However, unamortized portions of the Entrance Fee described in Paragraph 4.2, above, shall be refundable to the resident should the resident elect to cancel this Agreement, if the resident moves to a higher level of care or if this Agreement is otherwise properly cancelled pursuant to its terms.

4.4 Fee for Optional/Additional Furnishings or Appliances. If applicable, the fee of $_____ for any optional or additional furnishings or appliances, must be paid on or before the Designated Occupancy Date or prior to occupancy, whichever is earlier.

4.5 Monthly Fee.

(a) Amount. Resident shall pay to The Community a Monthly Fee of $_____ in advance each month for **SINGLE** occupancy of the living unit. The amount of the Monthly Fee is based on the number of occupants of the living unit. In situations of Double Occupancy, the Monthly Fee includes the Additional Occupant Fee.

(b) Payment and Due Date. Payment of the first Monthly Fee is due on the date Resident accepts occupancy or the Designated Occupancy Date, whichever is earlier. The Monthly Fee shall be pro-rated if Resident assumes occupancy after the first of the month. Resident shall receive a monthly invoice on or about the third day of each subsequent month. All subsequent Monthly Fee payments are due on the seventh day of each month thereafter. All subsequent Monthly Fee or other charges for care or for miscellaneous or ancillary services are not paid within thirty (30) days of the due date, then, subject to Section 5 of this Agreement or as it may be periodically revised, The Community may elect to exercise its available rights and remedies under this Agreement, including termination.

4.9 Disclosure of Financial Information.

THE COMMUNITY reserves the right to require Resident upon request to update the financial information disclosed in the application for admission.

4.10 Comment RE: 40 P.S. Section 3214(a)(11)

Pursuant to 40 P.S. Section 3214(a)(11), to the extent this Agreement contains charges for care paid in one lump sum, they shall not be increased or changed during the duration of the agreed upon care, except for changes required by State or Federal assistance programs. In addition, The Community shall not seek to enter into any addendum to this Agreement which will seek to alter any lump sum payment for care made or which seeks to charge a lump sum payment for care.

SECTION 5: FINANCIAL ASSISTANCE POLICY.

5.1 Inability to Pay.

The Community will not terminate this Agreement solely because of a Resident's inability to pay the Monthly Fee and other charges, so long as Resident qualifies for, and The Community is capable of providing financial assistance as set forth in this Agreement. It is Resident's responsibility to demonstrate an inability to meet monthly financial obligations to the Community. In the event that resident's income is or becomes insufficient to pay for monthly expenses incurred, Resident shall immediately apply for financial assistance either from resident's family, church, or public welfare agencies that may be in a position to render financial assistance. Resident is required to apply for, and The Community shall have and is hereby granted authority as agent for Resident the right to apply for and obtain, if Resident qualifies, financial assistance for Resident from any appropriate governmental agency.

5.2 Deductions From Any Unamortized Portion of the Entrance Fee.

If financial assistance is not available from any other source and if Resident's income and assets are no longer sufficient to pay the Monthly Fee and any other financial obligations under this Agreement, then The Community shall deduct from any funds otherwise due Resident as a refund, amounts necessary to fulfill all of Resident's financial obligations under this Agreement. Resident hereby authorizes such deductions from any unamortized portions of the Entrance Fee. The Community shall make such deductions from any refunds otherwise due under this Agreement at such time as any amounts due The Community under this Agreement have been unpaid for more than thirty (30) days from the payment due date. The Community shall continue to make such deductions from any amounts otherwise due as a refund under this Agreement on a monthly basis to offset any unpaid financial obligations of resident until all funds otherwise due Resident as a refund

have been exhausted and paid to the Community.

5.3 Qualifications for Financial Assistance and Resident's Obligations.

In order to qualify for consideration for financial assistance, Resident's inability to pay the Monthly Fee or related charges must not be the result of any fault, negligence or mismanagement of assets represented to be available for resident or others representing Resident to pay for resident's financial obligations. Additionally, the financial information provided by resident in the application documents for admission, in documents subsequently requested by the Community, or with resident's request for financial assistance must not contain any material misrepresentations or omissions. It is Resident's responsibility to look to all other available sources of financial assistance before making application to the Community. If Resident's spouse, parents, or children have adequate resources to provide financial assistance to resident, that fact will be taken into consideration in determining whether any financial assistance should be granted by the Community, and if so, in what amount. If resident transfers or unreasonably depletes assets or resources represented in the application documents for admission to be available to meet Resident's financial obligations under this Agreement, Resident shall not be considered for financial assistance. Resident has an affirmative obligation to apply for financial assistance and to make Resident's financial needs and resources known to The Community at least one hundred and twenty (120) days in advance of the need for funds.

