School entities are required to select the activities included in 24 P.S. §13-1306-B (1-32) that directly relate to their application.

School entities should determine which eligible program(s) or expense(s) best fits their project and select only the program/activities that **BEST** align with their proposed project. It is incumbent upon the applicant to select the correct activity/ies.

PLEASE NOTE: In the PCCD Egrants system, this list is summarized and will appear truncated for certain activities due to system text-box limitations. Please note that all of the provisions in 24 P.S. §13-1306-B still apply to each category. A full listing of the 24 P.S. §13-1306-B list of eligible activities can be found in the funding announcement PDF.

1. Please select one or more of the following program activities that relate to the proposed project/expenses.

- (1) Safety and security assessments that meet the committee's criteria.
- (2) Conflict resolution or dispute management, including restorative justice strategies.
- (3) School-wide positive behavior support that includes primary or universal, secondary and tertiary supports and interventions in school entities.
- (4) School-based diversion programs as defined in section 1301-A, including costs associated with the hiring of qualified professional staff members to provide assistance and services related to the programs.
- (5) Peer helper programs.
- (6) Risk assessment, safety-related, violence prevention curricula, including dating violence curricula, restorative justice strategies, mental health early intervention, self-care and suicide awareness and prevention curricula.
- (7) Classroom management.
- (8) Student codes of conduct.
- (9) Training to undertake a districtwide assessment of risk factors that increase the likelihood of problem behaviors among students.
- (10) Development and implementation of research-based violence prevention programs that address risk factors to reduce incidents of problem behaviors among students.
- (11) Thorough, districtwide school safety, violence prevention, emergency preparedness and all-hazards plans, including revisions or updates to such plans and conducting emergency preparedness drills.
- (12) Security planning and purchase of security-related technology.
- (13) Institution of student, staff and visitor identification systems, including criminal background check software.
- (14) Provision of specialized staff and student training programs, including training for Student Assistance Program team members in the referral of students at risk of violent behavior.
- (15) Counseling services for students, including costs associated with the training and compensation of mental health staff or expanding contracts with mental health providers.
