

2024 ENDOWMENT ACT FUNDING OUTCOMES

In 2024, a total of 7,837 child victims and adult survivors of child sexual abuse were supported and \$6,958,733 in funding was awarded through Act 1 of 2013 (Endowment Act) funds.

Out of 7,823 children served:

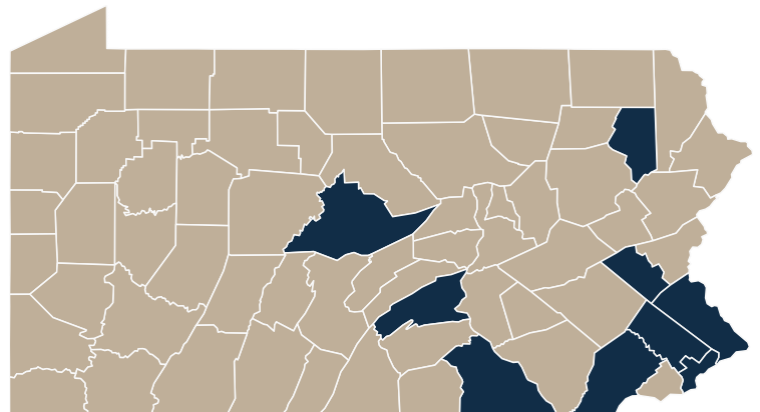

- 3,645 received a forensic interview at a Child Advocacy Center (CAC).
- 2,599 were referred for a medical examination.
- 1,751 received a medical examination (67% of all referrals in both 2023 & 2024; an increase from 48% in 2022 and 51% in 2017).
- 1,416 were referred to counseling or therapy.
- 55% of children who completed therapy reported improvement in their Post-Traumatic Stress Disorder (PTSD) symptoms suffered as a result of their victimization.

Endowment Act funding supported 1,213 trainings (22,611 individuals trained) with a 99% satisfaction rate. Trainings were related to child sexual abuse prevention, awareness, medical services, and mental health therapy.

In 2024, PCCD continued to support a total of 53 EA-CAC, EA-DVSO, EA-PAV (Youth w/Problematic Sexual Behaviors), EA-TT, and EA-Prevention projects that were awarded in 2022/2023 that requested a total of \$6.57 million. For more information about these projects, view our Annual Report.

In collaboration with the Child Maltreatment Solutions Network (CMSN) at Pennsylvania State University, PCCD continued to implement a child sexual abuse prevention project that began in 2022 and included implementation of a school-based and parent training component within ten counties (9 counties remaining as of March 2023). The initiative, Project Safe and Smart resulted in the following:

- 2,014 Safe Touches workshops were provided to 38,859 second graders;
- A total of 304 known concerning statements or disclosures were made to Safe Touches facilitators; and
- 574 parents were served during 201 Smarter Parents workshops.

Nine prevention project counties.
