**LIQUIDATOR'S FINAL ACCOUNTING,
PROPOSAL FOR FINAL DISTRIBUTION,
AND APPLICATION FOR APPROVAL OF NOTICE**

Jessica K. Altman, Insurance Commissioner of the Commonwealth of Pennsylvania, in her official capacity as Statutory Liquidator ("Liquidator") of Westmoreland Casualty Company ("Westmoreland"), by her undersigned attorney, pursuant to 40 P.S. § 221.46 and 40 P.S. § 221.48, respectfully files this Application seeking approval of her Notice of the final accounting and proposal for final distribution for Westmoreland ("Application"), and thus represents:

1. Westmoreland was placed in liquidation by Order of this Court dated September 27, 1988.
2. Westmoreland's Statement of Assets as of June 30, 2019 (unaudited), discloses assets of \$136,043,371.09. (See Westmoreland's Statement of Assets attached hereto as Exhibit A.)
3. The total net assets available for distribution as of June 30, 2019, after a reserve of \$128,000 for future expenses to be paid by the Liquidator, are \$135,915,371.09. (See Exhibit A.)

RECEIVED & FILED
COMMONWEALTH COURT

4. All claims have been evaluated and there are no unresolved objections to the amount allowed for any claim.

5. The total for class "a", "b", "d", "e", "f" and "g" priority claims that has been approved and allowed is \$252,628,995.62. There are no "c", "h" or "i" claims.

6. Attached hereto as Exhibit "B" is a list of all Westmoreland claimants who had claims approved and the amount allowed for each claim. The Liquidator requests this Court's approval of the following distribution of the assets of Westmoreland as follows:

- a. Priority class "a" claims will be paid at 100%. The Liquidator has already received \$6,130,434.35 in administrative expenses.
- b. Priority class "b" claims will be paid at least 49.505%.
- c. There are no priority class "c" claims.
- d. Priority class "d" claims will not be paid.
- e. Priority class "e" claims will not be paid.
- f. Priority class "f" claims will not be paid.
- g. Priority class "g" claims will not be paid.
- h. There are no priority class "h" claims.
- i. There are no priority class "i" claims.

7. The Liquidator has collected all the assets deemed worthy of pursuit.

8. Prior to liquidation, Westmoreland purchased one group annuity and one individual annuity to reimburse itself for the payment of certain workers' compensation claims. The Liquidator continues to receive checks each month pursuant to this arrangement. Subject to this Court's approval, the Liquidator will assign this receivable to the Pennsylvania Workers' Compensation Security Fund ("WCSF") as part of the distribution of assets to the WCSF, since

the WCSF will be responsible to continue payment to these claims after the Westmoreland estate is closed until the death of the claimant or the settlement of their claim. Accordingly, this assignment will allow the Liquidator to seek closure of the estate now, as opposed to keeping the estate open for years to come for the sole purpose of collecting future annuity payments. In anticipation of this assignment, the Liquidator and the WCSF have agreed upon a reduced amount for the WCSF's claim in the Westmoreland estate.

9. Attached hereto as Exhibit "C" is a copy of the Notice of the filing of this Application that will be sent to claimants upon this Court's approval of the form and scope of service of the Notice.

10. On April 11, 2011, the Liquidator filed an application seeking this Court's approval of a bar date for Westmoreland. Following this Court's approval of the form and scope of service, a Notice of the bar date application was published and provided by mail to all insureds of record as of the date of liquidation (September 27, 1988) and to all other persons or entities that had filed a claim through March 31, 2011. No objections were filed to the Liquidator's bar date application. By Order dated May 16, 2011, the Court approved that application and established June 30, 2011, as the bar date.

11. Exhibit "B" is a list of the 1993 claimants in the Westmoreland estate. Of those 1993 claimants, 217 fall within priority classes "a" or "b", the two priority classes that will receive a distribution of assets. Of those 217 claimants in classes "a" and "b", 97 will receive funds (120 have approved claims of \$0.00). Of the 97 receiving funds, 7 are guaranty associations, 87 are owed \$100, one claimant is owed \$200, one claimant is owed \$3,312, and the final claimant is owed \$50,000. The seven claims of the guaranty funds account for 99% of the class A & B Court approved allowed amount.

12. Given the broad and comprehensive notice of the Liquidator's bar date application and the lack of objections thereto, as described in paragraph 10; the further passage of time since the 2011 bar date notice; the limited number of claimants who are scheduled to receive a distribution, as described in paragraph 11; and the age of this estate, the Liquidator proposes a limited scope of mailing of the Notice of this Application. Specifically, the Liquidator proposes to notice those 217 claimants in the two priority classes that will receive a distribution, which would include those claimants in priority class "b" with approved claims of \$0.00. The workers' compensation claimants whose claims are subject to assignment to the WCSF, as described in paragraph 8, would also receive notice under this proposal.

13. Alternatively, should the Court determine that a broader notice is needed, the Liquidator will mail the Notice to all 1993 claimants listed in Exhibit "B".

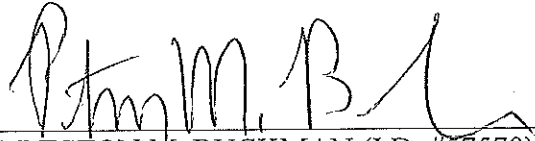

14. Regardless of the scope of service, claimants will have 30 days from the date of the Notice to file objections, if any, to the Final Accounting and Proposal for Final Distribution.

15. Once all objections to the Final Accounting and Proposed Final Distribution, if any, have been resolved, the Liquidator will file an application seeking this Court's approval of her Final Accounting and Proposed Final Distribution, which will contain, and seek approval of, her recommendation regarding the disposition of records pursuant to 40 P.S. § 221.50. Should the Court approve that application, the Liquidator will then file a final application following the completion of the final distribution of assets seeking discharge of the Liquidator in accordance with 40 P.S. § 221.48(a).

WHEREFORE, the Liquidator prays Your Honorable Court that her Notice of this Application to be sent by first-class mail to claimants, which is attached hereto as Exhibit "B", be approved. In accordance with the alternatives presented in paragraphs 12 and 13 regarding the

scope of mailing of the Notice, the Liquidator has included two proposed Orders with this Application.

Respectfully submitted:
