt Bal (Cell Q8) – This is the credit balance that should be carried over to your next e-216
- Amount Due (Cell Q9) – This will be the amount due or the new credit balance
- Transaction Count (Cell U2) – The number of transactions on this e-216
- From e-216 Dated (Cell U6) – Enter the e-216 date the credit balance is being transferred from

Our preferred method is one e-216 per submission. Multiple e-216s per submission are acceptable, but completion of the header assessment/credit tracking information may become more complex.

The following examples show various transactions involving credit balance adjustments. This first example shows a credit balance being generated where none previously existed:

They are adding the credit generated by this submission to their Beginning Credit Balance and carrying forward a new Ending Credit Balance of (\$13,200.00).

In the next example, the submission's entire Assessment Total is being paid with an existing credit balance:

They are using their Beginning Credit Balance to pay the Assessment Total of this submission and carrying forward a new Ending Credit Balance of (\$2,219.00).

In this final example only part of the Assessment Total is being paid with an existing credit balance and the remaining Amount Due is being paid with a check:

This remittance results in an Assessment Total of \$9,781.00. The carrier has a Beginning Credit Balance of (\$5,000.00) from their remittance dated 12/01/17. They are using their Beginning Credit Balance to offset this submission's Assessment Total resulting in an Amount Due of \$4,781.00.

When submitting a Form e-216 for HCPs employed by the same entity or group, indicate the Related License or Assigned Number in the Related # field at the top of the Form e-216 (cell B4). This will automatically populate the Related License or Assigned Number in the V column on the Form e-216. Complete cell B5 with the entity or group name.

If submitting a Form e-216 with multiple Related License or Assigned Numbers, please type the related number in the V column of the Form e-216 corresponding with each line of coverage. One continuous Form e-216 per remittance should be e-mailed regardless of how many Related License or Assigned Numbers are reported. If this is problematic, please contact the Coverage Specialist who handles your account. Please type the corresponding name of the hospital, corporation, or group as a heading in the name column on the line above each group of HCPs having the same Related License or Assigned Number.

1. On the first line reverse what was originally reported incorrectly.
2. On the second line complete the Form e-216 with the corrected coverage information.
3. Both lines should be coded as CORR in the Comment column of the Form e-216 unless instructed otherwise by the Coverage Specialist.

**John Q. Doe was reported with an incorrect retro date of 1/01/12 on remittance dated 2/01/18
His correct retro date is 1/01/13**

A correction Form e-216 should include only those HCPs being corrected. Do not resubmit entries that were previously reported correctly. Additionally, a correction Form e-216 should have a new remittance date since it is not a replacement of a previous submission. A correction Form e-216 should only include HCPs which have been identified by Mcare as having discrepancies. In cell B9, enter the date of the Form e-216 that you are correcting.

Please note that failure to provide correct information or full payment to Mcare may result in a health care provider being reported to their licensing authority for no coverage.

SECTION III - CALCULATING THE MCARE ASSESSMENT

Mcare assessment payments are to be sent to Mcare at the same time as the Form e-216 and any other required documents are e-mailed. Always download a new e-216 from our website each time you need to complete another e-216. This section is designed to assist in the manual calculation of the Mcare assessment for the various types of HCPs and eligible entities participating in Mcare.

A. PHYSICIANS, PODIATRISTS, AND CERTIFIED NURSE MIDWIVES

REQUIRED FORM: [EXHIBIT 4 \(REMITTANCE ADVICE FORM E-216\)](#)

NOTE: PENNSYLVANIA LAW REQUIRES PHYSICIANS, PODIATRISTS, AND CERTIFIED NURSE MIDWIVES TO HAVE FULL ANNUALIZED, SEPARATE, AND INDIVIDUAL LIMITS. ADDITIONAL INSUREDS MAY NOT SHARE LIMITS WITH AN MCARE PARTICIPATING PHYSICIAN, PODIATRIST, OR CERTIFIED NURSE MIDWIFE.