5.4 Possible Limitations on Assistance.

Following the exhaustion and payment to The Community of all funds otherwise due as a refund under this Agreement, and if no funds are available from any sources to fulfill resident's financial obligations under this Agreement, and resident adequately demonstrates to The Community the financial inability to pay the Monthly Fee and other charges; then, subject to the availability of funds, the Community, upon resident's request, shall consider Resident for financial assistance. Although there is no absolute guarantee that Resident who qualifies for consideration for financial assistance will receive any financial assistance, The Community will endeavor to provide it to the extent reasonably possible without jeopardizing the ability of The Community to care for its other residents. The ability of The Community to provide financial assistance is contingent upon a number of factors, including the availability of charitable gifts, and the financial condition of the Community. The Community retains the absolute discretion to deny requests for financial assistance and to limit the amount of financial assistance. If The Community determines the Resident qualifies for financial assistance, then The Community may provide such assistance as is necessary to enable the Resident to meet the Monthly Fee obligation or other charges, provided that such assistance can be granted or continued without impairing the financial ability of The Community to operate or continue on a sound financial basis. If financial assistance is initially granted, there is no guarantee that such assistance can or will continue indefinitely, or for any specific period of time.

5.5 Other Resources and Recovery of Community's Subsidy.

If Resident receives financial assistance from the Community, Resident shall not sell or otherwise transfer property without the written consent of the Community. If resident owns any property at the time of death not disclosed on resident's financial statements in the application documents, or acquires property subsequent to the making of such financial statements and does not disclose its acquisition to The Community then The

Community shall be entitled to so much of such property, up to the whole value thereof, as is equal in value to the total amount of financial assistance provided Resident by the Community. This Agreement shall operate as an assignment, transfer and conveyance to The Community of so much of such property, as is equal in value to the total amount of financial assistance provided by the Community, and the assignment may be enforced against resident's estate. Resident's estate shall be liable to The Community in an amount equal to the amount of any financial assistance provided and accrued interest at a rate of 8%. The assignment herein shall apply whether or not Resident is occupying a residential unit at The Community at the time of resident's death. Resident shall cooperate with the Community, including execution and delivery of instruments and documents, to implement the provisions of this paragraph.

5.6 Disclosure of Financial Resources.

The Community may from time to time request verified financial statements and copies of tax returns from Resident if Resident has applied for or is receiving financial assistance from the Community.

SECTION 6: MARRIAGE AND/OR ADDITIONAL OCCUPANTS.

6.1 Non-Resident.

In the event that a single resident wishes to marry or have another person not admitted to THE COMMUNITY under a residency Agreement share Resident's living unit as a Co-Resident, the proposed Additional Occupant must file an application for admission and meet all age, medical and other requirements for admission applicable to Residents of the living unit. Admittance of an Additional Occupant shall be at the sole discretion of the Community. If the proposed Additional Occupant receives approval to occupy the living unit, this Agreement will be amended and the Additional Occupant shall pay one-half of the Entrance Fee in effect at the time Additional Occupant moves into the living unit. The Entrance Fee paid by the Additional Occupant shall be amortized at the rate of twenty (20%) percent per year from the date of occupancy. After the lapse of five (5) years or upon the death of Additional Occupant the Entrance Fee shall be earned in full by the Community. In the event that the Additional Occupant dies or otherwise terminates Additional Occupant's agreement with The Community during the five (5) year amortization period, any applicable refund shall be paid to the Additional Occupant or his/her estate. In the event that the proposed Additional Occupant does not meet the requirements for admission, then the proposed Additional Occupant may request admission under such other terms and conditions as may be acceptable to the Community. If an agreement cannot be reached regarding the admission of the proposed Additional Occupant, Resident may exercise the option to terminate this Agreement in accordance with its termination provisions.

