WHAT IS HUMAN TRAFFICKING?

Human trafficking is the exploitation of a person through force, fraud, or coercion for the purposes of forced labor and/or commercial sex.

RECOGNIZING THE SIGNS

The presence of one sign alone does not confirm trafficking. These should be considered and evaluated by professionals. If you suspect human trafficking, submit a report.

Red Flags of Human Trafficking

- Vulnerability & Instability
- Signs of Isolation or Restricted Freedom
- Financial, Employment, & Identity Control
- Monitoring, Intimidation, & Pressure
- Fearfulness & Anxiety
