Kennels shall be classified by type, and the fee for the license shall be determined by the kennel type, the number of dogs housed, kept, harbored, boarded, sheltered, sold, given away or transferred in or by the kennel during the previous year.

(2) A person who did not keep or operate a kennel during the previous year shall apply for the type and class of kennel the person expects to operate during the calendar year.

(4) The application forms and kennel licenses shall be as designated by the secretary.