1. Determine the appropriate classification. When two or more classifications are applicable to the coverage being reported, the assessment for the highest rated classification will apply. (Refer to [Exhibit 3](#))
2. Determine the appropriate territory. When two or more territories are applicable to the coverage being reported, the assessment for the highest rated territory will apply. (Refer to [Exhibit 10](#))
3. Locate appropriate prevailing primary premium. The assessment for a physician, podiatrist, or certified nurse midwife must be calculated by multiplying the prevailing primary premium by the 2018 annual assessment rate of 19%. (Refer to [Exhibit 1](#))
4. Apply other applicable assessment rating factors as outlined in [Section IV](#).
5. Submit a completed Form e-216.

B. PROFESSIONAL CORPORATIONS, PROFESSIONAL ASSOCIATIONS, AND PARTNERSHIPS (SPECIALTY CODE 80999)

REQUIRED FORMS: [EXHIBIT 4 \(REMITTANCE ADVICE FORM E-216\)](#)
 [EXHIBIT 5 \(WORKSHEET FOR PROFESSIONAL CORPORATIONS, PROFESSIONAL ASSOCIATIONS, AND PARTNERSHIPS\)](#)

NOTE: PENNSYLVANIA LAW PROHIBITS PROFESSIONAL CORPORATIONS, PROFESSIONAL ASSOCIATIONS, AND PARTNERSHIPS, AS DEFINED IN THE PENNSYLVANIA BUSINESS CORPORATION LAW, FROM SHARING LIMITS WITH ANY HEALTH CARE PROVIDER. ADDITIONAL INSUREDS MAY NOT SHARE LIMITS WITH A PARTICIPATING PROFESSIONAL CORPORATION, PROFESSIONAL ASSOCIATION, OR PARTNERSHIP.

Although not defined as a “health care provider,” those professional corporations, professional associations, and partnerships as defined in the Pennsylvania Business Corporation Law that are entirely owned by HCPs and which elect to purchase basic insurance coverage as defined in Act 13 must participate in Mcare.

Proof of Mcare eligibility is required for any entity that is newly reported to Mcare or that changes its professional corporation, professional association, or partnership status. Copies of Articles of Incorporation approved and stamped by the Pennsylvania Department of State and a list of owners and shareholders or members are required for professional corporations and professional associations. Copies of partnership agreements are required for partnerships.

Copies of Articles of Incorporation and partnership agreements should be e-mailed to the Coverage Specialist prior to submitting coverage so that eligibility can be determined. Eligible professional corporations, professional associations, and partnerships must be reported on the Form e-216 and submitted along with their applicable worksheets. Reporting of mid-term endorsements, additions, and deletions is not required. However, if choosing to report mid-term changes to a policy, all mid-term changes must be reported.

1. Calculate the assessment for a professional corporation, professional association, or partnership by computing the sum of 15% of the total 2018 Mcare assessments for each owner, shareholder, member, partner, independent contractor, and employed health care provider. (Refer to Example 1)

NOTE: ALL OWNERS, SHAREHOLDERS, OR MEMBERS OF A PROFESSIONAL CORPORATION OR PROFESSIONAL ASSOCIATION, AND ALL PARTNERS OF A PARTNERSHIP MUST BE HEALTH CARE PROVIDERS AS DEFINED IN ACT 13 OF 2002. HOWEVER, THEY DO NOT NEED TO BE AN MCARE PARTICIPATING HEALTH CARE PROVIDER.

Example 1

Five health care providers are owners, shareholders, members, partners, independent contractors, or employees of Professional Corporation “Y” which provides emergency room services in Territory 1.

License #	Name	Specialty Code	County Code	HCP's Assessment	Other Rating Factors
MD123456	John Smith	03531	51	\$ 7,336	Y3
MD654321	Jane Smith	03531	51	\$ 9,781	
MD012345L	Mark Jones	03531	51	\$ 9,781	
MD054321E	Sally Jones	03531	51	\$ 9,781	
MD246810	Joseph Miller	03531	51	\$ 6,358	PT 16

The sum of the total 2018 assessments for all health care providers who are owners, shareholders, members, partners, or employees of Professional Corporation “Y” is \$43,037. (\$7,336, \$9,781, \$9,781, \$9,781 and \$6,358 = \$43,037). Thus, the 2018 assessment owed by Professional Corporation “Y” is \$6,456 (\$43,037 X 15% = \$6,456).

