

## **Victim Compensation Waiver For Delayed Filing Due to Evidence Processing Delays**

This waiver for a delay in filing for victim compensation applies only to victims eligible under the Crime Victims Act whose delay was caused by postponed testing or DNA profile matching of a rape kit or other biological evidence related to a sexual assault.

Upon completion and submission of this waiver, the victim shall be granted an exception to the provisions of section 702(b)(1) of the Crime Victims Act. A direct victim shall not be required to undergo an appeals process for the consideration of the victim's waiver application.
