Pennsylvania Commission on Crime and Delinquency

School Safety and Security Committee

26-27 School Safety & Mental Health Grants

Fiscal Year 26-27 Solicitation

Please Note: Applications are *only* accepted through PCCD's Egrants system. Applicants must register in Egrants prior to submitting an application. Applicants are strongly encouraged to familiarize themselves with the Egrants system and allow adequate time to prepare and submit an application.

Prior to starting an application in Egrants, your agency must be registered in Egrants, and at least two individuals from your agency must register as Egrants users and have Egrants user roles for your agency.

Every agency must also have at least one person with the e-signature role in Egrants.

Please refer to the Getting Started in Egrants page on our website for Egrants registration information and guides.

Egrants Application Deadline:

October 16, 2026

This funding guideline contains information not appearing in the Egrants application. Applicants are advised to review this document and refer to it while completing your Egrants application.

PCCD staff may only respond to questions to clarify the funding announcement. Questions must be sent via email to: RA-CD-SSSC@pa.gov with 26-27 School Safety & Mental Health Grants in the subject line. All questions regarding this funding announcement must be received by close of business on October 16, 2026. PCCD staff will post responses to questions, as they are received, on PCCD's website. Select the appropriate funding announcement to view questions and answers.

For any technical or system questions, contact and ask for the Egrants Help Desk at (717) 787-5887 or (800) 692-7292, or by emailing RA-eGrantsSupport@pa.gov.

Funding Announcement Title: 26-27 School Safety & Mental Health Grants

Funding Stream: State School Safety and Security Grant Fund

Submission Requirements for Applications:

- **Due Date** – Applications must be submitted electronically through PCCD's Egrants system no later than 11:59 PM on **Friday, October 16, 2026**.

- **Technical Assistance** – Grant application and administrative guides can be accessed on PCCD's website. Applicants are strongly encouraged to review the application and administrative guides before calling the Egrants Help Desk for assistance. The Egrants Help Desk is available to assist with technical or system questions Monday through Friday, 8:00 AM to 4:00 PM, and may be reached by calling (717) 787-5887 or (800) 692-7292, or by emailing RA-eGrantsSupport@pa.gov.

- **Corrections** – If PCCD returns an application for corrections, the final application (including all corrections and required documents) must be returned to and approved by PCCD for the requested funding to be awarded.

- **Non–supplantation** – Funding must not be used to supplant/replace state, federal, or local funds that would otherwise be available to provide for program-related services. PCCD funding is to be used in addition to other funds that are made available for services.

PENNSYLVANIA COMMISSION ON CRIME AND DELINQUENCY
School Safety and Security Committee (SSSC)

Funding Announcement Title: 26-27 School Safety & Mental Health Grants

1. Overview:

The School Safety and Security Committee (SSSC) within the Pennsylvania Commission on Crime and Delinquency (PCCD) is now accepting applications under the 26-27 School Safety & Mental Health Grants solicitation, which is a noncompetitive, formula-based funding announcement to provide grants to eligible school entities to support physical security enhancements and/or mental health initiatives.

This noncompetitive, formula-based solicitation is specifically for eligible school entities as defined under 24 P.S. §13-1314.3-B of the PA Public School Code (i.e., a school district, area career and technical school, intermediate unit, charter school, regional charter school, and cyber charter school).[1]

The objective of the 26-27 School Safety & Mental Health Grants solicitation is to offer an opportunity for school entities to use funding to address school safety and behavioral health support needs. To assist schools in guiding decisions about their behavioral health and physical security needs, the SSSC convened experts to develop and update Baseline Criteria Standards to organize policies, programs, activities, equipment, and trainings into a multi-leveled chart from Level 1, which are the most basic elements a school entity should have in place, to Level 3, which are the most advanced elements.

The Baseline Criteria for both Physical Security and Behavioral Health were **updated in June 2026** to reflect current School Code provisions and considerations of the current school safety and behavioral health landscape for schools. A **priority focus** of the SSSC is to ensure that all school entities, at a minimum, meet a basic, Level 1 standard of safety for students and staff. School entities are strongly encouraged to review the updated Baseline Criteria in advance of submitting their grant application under this solicitation to determine what criteria their school entity currently meets and where additional investments may be needed. **Per 24 P.S. §13-1314.3-B, current Level 1 criteria must be satisfied prior to school entities utilizing these funds for other Eligible Program Activities and Expenses within each respective physical security or mental health section.**

2. Funding Availability:

A total of $138,779,000 in state funding is being announced to support this initiative. Funding is based on the formula included in 24 P.S. §13-1314.3-B, which stipulates school districts are to receive a $100,000 base amount for their grant, and an additional amount based on their 2024-25 Adjusted Average Daily Membership (AADM). All other eligible school entities (i.e., intermediate units, area career and technical schools, charter schools, regional charter schools, and cyber charter schools) are to receive $70,000.

[1] Nonpublic schools (including approved private schools and PRRIs) seeking funding to support school security and mental health enhancements, should plan to review the Targeted School Safety Grant Program for Nonpublic Schools solicitation. That solicitation will be available in early 2027; access this page to sign up for notifications of new funding announcements.

