**OLD BUSINESS** ..... *Secretary Vigoda*

A. Motion to approve previous Board Meeting Minutes of the December 17, 2025, meeting.

**Motion Made:** Board Member Vulakovich  
**Seconded:** Board Member Brewster

**Board Decision:** Unanimously agreed (3-0 vote) to approve the previous Board Meeting Minutes of the December 17, 2025, meeting.

B. Announcement by Chairman for Ratification of a Board Action – Modification to Previously Approved Vehicle Purchases

The following Board Action approved on December 26, 2025, was decided by Notational Voting after the adjournment of the Board's last public meeting on December 17, 2025.

**Board Action:** The PLCB's Bureau of Support Services, through the Bureau of Accounting & Purchasing, previously requested and received Board approval to purchase a total of seven (7) 2025 Ford Transit Cargo Vans from Whitmoyer Ford at a total cost of \$386,725.00. After the Board gave its approval, the PLCB was unable to complete the purchases from Whitmoyer Ford as originally contemplated. As a result, the PLCB was required to explore other options. The Bureau of Support Services, through the Bureau of Accounting & Purchasing, is now requesting Board approval to purchase a total of seven (7) 2026 Ford Transit Cargo Vans from Tom Masano Ford at a total cost of \$373,312.00. The new total purchase amount is \$13,512.00 less than the previously approved purchase amount, which will provide a substantial cost savings to the PLCB.

Note: Board Minutes are not officially approved until all required signatures are affixed.

The pricing offered above is only valid until December 31, 2025; however, the next public meeting will not be held until January 14, 2026. Therefore, a notational vote on this matter is necessary.

Chairman Clarke, Member Vulakovich and Member Brewster agreed (3-0 vote) to approve the above modification to previously approved vehicle purchases.

**Motion Made:** Board Member Vulakovich  
**Seconded:** Board Member Brewster

**Board Decision:** Unanimously agreed (3-0 vote) to ratify the previous notational vote to approve the vehicle purchases as detailed and printed in the Board agenda.

Procurement Actions:

**(1) Multimotor Plenum Fan vs DWI Technical Study** – The maintenance team is looking to replace the 60-year-old supply fan in air handler 1. This unit is in early stage bearing failure and the thought is to replace the entire unit with a new fan before complete failure occurs. Back in January of 2024, we experienced catastrophic failure of the fan in air handler 2 when the bearings failed and scored the shaft. A repair was attempted and subsequently failed a short time later leading to a several months shut down while a new option was designed, procured and installed. The new option was a modern multi-motor plenum fan wall, that consists of 16 small fans that work together to meet the needs of the air handler. If we replace the air handler 1 fan, we will add another \$8,173.72 of annual savings bringing the estimated annual savings to \$16,345.44. Part of this project as stated in the proposal is to replace the air handler 1 old return fan motor with a new motor and variable speed drive, which would also provide an estimated annual savings of \$2,000.00.

Current PO 80000951 - Vendor: **Ainsworth Inc.** – **estimated cost: \$296,800.00.**

**(2) Plastic Shopping Bags Renewal** – This procurement action is to renew the contract for plastic shopping bags used in all Fine Wine & Spirit stores to package products sold to customers.

**(3) Hearing Examiner Services** – Represent the Board in the capacity of a Hearing Examiner for administrative hearings conducted in the Commonwealth of Pennsylvania regarding matters which the Board shall adjudicate as required by law.

Procured via Sole Source – VENDOR: **Philip D Press Attorney at Law** – TERM: One year - **\$150,000.00 estimated cost.**

Inter-Agency Charges:

- (1) Department of General Services (DGS) Employee Liability Insurance (Job 31) – \$106,021.85.** The billing for FY 2025-26 annually to reimburse DGS for employee liability insurance premiums. The billing represents the PLCB's share of the insurance premiums based on personnel complements (25%) and 10-year claim loss experience (75%). The charge to the PLCB represents approximately 1.3% of the Commonwealth's total employee liability premium cost of \$8.0 million and has remained flat.
- (2) Office of Administration (OA) HR Shared Services (Job 73) – \$1,933,000.00.** The billing composes of Q1 and Q2 for \$1,933,000.00 in FY 2025-26. The LCB's allocated share of OA's HR-Enterprise Services (HR service center, training, labor relations, employee benefits, SEAP, etc.). The billing is \$66,150 (-3.3%) less than last year. The billing allocation is based on the agency's number of benefit eligible employees (BEEs). The LCB's Q1 and Q2 charges represents only 3.3% of the total OA charge of \$58.4 million which grew (+0.9%) over last year.
- (3) Office of Administration (OA) IT Shared Services – \$1,091,273.75.** The billing for FY 2025-26 Q2 billing for OA's IT Enterprise Technology Essential Services. This billing is for enterprise-wide infrastructure, network, security, enterprise data center (EDC) and service desk costs. The LCB's charge represents 1.2% of the total \$90.6M OA- IT Shared Services billing. Total billings for FY 2025-26 were \$29,603.75 or +2.8% over FY2024-2025.
- (4) Department of General Services (DGS) Tort Claims (Job 24) – \$79,699.92.** The billing for FY 2025-26 annually to reimburse DGS for tort insurance premiums. The billing represents the PLCB's share of the insurance premiums based on tort claims. The charge to the PLCB represents approximately 8.0% of the Commonwealth's total tort liability premium cost of \$1.0 million.

The Bureau of Financial Management and Analysis has reviewed these charges and determined that they are reasonable based on billing methodology and previous experience.