6.2 Other Resident.

In the event that Resident desires to marry another resident admitted under a separate residency Agreement, and, thereafter, occupy a single living unit, resident first must select and designate in writing at least sixty (60) days in advance of the

proposed move, which one of the living units occupied by each resident, shall be thereafter occupied jointly. The living unit not designated for joint occupancy must be surrendered on or before the date of the proposed move to the designated living unit. Upon transfer, the Monthly Fee for double Occupancy of the designated or alternative living unit shall be paid. The residency Agreements shall be amended to reflect the change in the living unit, the change in the Monthly Fee, and any other matters reasonably necessary for the transfer of the resident to the designated or alternative living unit. Upon transfer to the designated or alternative living unit, any unamortized portion of the Entrance Fee paid by the resident shall continue to be amortized and shall be subject to refund only in accordance with the refund provisions of this Agreement relating to Co-Residents.

SECTION 7: TERMINATION OF AGREEMENT

7.1 Termination by Resident

(a) Rescission Period. Resident may terminate this Agreement within seven (7) days of execution by signing the attached Notice of Right to Rescind and delivering it to The Community. In addition, in the event Resident dies before the Designated Occupancy Date, or through illness, injury, or incapacity is precluded from becoming a resident under the terms of this Agreement, this agreement is automatically rescinded and a full refund shall issue to Resident, Resident's legal representative, or Resident's estate as the case may be as per the terms of 40 P.S. § 3214(c).

(b) Prior to Occupancy. After the lapse of the seven (7) day rescission period, but prior to the Designated Occupancy Date, Resident may terminate this Agreement by delivering written notice to The Community prior to occupancy. In such event, this agreement is automatically rescinded and a full refund shall issue to Resident, Resident's legal representative, or Resident's estate as the case may be as per the terms of 40 P.S. § 3214(c).

(c) After Occupancy. After occupancy, Resident may terminate this Agreement by delivery of written notice to The Community at least thirty (30) days prior to termination, and by the surrender of the living accommodation. Termination shall be effective after the lapse of the thirty (30) day notice period and surrender of the living accommodation. Any unamortized portion of the Entrance Fee, as described in Section 4, above, shall be refunded to the Resident.

(d) Inability to Occupy Due to Illness or Death. This Agreement will be automatically rescinded if the Resident dies before occupancy date, or through illness, injury or incapacity is precluded from becoming a resident under the terms of this Agreement and the Resident or his legal representative shall receive a full refund of all moneys paid to the facility, except those costs specifically incurred by the facility at the request of the resident.

7.2 Termination by Community

(a) Prior to Occupancy. The Community may terminate this Agreement at any time prior to occupancy by providing written notice to Resident prior to the Designated Occupancy Date if for whatever reason The Community elects to discontinue operations. All payments, including the Reservation Fee, shall be refunded to Resident.

(b) After Occupancy. The Community may terminate this Agreement upon a determination of just cause and delivery of thirty (30) days written notice or such written notice as is reasonable under the circumstances to Resident or Resident's representative, subject to any additional laws or regulations then in effect. Just cause shall include, but not be limited to, a default in payment subject to Section 5 of the Agreement, the submission of any materially false information in the application documents, the failure of Resident to abide by the Community's rules, regulations, policies and procedures, the breach of any of the other terms of this Agreement, or a good faith determination in writing signed by the medical director and the administrator of the facility that continued occupancy in the living accommodation by Resident creates a serious threat or danger to the life, health, safety or peaceful enjoyment of Resident or other residents or persons in The Community as per the terms of 40 P.S. § 3214(d). The refund provisions of this agreement shall apply to terminations for just cause in the same manner as such provisions would apply to any other termination. Nothing in this subsection shall limit the Resident's rights of continued occupancy under the separate admission agreements for the Nursing Facility and the laws and regulations limiting cause for transfer or discharge of Nursing Facility residents.

7.3 Termination by Death.

Following the death of Resident this Agreement shall terminate when the living accommodation has been surrendered to The Community. In the event there is any remaining unamortized portion of the entrance fee left as described in Section 4, above, it will be promptly refunded to the resident.

7.4 Surrender.

The obligation to pay the Monthly Fee shall continue until the living unit has been surrendered by Resident, or in the case of death, by the estate or family of Resident, Surrender of the living accommodation shall be complete when Resident has ceased to occupy it, has removed all possessions from it, and has turned over The Community the keys for it.

