

2025 ENDOWMENT ACT FUNDING OUTCOMES

In 2025, a total of 8,591 child victims and adult survivors of child sexual abuse were supported and \$5,739,200 in funding was awarded through Act 1 of 2013 (Endowment Act) funds.

Out of 8,469 children served:

- 3,588 received a forensic interview at a Child Advocacy Center (CAC).
- 2,933 were referred for a medical examination.
- 1,515 received a medical examination (52% of all referrals; a decrease from 67% in 2023 & 2024; and an increase from 48% in 2022).
- 2,632 were referred to counseling or therapy.
- 57% of children who completed therapy reported improvement in their Post-Traumatic Stress Disorder (PTSD) symptoms suffered as a result of their victimization.

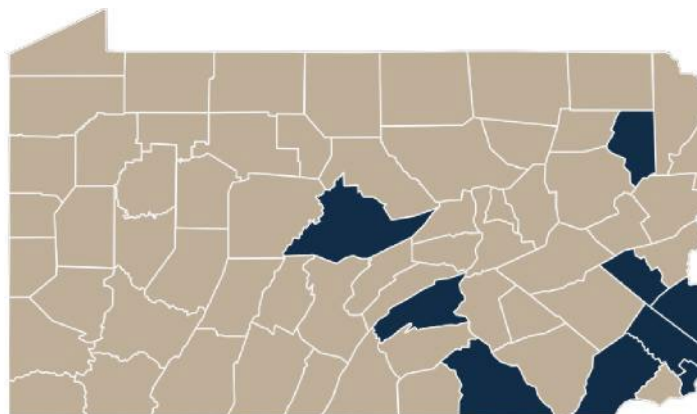

Endowment Act funding supported 232 trainings (4,317 individuals trained) with a 94% satisfaction rate. Trainings were related to child sexual abuse prevention, awareness, medical services, and mental health therapy.

In 2025, PCCD continued to support a total of 45 EA-CAC, EA-DVSO, EA-PAV (Youth w/Problematic Sexual Behaviors), EA-TT, and EA-MDIT projects that were awarded in 2023/2024 that requested a total of \$4,296,511 million. For more information about these projects, view our [Annual Report](#).

In collaboration with the Child Maltreatment Solutions Network (CMSN) at Pennsylvania State University, PCCD continued to implement a child sexual abuse prevention project, with 15 new grantees (27 counties), that included implementation of a school-based and parent training component. Endowment Act funding was also used to support a Project Safe and Smart technical assistance provider to support grantee implementation.

The following occurred during 2025:

- 1,049 Safe Touches workshops were provided to 20,219 Kindergarten-3rd grade students;
- A total of 14 known concerning statements or disclosures were made to Safe Touches facilitators; and
- 361 parents were served during 89 Smarter Parents workshops.

Nine prevention project counties.
