Laboratory Testing Facilities

This is a general list of third-party laboratories that provide analytical services for food manufacturers. The types of tests conducted are dependent upon the laboratory and include general microbiological, pathogen, chemical, food components, nutritional or environmental testing, and shelf-life evaluation. Please contact the laboratory directly to verify they can perform the specific testing to meet your needs, and to obtain current analysis timelines, sample size requirements, and pricing information.

ABC Research Labs
Tests: microbiology, pathogen testing, chemistry, nutritional labeling, product safety and quality testing, custom research.
Location: Gainesville, FL
Phone: 1-352-372-0436
Web: www.abcr.com

Advise Labs
Tests: microbiology, pathogen testing, water testing, environmental testing.
Location: Drexel Hill, PA
Phone: 1-484-461-9722
Web: www.adviselabs.com

Benchmark Analytics
Tests: microbiology, chemistry, environmental testing.
Location: Center Valley, PA
Phone:1-610-974-8100
Web: www.benchmarkanalyticslabs.com

Dairy One
Tests: microbiology, somatic cell count, antibiotic testing, cryoscope testing, milk composition, water testing, dairy animal testing.
Location: Ithaca, NY
Phone: 1-800-344-2697
Web: dairyone.com

EMSL Analytical, Inc.
Location: Philadelphia area and New Jersey
Phone: 800-220-3675
Email: info@emsl.com

Rev 9/2026

Drexel Food Laboratories
Tests: Nutrition analysis, shelf life studies, water activity, pH testing, scheduled process development (select products).
Location: Philadelphia, PA
Phone: 215-895-2982
Email: drexelfoodlab@drexel.edu
Web: Drexel Food Lab | College of Nursing and Health Professions | Drexel University

Eurofins DQCI
Tests: microbiology, chemistry, alkaline phosphatase, product composition, instrument calibration samples, dairy producer payment testing (butterfat, protein, lactose, total solids).
Location: Lancaster, PA
Phone: (717) 556-7373
Web: Eurofins Lancaster Laboratories - Eurofins USA

Food Safety Net Services
Tests: Food and beverage microbiological and chemical testing.
Location: Allentown, PA
Web: https://fsns.com/

Free-Col Laboratories
Tests: butterfat, total solids, microbiology, alkaline phosphatase, drug residue testing.
Location: Meadville, PA
Phone: 1-814-724-6242
Web: www.modernind.com/newweb/MRD/FreeColLaboratories/FreeColMain.

HACCP Assurance Services
Tests: Microbiology-pathogens, Indicator Organisms, Shelf-Life Testing, Chemistry
Location: Bloomsburg, PA 17815
Phone: 1-800-256-0456
Web: https://www.haccpassurance.com/

Institute for Environmental Health (IEH)
Tests: microbiology-pathogens, shelf-life studies, water analysis, air quality, pet food, human food, soil, water, coffee, milk, environmental testing.
Location: Bloomsburg and New Bethlehem, PA
Web: https://www.iehinc.com/food-testing/

Lancaster DHIA
Tests: microbiology, somatic cell count, antibiotic testing, cryoscope testing, dairy animal testing, Shelf-Life Testing.
Location: Manheim, PA
Phone: 1-888-202-3442
Web: www.lancasterdhia.com

Microbac Labs
Tests: microbiology, pathogen testing, chemistry, nutritional labeling, food allergen detection, sugar profile analysis, food composition, shelf life studies, water analysis, air quality testing, environmental testing.
Location: Pittsburgh, PA
Phone: 1-412-459-1060
Email: microbac_info@microbac.com
Web: www.microbac.com

PACE Analytical Laboratories, Inc.
Location: Various including Altoona, PA
Phone: 814-946-4306
Web: https://www.pacelabs.com/

Precision Biolabs
Tests: microbiology, pathogen testing, antibiotic testing, chemistry, milk, cheese, dairy product and water analysis, environmental testing.
Location: Monroe, WI
Phone: 1-608-325-2507
Web: www.precisionbiolabs.com

Pure Test Laboratory
Tests: Dairy and Water analysis
Location: Myerstown, PA 17067
Phone: 717-866-2234
Web: https://puretest.com/

Silliker, Inc./Merieux Nutrisciences
Tests: microbiology, pathogen testing, chemistry, food composition, nutritional analysis, allergen testing, water testing, environmental testing, shelf life testing.
Location: Labs in various locations
Phone: 1-312-938-5151
Web: www.merieuxnutrisciences.com/us/eng/our-services/food-safety-quality

TEACO Laboratories
Tests: Dairy and Water analysis
Location: Leechburg, PA 15656
Phone: 724-845-6648
Web: http://www.teacolabs.com/

U.S. Food and Dairy Laboratories
Tests: microbiology, somatic cell count, alkaline phosphatase, milk composition, water testing, environmental testing.
Location: Kutztown, PA
Phone: 1-610-683-8822
Email: Lab@USDairyLab.com
Web: www.usdairylab.com