If any of the owners, shareholders, members, partners, independent contractors, or employees have different policy dates than the professional corporation, professional association, or partnership policy, they shall be listed on the worksheet with their annual 2018 assessment that is effective or will be effective in the same calendar year as the professional corporation, professional association, or partnership's policy. (Refer to Example 2)

Example 2

Professional Corporation "Z" has a policy effective from 7/01/18-7/01/19. The owners, shareholders, members, partners, independent contractors, and employees have individual effective dates as follows:

John Smith	02/01/18-02/01/19	2018 Policy
Jane Smith	07/01/18-07/01/19	2018 Policy
*Mark Jones	11/01/18-11/01/19	2018 Policy

*When Mark Jones renews his 2018 policy on 11/01/18, his assessment will be \$9,781. The corporation's assessment is based on his 2018 assessment even though it is not in effect at the time the corporation renews its coverage.

License #	Name	Specialty Code	County Code	HCP's Assessment	Other Rating Factors
MD123456	John Smith	03531	51	\$ 7,336	Y3
MD654321	Jane Smith	03531	51	\$ 9,781	
MD012345L	Mark Jones	03531	51	\$ 9,781	

The sum of the total 2018 assessments for all health care providers who are shareholders, owners, partners, or employees of Professional Corporation "Z" is \$26,898. (\$7,336, \$9,781 and \$9,781= \$26,898). The 2018 assessment owed by Professional Corporation "Z" is \$4,035 (\$26,898 X 15% = \$4,035).

2. Apply other applicable assessment rating factors as outlined in [Section IV](#).
3. Complete the Professional Corporation, Professional Association, and Partnership Worksheet ([Exhibit 5](#)) and submit with completed Form e-216. List the annual assessment for each HCP on the worksheet. Indicate any discounts applied to a HCP's assessment in the "Other Rating Factors" column. Also, indicate specific HCP addition or deletion dates in the "Other Rating Factors" column if choosing to report mid-term changes.

NOTE: THE HCP'S ANNUAL ASSESSMENT MUST BE LISTED ON THE WORKSHEET EVEN IF REPORTING A SHORT-TERM COVERAGE PERIOD FOR THE CORPORATION BECAUSE THE WORKSHEET WILL PRORATE THE HCP'S ANNUAL ASSESSMENT BASED ON THE DATES PROVIDED.

C. HOSPITALS (SPECIALTY CODE 80612)

REQUIRED FORMS: [EXHIBIT 4](#) (REMITTANCE ADVICE FORM E-216)
 [EXHIBIT 6](#) (WORKSHEET FOR HOSPITALS)

NOTE: PENNSYLVANIA LAW REQUIRES HOSPITALS TO HAVE FULL ANNUALIZED, SEPARATE, AND INDIVIDUAL LIMITS. ADDITIONAL INSURED MAY NOT SHARE LIMITS WITH A HOSPITAL.

1. Determine all of the territories in which the hospital provides services under the same license. (Refer to [Exhibit 10](#))
2. Calculate the total prevailing primary premium for a hospital by computing:
 - a. The sum of the annual occupied bed count (patient days divided by 365 and rounded to the nearest whole number - no partial numbers) for each of the following bed types: Hospital (acute care), Mental Health/Mental Rehabilitation, Extended Care, Outpatient Surgical, and Health Institution, multiplied by the appropriate rate. (Refer to [Exhibit 2](#))

NOTE: WHEN REPORTING THE LIST OF ANNUAL OCCUPIED BED COUNTS ON EXHIBIT 6 FOR THE HOSPITAL, PLEASE DO NOT INCLUDE NURSING HOME BEDS.