Funding can be spent on physical security enhancements, mental health improvements, or both – at the school entity's discretion. School entities should consider the results of completed physical security and/or behavioral health support assessments in determining how to spend funding, or consider using available funding to conduct physical security or behavioral health assessments in accordance with the SSSC's approved assessment criteria.

To support long-term planning, applicants should be aware that while approximately $138 million in School Safety and Security funding is available for the current (FY 26-27) grant cycle, the addition of the $38 million is a one-time infusion of previously uncommitted, unexpended, and unencumbered school safety funds. This supplemental uncommitted, unexpended, and unencumbered funding for school districts is expected to decrease in subsequent years. Thus, school districts are strongly encouraged to consider this anticipated reduction when developing their grant project requests and may want to consider using the supplemental funding to prioritize projects that are one-time expenses or have a high up-front cost but may be maintained at lower cost levels in the future.

PCCD expects to fund 775 grants with budgets not to exceed the funding allocations detailed in Appendix A.

PCCD is not liable for costs incurred prior to the official start date of the award.

3. Project Dates:

As these are noncompetitive funds, applications will be approved by PCCD as they meet the criteria of this solicitation for 24-month projects and will have a start date no earlier than July 1, 2026, and an end date of June 30, 2028. Actual project dates may vary dependent upon the specifics of each application, including timeliness of the application submitted, the length of PCCD staff review, the responsiveness of the applicant to staff inquiries, and the award date of the application. **Please be cognizant that any expenditures made prior to receiving the official award notice from PCCD may be deemed ineligible during the application review.**

Extensions of the project period will be allowable if necessary and may be requested through the submission of a timely project modification request (PMR). Project modification requests not submitted within the prescribed timeframes as noted in the Applicant's Manual may not be reviewed or approved by PCCD. Project modification requests will not be accepted by Egrants or PCCD after the end of the project period.

School entities are encouraged to complete their applications in Egrants as soon as possible following notification of this funding announcement. **Applications that are not fully executed (i.e., that reach open-awarded status) within one year from the application due date will risk forfeiture of an award.**

4. Eligible Applicants:

Per 24 P.S. §13-1314.3-B, eligibility of these funds is limited to School Districts, Intermediate Units, Area Career and Technical Schools, Charter Schools, Regional Charter Schools, and Cyber Charter Schools. All eligible applicants and the amount they are eligible to apply for can be found in Appendix A of this solicitation.

Applicants must be in good standing with PCCD to be eligible for these funds.[2]

5. Eligible Program Activities and Expenses:

Under this solicitation, school entities may apply for funding for physical security enhancements, behavioral health improvements, or both, at the school entity's discretion. School entities only need to submit a single application for funds, and only need to create one budget (i.e., there is no need to create separate budgets for physical security and behavioral health needs).

If a school entity opts to apply funding for physical security activities, and they have met the current Level 1 baseline criteria for physical security, the school entity shall be eligible to expend funding for activities outlined in Section 1306-B(j)(1), (2), (3), (4), (5), (7), (8), (9), (11), (12), (13), (14), (16), (18), (22), (23), (32) and (33)[3] (see listing below for corresponding activity/item). If a school entity does NOT meet all Level 1 Baseline Criteria for physical security, they may **only** request funding to meet their Level 1 gaps or expend funding on other Level 1 eligible items unless they meet the criteria described in Application Procedures section below (see Footnote 23) related to physical security gaps identified by an approved assessor. Once, or if, a school entity has met the current Level 1 Baseline Criteria for physical security, they shall be eligible to use funding to support any, all, or one of the previously listed activities.

Similarly, if a school entity opts to apply funding for mental/behavioral health activities, and they have met the current Level 1 baseline criteria for behavioral health and school climate, the school entity shall be eligible to expend funding for activities outlined in Section 1306-B(j)(6), (10), (15), (17), (19), (20), (21), (23), (24), (25), (26), (27), (28), (29), (30) and (31). If a school entity does NOT meet all Level 1 Baseline Criteria for Behavioral Health, they may **only** request funding to meet their Level 1 gaps or expend funding on other Level 1 eligible items unless they meet the criteria described in the Application Procedures section below (see Footnote 15) related to mental/behavioral health gaps identified by an approved assessor. Once, or if, a school entity has met the current Level 1 Baseline Criteria for behavioral health and school climate, they shall be eligible to use funding to support any, all, or one of the previously listed activities.

The full listing of eligible activities under Section 1306-B(j) is as follows:

(j) Specific purposes.--The committee shall provide grants to school entities for programs that address safety and security, including:
  (1) Safety and security assessments that meet the committee's criteria.[4]
  (2) Conflict resolution or dispute management, including restorative justice strategies.

[2] This may include, but is not limited to, compliance with PCCD program and fiscal reporting requirements, monitoring compliance, State and Federal funding guidelines, and acceptable risk rating as determined by PCCD.
[3] Activity #33 was added by Act 17 of 2026.
[4] School entities seeking funding to perform safety and security assessments must utilize the criteria adopted by the SSSC and an SSSC recognized vendor to perform the assessment. The SSSC has developed a registry of vendors recognized as performing safety and security assessments utilizing the SSSC's criteria. The criteria and registry can both be found online at PCCD's website at https://www.pa.gov/agencies/pccd/programs-and-services/school-safety-and-security/assessment-criteria.

