Executive Summary - (length is limited to 5,000 characters; approximately one printed page)

1. All applicants should fill out the following script and paste into the Executive Summary section:

The [name of applicant] is requesting \$ _____ to [provide a single sentence or two describing what you are seeking to implement with your grant funding].
These funds will be used for the following: [provide bullet points of what the funds will be used for].

Please note that responses in this section will be used in grant summaries and could be mentioned in press releases. Plain language that clearly describes the intent of the project is most effective.

1

To begin, copy the script provided in the Executive Summary and paste it into the

designated textbox on the page.

2

Follow the script instructions carefully to complete the project. Use clear and straightforward language to fill in the blanks with the necessary information, ensuring that the intent of the project is well communicated.

3

After completing the task, update the Completion Status from "In Process" to "Complete."

4

Please click the "Save" button to finalize your changes.

Please note that responses in this section may be used in SSSC grant summaries or be posted publicly.

NOTE: Per the Right-to-Know Law and 24 P.S. §13-1306-B(g.3), PCCD will redact any information submitted by school entities as part of the grant application the disclosure of which would be

reasonably likely to result in a substantial and demonstrable risk of physical harm or the personal security of students or staff