SECTION 8: LEVEL OF CARE TRANSFERS OR TRANSFER TO AN OUTSIDE FACILITY

8.1 Conditions of Living Unit Occupancy.

Resident shall have the right to occupy the living unit for so long as Resident satisfies the health and other conditions of occupancy. Continued occupancy of the living unit shall, in general, be controlled by the Resident's physical and mental condition. The Community may require Resident to obtain at Resident's expense at least one annual medical examination, or letter from Resident's attending physician

confirming that Resident does not need personal or Nursing Facility services, and can otherwise satisfy the Community's conditions for living unit occupancy.

8.2 Decision to Transfer.

(a) Authority to Transfer. The Community may transfer Resident from and between the living unit and the Nursing Facility or any other appropriate care facility if it determines that such a move or increase in care should be made because of the health of the Resident, for the proper operation of the Community, to comply with regulations of the Pennsylvania Department of Public Welfare, the Pennsylvania Department of Health, the Pennsylvania Insurance Department, local regulations of the Fire Department, or any other duly constituted authorities or agencies, or otherwise to meet the requirements of law. The decision as to whether a transfer or provide increased care from within the living unit shall be deemed temporary or permanent shall be made by The Community in its sole discretion, except where limited by law or regulation then in effect. The Community shall consider the opinion of Resident and the advice of a family representative, if available, and, if requested and at the Resident's expense, a private physician. The opinion of Resident and the advice of family and Resident's physician is advisory only and shall not be binding on the Community. The Community's decision regarding the temporary or permanent nature of any transfer or provision of increased care from within the living unit may be made prior to sixty (60) days from the date of transfer or at any other time deemed appropriate by The Community.

(b) Role of The Community's Medical Director. The Community has a medical doctor licensed to practice medicine in the Commonwealth of Pennsylvania as the Community's Medical Director. Upon certification by the Community's Medical Director that Resident is no longer capable of satisfying the conditions for occupancy of the living unit and is in need of Nursing Facility or related care, Resident or Resident's next of kin, legal representative or agent acting on Resident's behalf, will be notified by The Community that arrangements will be made for Resident's immediate transfer to the Nursing Facility, the provision of increased care from within the living unit, or other appropriate care facility. The Community shall not be liable for acting in accordance with the certification of the Medical Director or attending physician.

8.3 Transfers Within the Community's Facilities.

Transfer to Nursing Facility. If Resident becomes ill or incapacitated, and in the opinion of The Community's CEO or designee, with the advice of the Medical Director, the Resident requires skilled nursing such care will be available on a priority access basis in the Nursing Facility either on a temporary or permanent basis. If the Community's CEO or designee determines that the health of the Resident is such the occupancy in the Nursing Facility will be permanent, Resident's living unit will be released (if not occupied by a Co-Resident) and made available for occupancy by another. In the event that The Community decides that the transfer is permanent, Resident shall surrender the living unit and cause his/her personal possessions to be removed with thirty (30) days of notice of the Community's decision. This paragraph is subject to the provisions of Section 7, above.

8.4 Transfer to Hospital or Other Outside Facility.

In the event that hospitalization or outside care of the Resident becomes necessary as determined by the Community's Medical Director, Resident will be transferred to a hospital or other acute or outside health care provider. In the event Resident's mental, emotional or physical condition deteriorates to a degree that in the professional opinion of the Medical Director, Resident's presence in The Community is deemed detrimental to the health, safety or peace of other residents, The Community may transfer Resident to an appropriate outside care facility. The Community's CEO or designee with the advice of the Medical Director may declare Resident's living unit vacant (unless occupied by a Co-resident) if Resident has been transferred to an outside health care or other special service facility or hospital for health conditions which, in the opinion of the Medical Director or Resident's physician, require permanent or prolonged residence in the outside facilities (i.e. generally sixty (60) days or more). Resident shall surrender the living unit and cause Resident's personal possessions to be removed from the living unit within thirty (30) days after notice of Community's determination that the transfer will be permanent. This paragraph is subject to the provisions of Section 7, above.

8.5 Cost Related to Transfer to an Outside Facility.

(a) Single Occupancy. During any temporary transfer to a hospital or outside facility, Resident shall continue to pay the Monthly Fee and additionally all costs and charges related to the transfer to and occupancy of the outside facility or hospital. Upon permanent transfer to an outside facility, and after surrender of the living unit, the obligation to pay the Monthly Fee shall end and this Agreement shall terminate. Any refund due shall be paid in accordance with the refund provisions of this Agreement. Resident is obligated to pay the charges for transfer to and occupancy of any outside facilities including the charges for care in an outside personal or nursing care facility resulting from a transfer because of insufficient space in the Community's Nursing Facility.