(3) School-wide positive behavior support[5] that includes primary or universal, secondary and tertiary supports and interventions in school entities.
(4) School-based diversion programs as defined in section 1301-A[6], including costs associated with the hiring of qualified professional staff members to provide assistance and services related to the programs.
(5) Peer helper programs.
(6) Risk assessment, safety-related, violence prevention curricula, including dating violence curricula, restorative justice strategies, mental health early intervention, self-care and suicide awareness and prevention curricula.
(7) Classroom management.
(8) Student codes of conduct.
(9) Training to undertake a districtwide assessment of risk factors that increase the likelihood of problem behaviors among students.
(10) Development and implementation of research-based violence prevention programs that address risk factors to reduce incidents of problem behaviors among students, including, but not limited to, mental health early intervention, self-care, bullying and suicide awareness and prevention.
(11) Thorough, districtwide school safety, violence prevention, emergency preparedness and all-hazards plans, including revisions or updates to such plans and conducting emergency preparedness drills and related activities with local emergency responders.
(12) Security planning and purchase of security-related technology, which may include metal detectors, protective lighting, specialty trained canines, surveillance equipment, special emergency communications equipment, electronic locksets, deadbolts, trauma kits and theft control devices and training in the use of security-related technology.[7]
(13) Institution of student, staff and visitor identification systems, including criminal background check software.
(14) Provision of specialized staff and student training programs, including training for Student Assistance Program team members in the referral of students at risk of violent behavior to appropriate community-based services and behavioral health services and training related to prevention and early intervention.
(15) Counseling services for students, including costs associated with the training and compensation of mental health staff or expanding contracts with mental health providers that provide support to students in a school setting.
(16) A system for the management of student discipline, including misconduct and criminal offenses.
(17) Staff training programs in the use of positive behavior supports, de-escalation techniques, appropriate responses to student behavior that may require immediate intervention and trauma-informed treatment for mental health providers in schools.

[5] Act 33 of 2023 revised the definition of "school-wide positive behavior support" to mean a school-wide, evidence-based tiered framework for supporting students' behavioral, academic, social, emotional, and mental health.
[6] Act 33 of 2023 revised the definition of "school-based diversion programs" to mean programs and interventions designed to redirect youth who commit minor offenses in school from exclusionary disciplinary practices or formal processing in the juvenile justice system, while still holding the student accountable for the student's actions. These programs include, but are not limited to, youth aid panels, positive youth development programming, teen/youth courts, restorative justice interventions, truancy prevention and intervention programs, mentoring programs, and intervention programs and educational practices to assist students with persistent disruptive and serious problem behaviors.
[7] Act 33 of 2023 eliminated a provision within Activity 12 that required applicants to provide a letter of support from the school entity's board of school directors to support security planning and purchase of security-related technology. This letter of support, board minutes, or other documentation are no longer needed to justify these purchases under this Activity section. Act 17 of 2026 updated Activity 12 to remove "automated external defibrillators" and instead include it as a separate, new Activity #33.

(18) Costs associated with the training and compensation of school security personnel.
(19) Costs associated with the training and compensation of certified school counselors, licensed professional counselors, licensed social workers, licensed clinical social workers and school psychologists.
(20) Administration of evidence-based screenings for adverse childhood experiences that are proven to be determinants of physical, social and behavioral health and provide trauma-informed counseling services as necessary to students based upon the screening results.
(21) Trauma-informed approaches to education[8], including:
(i) Increasing student and school employee access to quality trauma support services and behavioral health care, including the following:
(A) Hiring or contracting with certified school counselors, licensed professional counselors, licensed social workers, licensed clinical social workers, school psychologists and other professional health personnel to provide services to students and school employees.
(B) Developing collaborative efforts between the school entity and behavioral health professionals to identify students in need of trauma support and to provide prevention, screening, referral and treatment services to students potentially in need of services.
(C) Partnering with community-based organizations for peer or family support.
(D) Training on youth-focused mental health first aid for school employees to help recognize signs of mental health distress in students.
(E) Providing activities to improve mental health in a school entity and after-school programming.
(ii) Programs providing:
(A) Trauma-informed approaches to education in the curriculum, including training of school employees, school directors and behavioral health professionals to develop safe, stable and nurturing learning environments that prevent and mitigate the effects of trauma.
(B) Services for children and their families, as appropriate, who have experienced or are at risk of experiencing trauma, including those who are low-income, homeless, involved in the child welfare system or involved in the juvenile justice system.
(22) Programs designed to reduce community violence, including:
(i) Increasing access to quality trauma-informed support services and behavioral health care by linking the community with local trauma support and behavioral health systems.
(ii) Providing health services and intervention strategies by coordinating the services provided by eligible applicants and coordinated care organizations, public health entities, nonprofit youth service providers and community-based organizations.
(iii) Providing mentoring and other intervention models to children and their families who have experienced trauma or are at risk of experiencing trauma, including those who are low-income, homeless, in foster care, involved in the criminal justice system, unemployed, experiencing a mental illness or substance abuse disorder or not enrolled in or at risk of dropping out of an educational institution.