PLUS

- b. The sum of the annual visit count for each of the following visit types: Emergency, Other, Mental Health/Mental Rehabilitation, Extended Care, Outpatient Surgical, Health Institution, and Home Health Care, divided by 100 and rounded to the nearest **whole** number, then multiplied by the appropriate rate. (Refer to [Exhibit 2](#))
3. Calculate the assessment for a hospital by multiplying the total prevailing primary premium (“PPP”) (the sum of the annual occupied bed and visit counts) by the Experience Modification Factor (“EMF”) (as provided by Mcare), then multiplied by the 2018 annual assessment of 19%. (Mcare assessment = PPP x EMF x 19%) See note at bottom of page.
4. Apply other applicable assessment rating factors as outlined in [Section IV](#).
5. Complete Hospital Worksheet ([Exhibit 6](#)) for each territory in which the hospital provides services, under the same license, listing the bed and visit counts separately for each territory and submit with completed Form e-216.

NOTE: EXPERIENCE MODIFICATION FACTOR MUST BE ENTERED AS A NUMBER (DECIMAL) AND NOT AS A PERCENTAGE ON THE HOSPITAL WORKSHEET, EXHIBIT 6 (98.9% SHOULD BE ENTERED AS 0.989).

NOTE: THE HOSPITAL WORKSHEET MULTIPLIES THE BED COUNTS BY THE TERRITORY RATE TO REACH THE SUBTOTAL AMOUNT. IT DIVIDES THE VISIT COUNTS BY 100 FIRST, THEN MULTIPLIES BY THE TERRITORY RATE TO REACH THE SUBTOTAL AMOUNT. ALL COUNTS SHOULD BE ENTERED AS AN ANNUAL AMOUNT. ALTHOUGH HOSPITALS' ASSESSMENTS ARE BASED ON A TOTAL OF BEDS AND VISIT COUNTS PER TERRITORY, ASSESSMENTS FOR PHYSICIANS, PODIATRISTS, AND CERTIFIED NURSE MIDWIVES EMPLOYED BY HOSPITALS ARE BASED ON THE HIGHEST RATED TERRITORY IN WHICH THE HEALTH CARE PROVIDER PRACTICES.

D. NURSING HOMES (SPECIALTY CODE 80924)

REQUIRED FORMS: **EXHIBIT 4 (REMITTANCE ADVICE FORM E-216)**
 EXHIBIT 7 (WORKSHEET FOR NURSING HOMES)

NOTE: PENNSYLVANIA LAW REQUIRES NURSING HOMES TO HAVE FULL ANNUALIZED, SEPARATE, AND INDIVIDUAL LIMITS. ADDITIONAL INSUREDS MAY NOT SHARE LIMITS WITH A NURSING HOME.

1. Determine all of the territories in which the nursing home provides services under the same license. (Refer to [Exhibit 10](#))
2. Calculate the total prevailing primary premium by computing the sum of the annual occupied bed count (patient days divided by 365 and rounded to the nearest whole number) for the appropriate bed type: Convalescent or Skilled Nursing, multiplied by the appropriate rate. (Refer to [Exhibit 2](#))

Each nursing home must report either convalescent bed counts or skilled nursing bed counts, not both. If 50% or more of patients are age 65 and under, all bed counts must be reported as convalescent. If 50% or more of patients are over age 65, all bed counts must be reported as skilled nursing.

NOTE: WHEN REPORTING THE LIST OF ANNUAL OCCUPIED BED COUNTS ON EXHIBIT 7 FOR THE NURSING HOME, PLEASE DO NOT INCLUDE ANY HOSPITAL BEDS.

3. Calculate the assessment for a nursing home by multiplying the total prevailing primary premium by the 2018 annual assessment of 19%.
4. Apply other applicable assessment rating factors as outlined in [Section IV](#).
5. Complete a Nursing Home Worksheet ([Exhibit 7](#)) for each territory in which the nursing home provides services, under the same license, listing the bed counts separately for each territory and submit with completed Form e-216.