(b) Double Occupancy. During any temporary transfer of one Co-Resident to a hospital or any outside facility, the Monthly Fee for double occupancy shall continue to be due and payable. Upon the permanent transfer of one Co-Resident to an outside facility, the Monthly Fee shall be reduced to the Monthly Fee for single occupancy of the applicable living unit. In the event both Co-Residents are temporarily transferred to an outside facility, the Monthly Fee for double occupancy shall continue to be due and payable. In the event both Co-Residents are permanently transferred to an outside facility, then, after the surrender of the living unit, the obligation to pay the Monthly Fee shall end and this Agreement shall terminate. Any refund due shall be paid in accordance with the refund provisions of this Agreement. Resident is obligated to pay all costs and charges related to the transfer to and occupancy of the outside facility or hospital, including care in an outside personal or nursing care facility resulting from a transfer because of insufficient space in the Community's Nursing Facility.

8.6 Release of or Return to Living Unit After Transfer.

(a) Temporary Transfer. If Resident is admitted temporarily to the

Community's Nursing Facility or a hospital or other outside facility, with a medical prognosis of recovery and return to health consistent with the conditions of living unit on an independent basis then Resident shall retain possession of the living unit for the purpose of resuming residence. During any period of temporary transfer to one of the Community's Nursing Facility Resident shall pay the costs for retaining the living unit set forth in Section 3.7 of this Agreement. During any period of temporary transfer to a hospital or other outside facility, Resident shall pay the costs for retaining the living unit set forth in Section 8.5 above. Resident may return to the living unit at such time as The Community determines that Resident can satisfy the conditions of occupancy.

(b) Permanent Transfer. If transfer to the Community's Nursing Facility or a hospital or other appropriate outside facility exceeds sixty (60) days, or if at an earlier time The Community determines that Resident will not be able to satisfy the conditions of occupancy so as to resume residence in the living unit, The Community shall have the right to declare the living unit vacant (unless occupied by a Co-resident) and release the living unit to another. Resident shall surrender and vacate the living unit within thirty (30) days of written notice of the Community's decision to permanently transfer Resident and release the living unit. If, in the Community's opinion, Resident subsequently recovers sufficiently to satisfy the conditions of occupancy of an living unit, The Community in the exercise of its discretion shall make available as soon as reasonably practicable a living unit with a floor plan comparable to the one relinquished. Resident shall be obligated to pay a refurbishment fee prior to re-occupancy which fee is subject to change from time to time. This paragraph is subject to the provisions of Section 7, above.

SECTION 9: LIMITED REFUND OF ENTRANCE FEE

Upon termination of this Agreement, Community shall refund the Entrance Fee in accordance with the following provisions:

9.1 Termination Before Occupancy.

Because no entrance fees are taken until the actual date of occupancy, the resident may terminate this agreement at any time before occupancy without penalty. If the termination occurs seven (7) days after execution of this Agreement, the contract may easily be terminated by mailing the Notice of Right to Rescind attached to the bottom of the Agreement. If the resident wishes to terminate this Agreement for any period longer than seven (7) days before occupancy, the resident can cancel by providing written notice at the address indicated in the "Notices" Section of this Agreement, and, again, this termination will be without penalty of any kind.

9.2 Termination for Any Reason Other than Death

The Entrance Fee, except as provided in Section 9.5 relating to termination by death of Resident shall be amortized at the rate of one forty-eighth (1/48) per month from the Designated Occupancy Date or actual date of Occupancy, whichever is earlier. At the conclusion of the forty-eight (48) month amortization period, the Entrance Fee shall be earned in full by The Community and no part of it will be

refunded. In the event of termination by reason other than death of the Resident during the amortization period, any unamortized amounts pro rated on a monthly basis, less any amounts deducted to cover costs incurred by The Community to refurbish, restore or repair the living unit in the event of unreasonable wear and tear, or to cover costs incurred at the specific request of Resident, or to satisfy unpaid charges, shall be refunded to Resident in accordance with Section 9.4.

9.3 No Accrual of Interest.

No interest will accrue to the benefit of Resident on any amounts required to be refunded under this Agreement, and no interest will be paid on termination.