[8] The PA Public School Code requires that any school entity applying for a grant under 24 P.S. §13-1306-B(j)(21) (i.e., trauma-informed approaches to education) utilize a trauma-informed approach plan that meets the criteria established in statute and through a Model Trauma-Informed Approach Plan adopted by the SSSC. Applicants may utilize their own existing plan, provided that it meets the SSSC's Model Plan criteria, or may seek funding to support the development of their own plan.

(iv) Fostering and promoting communication between the school entity, community and law enforcement.

(v) Any other program or model designed to reduce community violence and approved by the committee.

(23) The implementation of Article XIII-E (relating to threat assessment).[9]

(24) Expanding telemedicine delivery of school-based mental health services, including equipment.

(25) Providing technical assistance for a school entity related to billing insurance providers in order to better provide mental health services in a school setting.

(26) Creating or expanding Statewide programs and intervention frameworks, such as school assistance programs, positive behavioral intervention and supports and multitiered systems of support.

(27) Training and related materials for school employees or students that are evidence based and focus on identifying the signs and signals of anxiety, depression, suicide or self-harm in students and best practices for seeking appropriate mental health assistance.

(28) Providing, increasing or enhancing partnerships between a school entity and a community-based nonprofit organization, a Statewide youth-serving nonprofit or a library for out-of-school programming for at-risk school-age students.

(29) Coordinating and integrating local and county mental health services and programs for school employees or students.

(30) Providing online programs, educational materials and applications to provide supplemental mental health services to students that may include peer support, self-guided evidenced-based therapeutic tools and clinical interactions.

(31) Purchase of cell phone lockable bags. A school entity that applies for funding under this paragraph must adopt a policy relating to prohibiting the use of cell phones during the school day.[10]

(32) Establishing, enhancing or promoting cybersecurity measures, including:

(i) Internal and external penetration testing.

(ii) Enhancing programs aimed at cybersecurity and risk management.

(iii) Coordinating or enhancing partnerships with local law enforcement agencies.

(iv) Forming cybersecurity breach reaction plans in accordance with federal, state and local cybersecurity and data security guidelines.

(v) Collaboration with approved third-party vendors in conducting cybersecurity protection, internal and external penetration testing and vulnerability assessment.[11]

(vi) Establishment of cybersecurity protocols associated with the use of third-party providers.

(vii) Other recommendations made to remedy cybersecurity vulnerabilities found by third-party providers.[12]

(33) Purchase of automated external defibrillators and training under Section 1423.2.[13] [14]

---

[9] For more information about Threat Assessment Teams, please see PCCD's Threat Assessment webpage for resources and training opportunities.

[10] Activity #31 was added by Act 55 of 2024.

[11] Applicants selecting eligible activity (32) on establishing, enhancing, or promoting cybersecurity measures will be asked to attest that they will follow all state procurement requirements and obtain approval from their governing board prior to selecting a third-party vendor for conducting cybersecurity protection, internal and external penetration testing, and vulnerability assessment. Documentation must be maintained and made available upon request to support compliance.

[12] Activity #32 was added by Act 47 of 2025.

[13] Activity #33 was added by Act 17 of 2026.

[14] NOTE: In the PCCD Egrants system, certain items/activities on this list are summarized and will appear truncated.

All expenses must be described in adequate detail in the Justification box located in the Egrants Budget Detail section. PCCD has approval of all final budgets and may require budget adjustments. PCCD may also randomly audit and monitor grant recipients to ensure the appropriate use of grant funds and compliance with provisions of the grant program, which includes satisfying Level 1 Baseline Criteria.

A listing of examples for allowable expenses that align with each Level in the Baseline Criteria is available for Physical Security Baseline Criteria and Behavioral Health Baseline Criteria.

6. Ineligible Program Activities and Expenses:

Eligibility of items or activities may be dependent on whether the applicant meets the current Level 1 of the Baseline Criteria adopted by the SSSC. Applicants are also limited to selecting appropriate, eligible activities as allowed for by law if they already meet Level 1 criteria.

Indirect costs are not an eligible expense under this funding announcement.

Any item or activity outside the scope of 24 P.S. §13-1306-B or §13-1314.3-B may be deemed ineligible. The SSSC and PCCD have previously determined that the following items/activities are ineligible expenses:

- Retractable safety batons for classroom staff.
- *Framework for Understanding Poverty* book and workbooks.
- Tactical handcuffs and nylon restraints.
- School safety hotlines.
- AR-15, M1A and similar long gun weapons (not part of standard operating gear for school police officers or school resource officers).

The following items are only allowable if the school entity is purchasing them for use by a law enforcement officer (school police officer or school resource officer):

- Body worn cameras – a copy of the law enforcement agency's policy on body worn cameras is required.
- Tactical equipment for active shooter training onsite at the school entity by law enforcement officers (e.g., simunitions marking cartridges, simunitions protective gear) – may be considered for use with security guards if the budget justification clearly states that training will be done with law enforcement.

7. Required Egrants Sections/Documents:

a. Required Egrants Sections – All sections identified in Egrants are required. Applicants will not be able to submit their grant application in Egrants until all sections are marked as complete.

8. Application Procedures:

Applicants must submit the requested information for each section specified below within the defined response fields provided in Egrants. Responses should not be duplicated in multiple sections.

a. **Executive Summary**
All applicants should fill out the following script and paste into the executive summary section:

The ___*name of applicant*___ is requesting $_____ to [*provide a single sentence or two of what you are seeking to implement with your grant funding*].

