S.R. 4008 Section 351

BRIDGE REPLACEMENT PROJECT

SR 4008-351 over Mahles Run is located in Knox Township, Clarion County. The project consists of the replacement of a single span, pipe-arch culvert carrying SR 4008 over Mahles Run with Precast Reinforced Concrete Box Culvert. Approach roadway work will consist of minor approach roadway work to construct the proposed culvert and improve the superelevation in the immediate area surrounding the structure. The horizontal alignment will match the existing alignment while the vertical grade will be raised slightly. Traffic is anticipated to be maintained via detour. Construction of this project is anticipated in 2029.