9.4 Conditions and Due Date for Refund Payments.

Prior to occupancy, all applicable refunds will be made after termination and within sixty days of Resident's request. After occupancy, all applicable refunds will be made only after the Resident's, or in situations of double occupancy, both Co- Residents', vacated living unit has been reoccupied by another resident, and the Entrance Fee for the reoccupied living unit has been paid in full, and this Agreement has been terminated. In the event Resident's vacated living unit is reoccupied by a then current resident of The Community through an internal living unit transfer, then only at such time as The Community receives an Entrance Fee in full for the living unit vacated by the existing resident transferring to Resident's living unit under this Agreement, shall a refund be due. As long as Resident, or in the case of Double Occupancy, a Co-Resident, continues to occupy any living accommodation within the Community, including accommodations in the Nursing Facility, no refund shall be due and no refund shall be paid until the death, permanent transfer outside of the Community, discharge or voluntary departure outside The Community by Resident, or in situations of double occupancy, both Co-Residents, and/or the termination of this Agreement. The amount of any refund due will be calculated by reference to the date of surrender of the living unit. Where a living unit is occupied by Co-Residents, there will be no refund, partial or otherwise, upon the death, permanent transfer within or outside Community, discharge or voluntary departure from The Community of only one of the Co-Residents.

9.5 Distribution of Refund Upon Death.

In the case of single occupancy, refunds to Resident's estate shall be paid to the duly appointed representative of the estate after proof of such appointment is provided to The Community in the form of a certified copy of the testamentary letters confirming such appointment. In situations of double occupancy, any applicable refund shall be paid by The Community to the estate of the last surviving Co-Resident unless otherwise agreed in writing.

SECTION 10: LIMITED OPTION TO MOVE TO ANOTHER LIVING UNIT

10.1 Option After Occupancy.

After occupancy, Resident may request to exercise a limited option to move to another living unit, if and when another living unit becomes available (including any new living units that may be have been added to the Community), in accordance with the terms and conditions set forth in this section. A request to move must be based on

health, financial conditions, death of a Co-Resident, marriage, or other grounds deemed reasonably necessary by the Community. Resident may elect to move to a smaller living unit, or a larger living but not to a living unit of substantially equivalent size in a different location. The Community reserves the right to disapprove Resident's request to move. In the event Resident desires to exercise the option to move to another living unit, Resident must notify The Community in writing of the living unit desired.

10.2 Costs of Elections to Move.

If Resident elects a smaller living unit, Resident shall pay a Refurbishment Fee in an amount determined from time to time by the Community. There will be no Entrance Fee credit or refund even if the Entrance Fee for the surrendered living unit is greater than the fee Resident would have paid for the smaller living unit designated under this Agreement. Resident shall pay, prior to moving to the selected living unit, an additional amount equal to the three quarters (75%) of the difference between the initial Entrance Fee paid and any higher Entrance Fee in effect at the time of the move. The additional Entrance Fee shall be immediately amortized and be earned in full by the Community. Any unamortized portion of the remaining entrance fee shall be promptly refunded.

10.3 Option to Move.

In the event Resident receives approval from The Community to move to another living unit, Additional Occupant shall sign a new Independent Living Lease Agreement but will not be responsible to pay any entrance fee and will only pay the additional monthly maintenance fee for additional occupants as published in the Community's annual disclosure statement filed with the Department of Insurance which are made available to all residents pursuant to paragraph 12.2 of this Agreement.

SECTION 11: ARRANGEMENTS FOR GUARDIANSHIP AND FOR ESTATE

11.1 Legal Guardian

All costs of such legal proceedings, including actual legal fees, shall be paid by Resident or the legally appointed guardian of Resident's estate.

11.2 Will and Funeral Arrangements.

The name of the executor/executrix designated in Resident's will, and the name of the funeral director selected by Resident shall be provided in writing to the Community. In the event that Resident changes the name of the executor/executrix designated in Resident's will or selects another funeral director, Resident shall notify The Community of the changes in writing. The name and address of the designated executor/executrix is:_____

If Resident has executed an advance directive in the form of a living will relating to the provision of health care services in the event of terminal or other illnesses/conditions, Resident shall provide the original of the living will to Community, and the original of any revisions or changes made to the document during Resident's term of occupancy. In the event of transfer to the Nursing Facility, The Community shall comply with the instructions/requests as consistent with law and the Community's policy, as such policy may change from time to time. If The Community cannot comply with Resident's advance directive as reflected in Resident's living will, then The Community shall assist in arranging for the transfer of Resident to another health care provider, if reasonably available, which will comply with Resident's advance directive. The transfer and cost of care in another health care facility shall be an additional cost, and Resident shall be responsible to pay such costs.