These funds will be used for the following: [*provide bullet points of what the funds will be used for*].

Please note that responses in this section may be used in SSSC grant summaries or be posted publicly. Plain language that clearly describes the intent of the project and identifies it as an allowable cost is most effective. **NOTE:** Per the Right-to-Know Law and 24 P.S. §13-1306-B(g.3), PCCD will redact any information submitted by school entities as part of the grant application the disclosure of which would be reasonably likely to result in a substantial and demonstrable risk of physical harm or the personal security of students or staff.

b. **Behavioral Health and School Climate Section**
School entities will be required to fill out this section that addresses funding to support behavioral health or mental health activities (i.e., eligible activities under Section 1306-B(j)(6), (10), (15), (17), (19), (20), (21), (23), (24), (25), (26), (27), (28), (29), (30) and (31)).

Under this section, school entities will be asked to certify if their entity meets current Level 1 Baseline Criteria outlined below, identify any gaps they have in meeting the Level 1 Baseline Criteria, and indicate if there have been any changes to their Level 1 status since their last school safety and mental health grant application. School entities are strongly encouraged to carefully review the Revised Behavioral Health Baseline Criteria standards document that was **updated in June 2026,** and utilize available resources prior to completing their application to see if they meet Level 1. Please note that per the PA Public School Code, PCCD staff have the authority to randomly audit and monitor grant recipients to ensure the appropriate use of grant funds and compliance with provisions of the grant program, which includes verifying and satisfying Level 1 Criteria. School entities that falsify information in this section may be subject to returning grant funding or other penalties allowed for by law.

Behavioral Health and School Climate Baseline Criteria (note, updated Level 1 items appear in **bold** text):

- A Student Assistance and Behavioral Health Support Assessment (aligned with standards and guidance adopted by the SSSC) **has been conducted school-entity wide**.[15]
- School entity has a process in place for coordination of services and referrals as part of a Student Assistance Program.

[15] **NOTE: For the purposes of grant funding use, school entities may use funding from this solicitation to address gaps identified as part of a recent Student Assistance and Behavioral Health Assessment conducted by an individual recognized to perform such assessments on the** PCCD School Safety and Security Assessor Registry. This means that if a school entity does not meet all of their Level 1 requirements, but has a valid Assessment conducted by a recognized Assessor outside of their school entity, they are eligible to utilize grant funding to meet that identified gap. Assessments conducted by any individual not recognized on the PCCD Assessor Registry will not meet this requirement.

- School entity has met statutory requirements related to providing access to certified school nursing services.[16]
- School entity has a school counseling program[17] in place to ensure all students have access to qualified services, when needed.
- School entity has a student services plan in place that includes access to a qualified school psychologist.
- School entity has a student services plan that includes access to qualified social work services.
- **School entity has a written plan for implementation of a comprehensive and integrated K-12 program of student services, based on the needs of its students, which may include a formal Multi-Tiered Systems of Support (MTSS) framework.**
- School entity conducts a survey that includes or addresses school climate-related questions at least every two years.
- School entity has policies and/or procedures in place that comply with state and federal civil rights requirements to respond to discrimination **and harassment,** and promote a safe and supportive learning environment for all.[18]
- School entity has policies and/or procedures in place that address the appropriate student use of technology and social media.
- **School entity has a policy and/or procedure in place that addresses student use of cell phones and electronic devices during the school day.[19]**
- School entity provides age-appropriate prevention education for students aligned with state and federal requirements (e.g., youth suicide awareness and prevention, opioid misuse prevention, threat assessment, etc.).
- **School entity has adopted an age-appropriate youth suicide awareness and prevention policy, in accordance with the requirements of law.[20]**
- School entity has policies and strategies in place to address incidents of bullying and **cyberbullying,** and has made that information available as required.[21]
- Professional training provided to school entity employees pursuant to state and federal requirements on topics related to student safety and well-being.[22]
- Where required by state or federal law, school entity has specialized staff training programs in place in the use of de-escalation techniques, and appropriate responses to student behavior that may require immediate intervention (e.g., training aligned with Safe Schools regulations, Chapter 14 (Special Education Services and Programs), Chapter 711 (Charter School and Cyber Charter School Services and Programs for Children with Disabilities); PA Public School Code Section 1310-B (school safety and security training), etc.).
- School entity develops a trauma-informed approach plan.

---

[16] 24 P.S. §14-1402(a.1) requires that every child of school age shall be provided with school nurse services and establishes that the number of students under the care of each school nurse shall not exceed 1,500. Further, PA Department of Health regulations contained in Chapter 23 of Title 28 of the Pa. Code list required school health services and required school health personnel.

[17] As defined in Chapter 4 (Academic Standards), Chapter 12 (Student Services Plan, §12.41), and Chapter 339 (Vocational Education) of the Pa. Code, Title 22.

[18] This criterion applies for students, staff, and others supported by the school environment.

[19] Policies and procedures may address cell phone use directly, or more broadly address use of all electronic devices, but should include "cell phones" in a definition or provisions within the policy/ procedure, in order to meet the requirements of School Code Section 1306-B(j)(31) for funding purposes.