2. Calculate the total prevailing primary premium by computing the sum of the annual visit count for each of the following visit types: Emergency, Other, Mental Health/Mental Rehabilitation, Outpatient Surgical, and Home Health Care divided by 100, then multiplied by the appropriate rate. (Refer to [Exhibit 2](#))
3. Calculate the assessment for a primary health center by multiplying the total prevailing primary premium by the 2018 annual assessment of 19%.
4. Apply other applicable assessment rating factors as outlined in [Section IV](#).

REQUIRED FORMS: [EXHIBIT 4 \(REMITTANCE ADVICE FORM E-216\)](#)
 [EXHIBIT 9 \(WORKSHEET FOR BIRTH CENTERS\)](#)

NOTE: PENNSYLVANIA LAW REQUIRES BIRTH CENTERS TO HAVE FULL ANNUALIZED, SEPARATE, AND INDIVIDUAL LIMITS. ADDITIONAL INSUREDS MAY NOT SHARE LIMITS WITH A BIRTH CENTER.

1. Determine all of the territories in which the birth center provides medical or healthcare services under the same license. (Refer to [Exhibit 10](#))
2. Calculate the assessment by computing the sum of 25% of the total 2018 assessments for all HCPs who use the facility or who have an ownership interest. (Refer to Example 3)

Example 3

Three health care providers whose specialty codes are 08029 use or have an ownership interest in Birth Center “X” in territory 1.

MD054321E	Sally Jones	08029	51	\$ 9,740	PT 08
MD246810	Joseph Miller	08029	51	\$19,480	

The sum of the total 2018 assessments for all health care providers who use the facility or who have an ownership interest in Birth Center “X” is \$48,700 (\$19,480, \$9,740, \$19,480=\$48,700). The 2018 assessment owed by Birth Center “X” is \$12,175 (\$48,700 x 25% = \$12,175).

REQUIRED FORM: [EXHIBIT 4](#) (REMITTANCE ADVICE FORM E-216)

NOTE: PENNSYLVANIA LAW REQUIRES SELF-INSUREDS TO HAVE FULL ANNUALIZED, SEPARATE, AND INDIVIDUAL LIMITS. ADDITIONAL INSUREDS MAY NOT SHARE LIMITS WITH A SELF-INSURED.

- Self-insured entities should follow the same procedures as primary insurers when submitting the Form e-216. All renewals and endorsements to the plan, including additions and deletions, should be received by Mcare within 60 calendar days of the effective date of the renewal, additions, and/or deletions in order to be considered timely.
- The worksheets listed below are also to be used by self-insured entities, when applicable, and must be completed and submitted along with a completed Form e-216.

H. TELEMEDICINE For purposes of calculating the assessment, telemedicine is the electronic transmission of services from a remote location by a HCP licensed in Pennsylvania. Telemedicine could range from a telephone consultation to reading x-rays to robotic surgery.

SECTION IV - ADDITIONAL ASSESSMENT RATING FACTORS

In addition to the above information, there are other factors that affect the HCP's assessment that are listed below:

A. PART-TIME Physicians, podiatrists, and certified nurse midwives who advise their primary insurer or self-insurer in writing that they practice on annual average:

- “08” 8 hours or less per week shall be charged 50% of the otherwise applicable Mcare assessment (50% discount).
- “16” 16 hours or less, but more than 8 hours per week, shall be charged 65% of the otherwise applicable Mcare assessment (35% discount).
- “24” 24 hours or less, but more than 16 hours per week, shall be charged 80% of the otherwise applicable Mcare assessment (20% discount).

NOTE: PART-TIME DISCOUNTS ARE NOT AVAILABLE TO HEALTH CARE PROVIDERS REPORTED WITH AN FTE FACTOR LESS THAN 1.000.

B. NEW PHYSICIANS OR NEW PODIATRISTS These providers may receive the discount indicated from the otherwise applicable assessment:

- “Y1” Charge 25% of the otherwise applicable assessment for the first year of coverage (75% discount).
- “Y2” Charge 50% of the otherwise applicable assessment for the second year of coverage (50% discount).
- “Y3” Charge 75% of the otherwise applicable assessment for the third year of coverage (25% discount).

