Summary of Retail and Wholesale Purchase Regulation Changes

The Pennsylvania Liquor Control Board's ("PLCB") Regulations for [Retail and Wholesale Purchase](#) have been updated effective October 9, 2021.

Sections 11.1 through 11.5 of the PLCB's Regulations have been amended to eliminate obsolete language and provide streamlined regulations for the regulated community. Most significantly, section 11.5 eliminates a \$50.00 minimum purchase requirement for holders of a Wholesale Liquor Purchase Permit Card, including retail licensees or United States Armed Forces facilities. With this amendment, card holders will receive a discount on every liquor purchase from the Board regardless of the purchase amount.

Questions about these changes, or any other provisions of the Liquor Code or the PLCB Regulations may be directed to the PLCB's Office of Chief Counsel at 717-783-9454 or ra-lblegal@pa.gov.