[20] See School Code Section 1526.

[21] Note: 24.P.S. §1303.1-A.

[22] See 24 P.S. §§ 1310-B (school safety and security training), 1517 (fire and emergency evacuation drills), 1518 (test books and instruction on fire dangers and prevention drills); 24 P.S. §1205.6 (child abuse recognition and reporting); 24 P.S.§§ 102, 1205.7 (trauma-informed approaches); 24. P.S. §1526 (suicide awareness and prevention training); 20 U.S.C. Sec. 1681 (Title IX sexual harassment training); 24 P.S. §1303-D (Safe2Say Something training).

- School entity has established at least one threat assessment team and developed policies and/or procedures for assessing and intervening with students whose behavior may indicate a threat.
- **Threat assessment team has received initial and annual training in accordance with PA Public School Code Section 1302-E.**
- **School entity provides awareness education for staff, students, parents/families, and community members related to threat assessment.**
- **School entity has procedures in place for assessing, responding to, and disposing of reports received from the Safe2Say Something Program.**
- **School entity has an established Safe2Say Something team/designee to respond to reports received from the Safe2Say Something Program.**

c. **Physical Security Section**

School entities will be required to fill out this section that addresses funding to support physical security enhancements (i.e., eligible activities under Section 1306-B(j)(1), (2), (3), (4), (5), (7), (8), (9), (11), (12), (13), (14), (16), (18), (22), (23), (32) and (33)).

Under this section, school entities will be asked to certify if their entity meets Level 1 Baseline Criteria outlined below, identify any gaps they have in meeting the Level 1 Baseline Criteria, and indicate if there have been any changes to their Level 1 status since their last school safety and mental health grant application. School entities are strongly encouraged to carefully review the revised Physical Security Baseline Criteria document that was **updated in June 2026,** and utilize available resources prior to completing their application to see if they meet Level 1. Again, PCCD staff have the authority to randomly audit and monitor grant recipients to ensure the appropriate use of grant funds and compliance with provisions of the grant program, which includes verifying and satisfying Level 1 Criteria. School entities that falsify information in this section may be subject to returning grant funding or other penalties allowed for by law.

Physical Security Baseline Criteria (note, updated Level 1 items appear in **bold** text):

- Physical Security Assessment (aligned with standards and guidance adopted by the SSSC) has been conducted of **all school buildings housing educational programs**.[23]
- School entity has vehicle barriers and/or fencing of entrances and/or critical areas (as identified in a physical security assessment conducted in alignment with guidance and standards adopted by the SSSC) for each school facility.
- School entity has exterior lighting of all entrances and critical areas (as identified in a physical security assessment conducted in alignment with guidance and standards adopted by the SSSC) for each school facility.
- School entity has external, protective doors with viewing pane.
- **Tall landscaping is kept away from the area directly around a school building and trimmed in order to avoid obstructing windows.**
- School entity has door handles that cannot be barred.
- All exterior doors have working locks.
- School entity has a school visitor buzz-in entry system that allows for visual observation, including a documented log of school visitors and packages.
- School entity's interior doors are capable of being locked from within each room.

[23] **NOTE: For the purposes of grant funding use, school entities may use funding from this solicitation to address gaps identified as part of a recent** physical security assessment **conducted by the PA State Police RVAT unit OR an individual recognized to perform such assessments on the** PCCD School Safety and Security Assessor Registry. This means that if a school entity does not meet all of their Level 1 requirements, but has a valid Assessment conducted by a recognized Assessor outside of the school entity, they are eligible to utilize grant funding to meet that identified gap. Assessments conducted by any individual not recognized on the PCCD Assessor Registry or part of the RVAT unit will not meet this requirement.

- School entity has policies and/or procedures for handling school visitors and packages and designated staff are trained on this. This should include procedures related to flagging immediate security concerns/risks/persons of concern to prevent entry/building access.
- School entity has **functioning** cameras in **critical areas/**blind spot areas **as identified in a physical security assessment conducted in alignment with guidance and standards adopted by the SSSC**.
- School entity has policies, procedures, and/or communications in place to educate students, staff, school visitors, and any other individual authorized to be in the facility on the importance of keeping exterior doors closed and secured.
- There is a single entry in and out of each school building during school hours.
- School entity has an active memorandum of understanding (MOU) with each law enforcement agency with jurisdiction, **in accordance with law and regulations,** and associated policies and/or procedures in place.
- If school security personnel are present, they have been hired/contracted and trained according to requirements in Pennsylvania state law.[24]
- **For school districts there is at least one full-time school security personnel on duty during the school day, in accordance with Section 1316-C of the PA Public School Code.[25]**
- School entity has working mechanisms in place to communicate quickly to potentially affected individuals within and outside buildings when necessary.
- School entity has adopted an emergency preparedness or emergency operations plan (EOP) (consistent with Title 35 Pa.C.S. Chapter 77, Subchapter B § 7701), including a communication and reunification plan, **and specifically addresses the needs of students and staff with disabilities**.
- **School entity has adopted a policy/procedure requiring schools to be made available to local, county, and state officials for emergency planning and exercise purposes, and service as mass-care facilities in the event of an emergency, in accordance with 35 Pa.C.S. Chapter 77).**
- School entity has coordinated with and shared their updated emergency preparedness plan or EOP with the county Emergency Management Agency per 35 Pa.C.S. § 7701(g) **and with each law enforcement agency and fire company with jurisdiction, in accordance with state regulations.**
- **There is unobstructed access to at least one Automated External Defibrillator (AED) in each facility housing educational programs.**
- **Training for CPR/AED is made available for all staff.**
- All school entity employees have received annual training on school safety related topics as required by Act 55 of 2022, PA Public School Code Section 1310-B.
- **School entity has created a cybersecurity breach reaction policy/ procedure/plan in accordance with federal, state, and local cybersecurity and data security guidelines (73 P.S. §2301 et seq.).**