The first year of coverage for a new physician or a new podiatrist begins on the date medical liability coverage is effective if such coverage is effective within six months after:

1. The completion of (a) a residency program, (b) a fellowship program in their medical specialty, or (c) podiatry school or
2. The fulfillment of a military obligation in remuneration for medical school tuition.

Such physicians or podiatrists must be either joining a medical group or opening their own medical practice. If the initial coverage is effective more than six months after (1) or (2) above first occurs, the physician or podiatrist will be considered to be in the year of coverage that would apply if coverage had been effective within six months after (1) or (2) above.

NOTE: A HEALTH CARE PROVIDER MAY ONLY USE ONE LIFETIME (Y1, Y2, Y3) SERIES OF NEW PHYSICIAN OR NEW PODIATRIST DISCOUNT. THIS DISCOUNT IS NOT AVAILABLE TO CERTIFIED NURSE MIDWIVES.

C. RESIDENTS AND FELLOWS may receive the discount indicated from the otherwise applicable assessment:

- “R” Charge 50% of the otherwise applicable assessment for a Resident (50% Discount).
- “F” Charge 50% of the otherwise applicable assessment for a Fellow (50% Discount).

A resident or fellow is a physician or podiatrist enrolled in a medical, osteopathic, or podiatry residency or fellowship program who has successfully completed the prescribed period of postgraduate education that is necessary under applicable law to become eligible for unrestricted medical, osteopathic, or podiatry licensure in the Commonwealth of Pennsylvania.

NOTE: RESIDENT/FELLOW AND NEW PHYSICIAN DISCOUNTS CANNOT BE USED TOGETHER.

D. SLOT POSITIONS Slot rating is limited to (a) employees of an institution licensed as a hospital or (b) a physician practice plan owned by a hospital or that hospital’s corporate parent organization. Slot rating is used to account for certain risks (see notation below) associated with a block of in-hospital clinical medical service exposures (i.e., several physicians rotating through one full-time equivalent position). The slot positions must be within the scope of duties and normal business of the institution and within a single medical specialty and job description. When added together, all HCPs within this one slot or block of exposure must equal one Full-Time Equivalent (“FTE”).

When multiple HCPs fill a slot-rated position, the assessment shall be appropriately divided among them on a pro rata basis for the FTE position. If the aggregate hours of clinical time of those filling a slot exceed 40 hours per week, a new slot must be created. Each HCP in a slot must be reported to Mcare with full, separate and individual coverage limits. Such coverage is available only for the individual professional liability of the HCPs within the slot and is not available for entities. The number of HCPs in any one slot shall be limited to 12.

Slot rating shall be limited to the following specialty codes:

Anesthesiology - Excl Maj S*	02083	Neurology - Excl Maj S	02511
General or Family Practice - NS	01520	Neurosurgery	10011
General Surgery and	07043	Obstetrics/Gynecology*	08029

Internal Medicine*	03010	Trauma - Maj S	07084
Neonatology - NS	01541	Urgent Care - Excl Maj S*	03531

*See [Exhibit 3](#) for Complete Specialty Code Description

Slot coverage is not available to HCPs associated with group practices for non-hospital environments or to groups that contract to provide medical services within a hospital. Slot rating is not available to a HCP who works full-time in one specialty (37.5 hours or more per week) at an institution, unless the position is a rotating resident position.

NOTE: PART-TIME DISCOUNTS ARE NOT AVAILABLE TO HEALTH CARE PROVIDERS REPORTED IN A SLOT.

When a HCP leaves a slot-rated position, but the slot remains open, slot tail must be reported for the HCP who is leaving. Please provide notification to Mcare in the e-mail transmitting the e-216 when a new slot is opened or an existing slot is closed. If the last HCP in a slot leaves and the slot closes, tail must be reported for the entire slot on that last HCP's reported tail coverage. Indicate the retroactive date of the slot in the e-mail transmitting the e-216 and the retroactive date of the HCP on the e-216.

