1. Application Process

a) Is it permissible for an applicant to submit more than one application?

Answer: Given the competitive nature of this solicitation, eligible applicants may only submit one application for funds; however, nothing precludes an applicant from also being included as a recipient agency within another eligible entity's funding request.

2. Eligible Activities

a) Can these funds be used to address workplace violence?

Answer: The primary purpose of this funding announcement is to support hospital-based/hospital-linked violence intervention programs (HVIPs), which is a community violence intervention strategy. More information about that model/approach is available here: <https://www.thehavi.org/what-is-an-hvip>.