SECTION 12: RIGHTS AND OBLIGATIONS OF RESIDENT

12.1 Right of Self-Organization.

Residents of The Community shall have the right to self-organization. A representative designated by The Community shall hold quarterly meetings with the organization representing the residents known as the "Resident's Council". At least seven (7) days' notice of each quarterly meeting shall be given. The purpose of the quarterly meetings shall be to discuss such subjects as the Community's income, expenditures, financial trends and issues, and proposed changes in policies, programs, and services.

12.2 Right to Receive Disclosure Statements.

The Community shall make available to Resident at the time of the execution of this Agreement, and at least annually thereafter, a copy of its disclosure statement required by the Continuing Care Provider Registration and Disclosure Act, Act No. 82 of 1984, as amended (40 P.S. §§ 3201 *et seq.*).

12.3 Guest Privileges.

Resident shall be authorized to entertain and accommodate guests in accordance with The Community's guest policy as reflected in the Resident Handbook. The Community's policy is subject to change from time to time.

12.4 Rights to Property/Subordination.

The rights and privileges granted to Resident do not include any right, title or interest in any part of the personal property, land, buildings and improvements owned or administered by the Community. Resident's rights are primarily for services, with a contractual right of occupancy. Nothing contained in this Agreement shall be construed to create the relationship of landlord and tenant between The Community and Resident. Any rights, privileges, or benefits under this Agreement shall be

subordinate to any existing or subsequent mortgages or deeds of trust or any other comparable interests. Upon request Resident shall execute and deliver any document which is required by the Community, or by the holder of any such mortgages or deeds of trust or similar interests, to effect such subordination or evidence the same.

12.5 Inspection of Living Unit and Right of Entry.

Resident shall permit the Community, or its agents, or any representative of any holder of a mortgage or similar interest on the property, or, when authorized by the Community, the employees of any contractor, utility company, municipal agency or others, to enter the living unit for the purpose of making reasonable inspections and repairs and replacements. Such entry will be made only with reasonable advance notice, except in emergency situations. The Community shall have the right to enter the living unit to perform scheduled housekeeping, and to perform routine maintenance and for other reasonably necessary purposes having due regard for Resident's privacy.

12.6 Housekeeping/Housecleaning Responsibilities.

Resident shall maintain the living unit in a clean, sanitary, and orderly condition. If Resident does not maintain the living unit in a reasonable manner, the Community, after notice to Resident, shall have the right to maintain the living unit, and the cost of such additional cleaning or maintenance shall be charged to Resident.

12.7 Health Insurance and Third Party Payments.

(a) Required Insurance. The Community expects that some of the cost of medicines, medical or nursing services or equipment provided for Resident under this Agreement will be paid by present or future federal, state, municipal, or private plans or programs of medical/surgical insurance, including, without limitation, the benefits available under the federal government social security health insurance program know as "Medicare A and B", or an equivalent policy and at least one supplemental co-pay health insurance policy with Medicare co-insurance coverage for skilled Nursing Facility care, (commonly known as "medigap" insurance), such as Blue Cross-Blue Shield Security 65 plans C and H, or an equivalent policy as approved by the Community. For a Resident under age 65, a substitute basic insurance coverage policy is required. If proceeds from Medicare and co-pay health insurance policies are allowable for nursing or related care provided by the Community, those proceeds shall be paid to The Community directly. Proof of such insurance must be provided at the time of application and prior to admission. In the event Resident fails to maintain in force, because of failure to make premium payments, such health care insurance after occupancy, The Community reserves and is hereby granted the right to make such payments for purposes of maintaining such insurance in force for Resident's benefit. Resident shall be obligated to reimburse The Community for such payments made on behalf of Resident and the cost of such premiums shall be in addition to and not included in the Monthly Fee.

(b) Assignment of Required Insurance and Third Party Payments.

If Resident becomes eligible to receive payments from any third party for services provided under this Agreement by the Community, Resident shall at all times cooperate fully with The Community and each third party payor so that The Community may make claim for and receive any applicable third party payments. The Community has

the right to any applicable benefits payable to Community under the insurance coverages required by this Agreement.

12.8 Automobile Insurance.

Residents who drive motor vehicles shall maintain their own automobile liability insurance to cover liability and medical expenses arising from injury to themselves and others.