d. **Program Activities**

This section is a checklist included in the Egrants application process. Applicants will be required to select the eligible 24 P.S. §1306-B(j) activity or activities that directly relate to their application. Applicants should determine which eligible program(s) or expense(s) best fits their project. Once an application is submitted, PCCD will review each project and activity section(s) selected for accuracy. For your convenience, PCCD

[24] "School security personnel" are defined as school police officers, school resource officers, and school security guards—see Article XIII-C of the PA Public School Code.
[25] More information about these requirements is available in Article XIII-C of the PA Public School Code and on PCCD's School Safety and Security webpage.

program staff may adjust the Program Activities section to better reflect the activities you are seeking to fund through your application.

Applicants selecting eligible activity (32) on establishing, enhancing, or promoting cybersecurity measures will be asked to attest that they will follow all state procurement requirements and obtain approval from their governing board prior to selecting a third-party vendor for conducting cybersecurity protection, internal and external penetration testing, and vulnerability assessment. Documentation must be maintained and made available upon request to support compliance.

Applicants seeking to include school mapping services as a project activity in their application will be asked to attest that they will comply with the requirements of 24 P.S. §1322-B for contracts for school mapping services.

e. **Budget Detail**

School entities shall create a single budget that includes all expenses equaling up to the allocation allowed (see allocation listing in Appendix A). **Budgets cannot exceed the allocation for the school entity and should be limited to the items specified above under the Eligible Activities and Expenses section that are allowed under this solicitation.**

Each line-item requires an explanation in the Budget Detail justification section, which is found under each budgetary category (e.g., Personnel, Employee Benefits, Travel (Including Training), etc.). The explanation should provide the reviewer with a clear understanding of each line item in that budgetary category, the purpose of the item, and what is included in the cost. Please refer to the Budget Detail Walkthrough for a full description of how to navigate and fill out this section.

For salary and benefits, the applicant shall provide a clear description of all costs for which grant funds will be utilized. Each benefit must be listed as a separate line item. If budgeting for benefits, please take into consideration the state-issued rebates for FICA and retirement if your school entity participates in this program.

Per the PA Public School Code, grant funds shall be used to **supplement and not supplant** existing spending on school safety and security and/or school mental health. Applicants will be asked to attest regarding supplantation. Requested funds should be used to enhance and add to security and/or improve school mental health supports within each school entity. The following provides examples to assist in determining whether the requested activities are considered supplantation.

Supplantation is **NOT**:

- Requesting school safety funding in a subsequent year for the same purpose and amount awarded in a previous PCCD school safety grant.
- Requesting items/personnel that are currently funded but not currently included/reoccurring in the school entity's budget (e.g., other grant funds, temporary funds, etc.).
- Requesting additional funding to increase the hours of personnel currently part-time or increase program/activity capacity (e.g., adding additional cameras above and beyond what is currently budgeted).

Supplantation **IS**:

- Requesting funding for activities/personnel/items currently included in the school entity's yearly budget.

- Utilizing grant funds to retroactively support expenses already procured (e.g., using grant funds to pay ongoing expenses as part of a previously executed contract or purchase order).

Budgeted item(s)/services that fall into program activity category (32) for cybersecurity measures may not be funded with this grant if said item(s)/services are currently funded by federal E-rate funding. School Safety and Security funding may be used to fund these activities when E-rate funding ends for the item(s)/services, or to increase the number or capacity of the item(s)/services beyond what is funded through E-rate.

Please note that PCCD has approval of all final budgets. Also, the SSSC may randomly audit and monitor grant recipients to ensure the appropriate use of grant funds and compliance with provisions of the grant program, which includes satisfying Level 1 Baseline Criteria.

9. Performance Measures:

Under this funding announcement, applicants are required to comply with all reporting, data collection, and evaluation requirements as prescribed by PCCD or state guidelines.

10. Competitive Bidding/Procurement:

All procurement transactions shall be conducted in a manner that provides open and free competition. Grant recipients must follow all applicable **Commonwealth of Pennsylvania procurement guidelines applicable to school entities**, or the entity's own procurement policies or guidelines if those are more restrictive. School entities must maintain documentation to support all procurement transactions and adherence to all applicable guidelines. Supporting documentation must be provided when requested.

As of January 1, 2026, thresholds are:
- Less than $13,200, standard purchasing practices with no formal bid or price quotation requirements.
- $13,200-$24,500, price/rate quotes must be obtained from at least three qualified sources.
- $24,500 or more, public solicitation of bids. Firm fixed price contract awarded to the responsible bidder lowest in price.