NOTE: SLOT TAIL COVERAGE MUST PROVIDE EACH HEALTH CARE PROVIDER A SEPARATE AND INDIVIDUAL COVERAGE LIMIT.

- E. DAILY RATING (FORMERLY LOCUM TENENS)** This includes HCPs practicing as locum tenens, per diem, with staffing agencies and other circumstances where the primary insurance coverage is written on a daily basis. Daily rating should only be used if a part-time discount will not accurately capture the amount of time a HCP is providing health care services in Pennsylvania. Before reporting daily coverage, the Mcare Participation requirements in the Introduction of this manual should be reviewed (See [pages 3 & 4](#)).

NOTE: EACH HEALTH CARE PROVIDER MUST BE PROVIDED A SEPARATE AND INDIVIDUAL COVERAGE LIMIT.

REPORTING DAILY RATED COVERAGE When reporting daily rated coverage on Form e-216 select "DR" in the Policy Modifier column. "LT" is no longer used.

Reporting an annualized policy period with a Full-Time Equivalent ("FTE") is the preferred method for reporting physicians, certified nurse midwives and podiatrists who have daily rated policies. Annualized reporting limits the chance of gaps occurring in the HCP's Mcare coverage and lessens the likelihood that Mcare will contact the HCP about missing coverage.

To report an annualized daily rating policy, enter a coverage period on the e-216 that matches the underlying primary insurance coverage term and pay an initial assessment using the FTE that best estimates the number of days the HCP will practice in Pennsylvania during the term. A reasonable estimate can be determined using the number of days the HCP worked in the previous year. To calculate the FTE, divide the number of days to be worked by 365 (365 days should also be used in a leap year). An FTE less than .003 (one day) cannot be used. At the end of the policy term, an endorsement should be submitted to report the actual number of days worked (See [page 14](#) for directions on reporting an endorsement).

NOTE: IF THE POLICY TERM IS LESS THAN A YEAR, CALCULATE THE FTE BY DIVIDING THE NUMBER OF DAYS WORKED BY THE NUMBER OF DAYS IN THE POLICY TERM.

Example 4

The policy term being reported is 1/1/18 – 1/1/19. The HCP worked 60 days the previous year, so the estimated FTE would be 0.164 ($60 \div 365 = 0.164$). The HCP has the following assignments in PA for 2018: 2/6/18-2/25/18 (20 days), 5/1/18-5/26/18 (26 days), 7/1/18-7/26/18 (26 days). A total of 72 days of daily rating assignment in PA equals an FTE of 0.197 ($72 \div 365 = 0.197$). An endorsement must be reported changing the estimated FTE of 0.164 to the actual FTE of 0.197.

NOTE: PART-TIME DISCOUNTS ARE NOT AVAILABLE TO HEALTH CARE PROVIDERS REPORTED WITH AN FTE FACTOR LESS THAN 1.000.

ENDING A DAILY RATED POLICY If primary insurance coverage is written on a claims-made basis, tail coverage or its substantial equivalent must be obtained and reported to Mcare upon termination of the claims-made coverage. The coverage offered must provide for a reporting period of unlimited duration.

F. BIFURCATION (“BIFU”) If a HCP changes the effective date of their professional liability coverage to attempt to avoid or delay payment of an increase in the annual assessment rate, then the appropriate assessment will be bifurcated to include the assessment percentages applicable to each calendar year over which the new policy is in effect. This allows only 12 months maximum at the same assessment rate for the year that the policy effective date was changed. Reporting a bifurcated assessment is complicated and situation specific. If you believe you have a bifurcation situation, please contact your Mcare Coverage Specialist.

SECTION V - NONPARTICIPATING TRANSMITTAL (FORM e-316)

A. GENERAL INFORMATION The Nonparticipating Transmittal Form e-316 is the form to be used by primary insurers and self-insurers who provide coverage to nonparticipating HCPs. A nonparticipating HCP is a HCP as defined in Section 103 of Act 13 that conducts less than 50%, but more than 0% of their health care business or practice within this Commonwealth and does not choose to participate in Mcare. The health care business or practice, as defined in Section 702, is based on the number of patients to whom health care services are rendered by a HCP within an annual period.