12.9 Reduction of Income or Other Resources.

Resident shall make every reasonable effort to meet his/her financial obligations to The Community. Resident shall not transfer control of assets or property or make any gifts subsequent to the date of application for admission and shall not make any transfers or gifts after occupancy, which would substantially impair Resident's ability or the ability of Resident's estate to satisfy Resident's financial obligations to the Community.

12.10 Medical Examinations.

Resident must be examined by a qualified physician of Resident's own choosing prior to occupancy, and must make the results of the examination available to The Community in writing. If the pre-occupancy medical examination reveals that resident's health is not consistent with the conditions of occupancy in the living unit, The Community may terminate this Agreement. The Community reserves the right to require Resident, upon request by the Community, to obtain annual medical examinations at Resident's expense and submit the results of the examinations to the Community.

12.11 Responsibility for Property Damage to Community.

(a) Responsibility for Condition of Living Unit Upon Termination. Upon termination of this Agreement, Resident shall vacate and surrender the living unit and leave it in as good condition as the date of occupancy except for reasonable wear and tear. If the living unit is damaged beyond ordinary wear and tear, the costs of repair shall be the obligation of Resident and such costs shall be billed directly to Resident or Resident's estate, or alternatively, deducted from any refund that may be due.

(b) Property Damages Caused by Resident. Any loss or damage to real or personal property of The Community caused by Resident or Resident's guests shall be paid for by Resident. In the event of Resident's death, Resident's estate shall be liable for any loss or damage of the Community's property caused by Resident.

12.12 Release Regarding Conduct of Other Residents or Guests.

The Community assumes no liability for the conduct of Resident or any other residents or guests, and Resident hereby releases and discharges The Community from any claims for personal injury to Resident or damages to Resident's personal property caused by the conduct of other residents or guests.

12.13 Responsibility For Resident's Personal Property.

(a) Responsibility for Loss or Damage. The Community shall not be

responsible for the loss or damage due to fire, theft, or other causes of any property belonging to Resident or Resident's estate or Resident's guests, including motor vehicles, unless the care and control of such property is specifically accepted in writing by the Community, and then only for willful or gross negligence in failing to safeguard and account for it. Resident shall have the responsibility to provide such insurance as Resident deems necessary to protect against such losses. No Personal property insurance is provided Resident by the Community, and Resident bears the risk of any damage or loss to personal property held in storage by the Community.

(b) Obligations upon Termination. (i) If Resident has become unable to comply with the conditions of occupancy of the living accommodation, or this Agreement has been terminated for any reason other than the death of Resident, Resident or the duly authorized representative of Resident's estate must remove all personal property from the living accommodation, including property held in storage. If Resident's personal property is not removed by Resident or Resident's representative within thirty (30) days of Resident's permanent transfer from the living accommodation or termination of this Agreement, The Community shall dispose of Resident's property in any manner it deems appropriate, and shall not be liable or responsible for any damages to it. Resident or Resident's estate shall be obligated to pay all costs for the removal, storage or disposal of Resident's property. If Resident's property is moved to and stored in a commercial warehouse, The Community shall have no liability or responsibility for Resident's property. If Resident's property is moved to and stored in a commercial warehouse, The Community shall have no liability or responsibility for Resident's property during the transfer of the property or the storage of it. (ii) Within 24 hours of Resident's death, The Community shall contact or make a good faith effort to contact the personal representative or guardian of Resident to arrange for an inventory of Resident's personal property, after which the legal representative(s) of Resident Estate or family may remove Resident personal property or The Community may place the personal property into storage. If Resident's personal property is not thereafter claimed by Resident's Estate or family within thirty (30) days, The Community shall send a notice by certified mail to Resident's executor/executrix named in this Agreement or, if The Community has received prior written notice of a different legal representative for Resident's Estate, to that legal representative, stating that The Community will dispose of the property if not claimed within fourteen (14) days from the date such notice was postmarked; and, if the property is not claimed thereafter, such property shall be disposed of by The Community and all costs of, less any proceeds from, such disposal shall be charged to and payable by Resident's Estate.

12.14 Rules, Regulations, Policies and Procedures.

The rights and privileges of Resident under this Agreement are personal to Resident and cannot be transferred or assigned. No person other than resident may occupy or use the living accommodations covered by this Agreement unless approval is obtained in writing from The Community.