Commonwealth of Pennsylvania procurement standards are applicable to school entities for the purchase of goods, equipment and supplies, and construction, reconstruction, repairs, and maintenance work under 24 P.S. §§7-751 and 8-807.1.

These procurement standards may be beneficial, but are not required for acquiring professional services, such as school psychologist services, counseling services, social worker services, and school security personnel services.

Please note that using a cooperative purchasing mechanism does not, itself, comply with quotation or bid requirements. It is the responsibility of the school entity to retrieve the minimum number of quotes or solicited bids required. Documentation must be maintained and made available upon request to support compliance.

11. Administrative Requirements:

a. Egrants Agency and User Registration:
Prior to submitting a grant application, both the school entity applicant agency and at least two users from the applicant agency must be registered in Egrants. Applicants are

strongly advised to allow adequate time to work on application documents in Egrants prior to the submission deadline. Please go to the Getting Started in Egrants page on PCCD's website for further information.

b. Fiscal Accountability:
See the Fiscal Accountability page on PCCD's website for further information.

c. Time and Effort Reporting:
See the Time and Effort Reports page on PCCD's website for further information.

d. Grant Payments:
- Payments will not be released until all applicable special conditions on the grant award have been satisfied.
- All grantees are required, at a minimum, to submit quarterly fiscal reports. PCCD will only make payments to reimburse actual expenditures reported on the fiscal reports. An agency experiencing cash flow problems may submit fiscal reports monthly and PCCD will reimburse reported expenditures. Non-submission or late submission of the required reports will result in payment delays.

- ACH Payments:
  - All payments to grant recipients will be made through Automated Clearing House (ACH) electronic payments.
  - Either before or at the time an application is submitted to PCCD, the applicant agency must register as a Non-Procurement Vendor with the Commonwealth of Pennsylvania.

e. Federal Transparency Act Certification:
This section is required for both state and federal funding streams. See the Federal Applicants page on PCCD's website for further information.

f. Reporting Requirements:
- Programmatic reports are due quarterly.
- Fiscal reports are due quarterly.
- Late submission of programmatic and fiscal reports may delay payments.
- All reports must be submitted through the Egrants system.

g. Incident Reporting, Memorandum of Understanding, and Safe2Say Something Dispositions:
If a school entity or law enforcement agency fails to comply with the provisions of 24 P.S. §13-1319-B (relating to reporting of incidents to the PA Department of Education and memorandum of understanding), the school entity or law enforcement agency may not be awarded any grant administered by the SSSC until such time as the school entity or law enforcement agency has complied with this section.

If a school entity fails to comply with the provisions of 24 P.S. §13-1303-D as amended by Act 47 of 2025 (relating to final dispositions of Safe2Say Something reports), the school entity may not be awarded any grant administered by the SSSC until such time as the school entity has complied with this section.

12. PCCD Contact Information and Resources:

a. Staff Contacts:
Questions regarding this funding announcement should be directed as follows:
- E-mail funding announcement questions to RA-CD-SSSC@pa.gov with "26-27 School Safety & Mental Health Grants" in the subject line.

- Questions must be received by close of business on Friday, October 16, 2026.
- All questions and answers will be posted under this funding announcement title on the Funding Announcement Q&A page of the PCCD website.

b. Egrants Funding Announcement:
Log into the Egrants system and search under the "Funding Announcement" tab for **26-27 School Safety & Mental Health Grants**.

c. PCCD Guidelines and Documents:
Applicants should be familiar with the Applicant's Manual, grant application and administrative guides, and other documents common to PCCD's grant application process, all of which are available on the Funding and Grants Process page of the PCCD website.

d. Egrants Technical Questions:
For any technical or system questions, contact and ask for the Egrants Help Desk at (717) 787-5887 or (800) 692-7292, or by emailing RA-eGrantsSupport@pa.gov.

e. PCCD Webmaster:
Please address any technical problems you may have with the website or online forms to the PCCD Webmaster.

f. Reporting Potential Fraud, Waste and Abuse:
Information about waste, fraud, abuse, conflict of interest, bribery, gratuity, or other similar misconduct, or whistleblower reprisal relating to a PCCD employee, program, contract or grant, may be reported to the PCCD Fraud Hotline at (717) 525-5031. For more information, visit the Reporting Fraud, Waste and Abuse page on PCCD's website.

13. Submission Information:

The application must be entered into Egrants **no later than Friday, October 16, 2026, by 11:59 PM.**

Applicants will be required to sign the grant contract following PCCD's review of the application and after any identified issues are successfully resolved. Applicants will receive an automated notification from Egrants when their grant contract is ready to be signed.

To electronically sign the grant contract, at least one person from your organization must have the e-signature role in Egrants. Please use the link below to access instructions which explain how to request the e-signature role.

E-signature Access Request Instructions

E-signature Access Request Form (This must be attached to your access request in Egrants)

Please note that you cannot request the e-signature role on behalf of someone else.

Appendix A:
School Entity School Safety & Mental Health Grant Allocations
**Organized alphabetically by county, then alphabetically by name*

School Entity Name	School Entity Type	County	Amount
Adams County Technical Institute	Career and Technical School	Adams	$70,000