Nonparticipating HCPs must secure basic insurance coverage limits as required by and consistent with Act 13 of 2002. Current coverage limits are \$1 million per occurrence or claim and \$3 million per annual aggregate.

The preferred method for primary insurers and self-insurers submitting coverage to Mcare is to do so electronically via the following e-mail address: ra-in-remittance@pa.gov. A hard copy Nonparticipating Transmittal Form 316 is no longer required when submitting your e-316/e-216. An e-316 submitted electronically in a .pdf format will be rejected.

SECTION VI - CLAIMS MADE COVERAGE REQUIREMENTS AND REPORTING

- A. GENERAL INFORMATION** Following cancellation, termination or nonrenewal of claims made coverage (“end of coverage”), a health care provider is required by Pennsylvania law to provide for claims made after the end of coverage. A primary insurer writing claims-made medical professional liability insurance is required by Pennsylvania law to offer such coverage for a period of 60 calendar days after the end of coverage. The coverage offered must provide for a reporting period of unlimited duration.
- B. EXTENDED REPORTING COVERAGE** Contemporaneous with the end of coverage of a claims made policy, a health care provider must secure coverage for claims that are made against them after the date of policy expiration. Coverage can be obtained from the primary insurer of the expiring policy, often referred to as “tail coverage”, or from a new insurer authorized to write medical professional liability insurance in Pennsylvania providing policy retroactive dates that cover the expiring coverage time periods, often referred to as “nose coverage”.
- C. REPORTING EXTENDED REPORTING COVERAGE GENERALLY** Mcare recognizes two types of tail coverage for Mcare reporting and coverage purposes. Please select from one of the following two options when reporting tail coverage:
- “ERP” – this type of tail coverage shares the aggregate limit of the claims made coverage that is ending.
- “SAT” – this type of tail coverage does not share the aggregate limit of the claims made coverage that is ending. Rather, this type of tail coverage provides the HCP a new aggregate limit.
- D. REPORTING EXTENDED REPORTING COVERAGE WITH A RETROACTIVE DATE PRIOR TO JANUARY 1, 1997** Prior to January 1, 1997, the assessment was based on the cost of the basic insurance coverage and not the prevailing primary premium. Thus, when there was an end of coverage for claims-made coverage, a surcharge was paid on the extended reporting coverage. Given the passage of time, claims that would be reported with incident dates prior to January 1, 1997 would not require basic insurer premium and thus Mcare will not require a surcharge for tail coverage with a retroactive date prior to January 1, 1997.

SECTION VII - DEFINITIONS

When completing the necessary forms and/or worksheets, it is important that you keep the following definitions in mind:

Beds

The number of beds equals the daily average number of occupied beds, cribs, and bassinets used for patients during the previous policy period. The unit of exposure is each bed, computed by dividing the sum of the daily numbers of beds, cribs, and bassinets used for patients for each day of the policy period, by the number of days in such period.

Convalescent Facilities

Convalescent Facilities are separately licensed nursing homes which provide skilled nursing care and treatment for patients requiring continuous health care, but do not provide any hospital services (such as surgery) and 50% or more of their patients are 65 and under.

Extended Care

All beds located within a hospital, licensed by the state and utilized for patients requiring either skilled nursing care or the supervision of skilled nursing care on a continuous and extended basis.

Outpatient Surgical

Outpatient Surgical Facilities are facilities that provide surgical procedures on an outpatient (same day) basis. Beds are used primarily for recovery purposes, and overnight stays, if any, are the exception.

Skilled Nursing Facilities

Skilled Nursing Facilities are separately licensed nursing homes which provide the same service as a Convalescent Facility, except that 50% or more of their patients are over 65.

Visits

The number of visits equals the total number of visits to the institution (regardless of the number of visits to particular departments within such institution) by outpatients (patients not receiving bed and board services), during the previous policy period. The unit of exposure is 100 visits each.
