

APPENDIX J - LIST OF REVIEWERS AND PREPARERS

This Draft Environmental Impact Statement (DEIS) was prepared by the Federal Highway Administration and the Pennsylvania Department of Transportation with assistance from technical professionals. Key reviewers and preparers of the DEIS and associated studies are identified below.

Agencies

Federal Highway Administration

Mark J. Hammert Jr., P.E.
Senior Transportation Engineer
Education: BS Civil Engineering
Professional Experience: 11 years
Role: FHWA Review

Julia L. Moore
Senior Environmental Protection Specialist
Education: BS Biology
Professional Experience: 16 years
Role: Lead federal agency environmental

Pennsylvania Department of Transportation

Nicole Auker
Environmental Planning Manager
Education: MA Community & Regional Planning
Professional Experience: 10 years
Role: Reviewer

Christopher Peacock
Environmental Planning Manager
Education: BS Environmental Studies
Professional Experience: 28 years
Role: District 2 Environmental Manager responsible for PennDOT review and coordination

Michael Paul Erickson
Project Development Engineer
Education: BS Civil Engineering
Professional Experience: 42 years
Role: Project Development

Jesse Sabitsky
Threatened & Endangered Species Specialist
Education: BS Environmental Science & Geography
Professional Experience: 25 years
Role: Threatened & Endangered Species Coordination, Endangered Species Act Section 7 consultation & coordination

Eric J. Murnyack, P.E.
Assistant District Executive – Design
Education: BS Civil Engineering Technology
Professional Experience: 22 years
Role: Project Manager. Roadway Design Engineer

Design Management Team

Michael Baker International

Kevin E. James, P.E, PMP

Associate Vice President

Education: BS Civil Engineering

Professional Experience: 30 years

Role: Design Manager

Dennis D. Plitt, P.E.

Senior Project Manager/Asst. Program Manager

Education: BS Civil Engineering

Professional Experience: 31 years

Role: Assistant Consultant Project Manager

American Engineering Group

Sean Andrew Mollohan, P.E.

Assistant Director of Geotechnical Services

Education: BS Civil Engineering

Professional Experience: 31 years

Role: Design Geotechnical Reviewer

Jonathan Relyea, P.G.

Geologist

Education: BS Geology

Professional Experience: 21 years

Role: Design Geotechnical Reviewer

KCI Technologies, Inc.

Jon Crum

Senior Planner

Education: BS Biology, MA Environmental Science
and Management

Professional Experience: 20

Role: Design Management Team

Brionna Marks, ENV SP

Environmental Scientist

Education: BS in Environmental Science and
Sustainability

Professional Experience: 9

Role: Design Management Team

Deborah Hoover

Practice Leader – NEPA

Education: BA Agricultural Education

Professional Experience: 27

Role: Design Management Team

Navarro and Wright Consulting Engineers, Inc.

Nathaniel Weinstock

Acoustics and Air Quality Group Leader

Education: BS Public Service

Professional Experience: 25

Role: Noise and Air Quality Specialist

NTM Engineering

Catherine Dress

Environmental Project Manager
Education: BS Environmental Health
Professional Experience: 28 years
Role: Farmland Resources Review

Katherine M. Farrow

Senior Professional
Education: BS Environmental Science/Ecology,
MSL Environmental Law
Professional Experience: 39 years
Role: Environmental Review Manager

Emily Phelan

Project Manager
Education: BA Environmental Resource
Management
Professional Experience: 25 years
Role: Wetland and permitting specialist

Alyssa Hovanec

Environmental Scientist
Education: BA Anthropology
Professional Experience: 8 years
Role: Wetland Specialist

Margaret B. Parker

Project Manager/Senior Architectural Historian
Education: BA History
Professional Experience: 33 years
Role: Historian Reviewer

Connor Sullivan

Environmental Scientist
Education: BA Science & Technology Studies,
MS Environmental Science
Professional Experience: 11 years
Role: Wetland Specialist

Design Team

Johnson, Mirmiran & Thompson

Kristin Aiosa

Senior Environmental Scientist
Education: MA Geography, Physical &
Environmental Systems, BA Environmental
Studies, BS Geology
Professional Experience: 27 years
Environmental Specialist

Nicholas Arnhold, RPA

Cultural Resource Specialist
Education: BA Anthropology, MA Anthropology
Professional Experience: 14 years
Role: Cultural Resource Specialist, Mapping, EIS
Development

Tony Bianchi, PMP

Director of Client Engagement
Education: BS Civil Engineering
Professional Experience: 31 years
Role: Technology Specialist

Robert Burke, PMP, PWS

Section Head
Education: BS Environmental Science, MS Natural
Resource Development
Professional Experience: 13 years
Role: NEPA Specialist, EIS Development

Dominic Carroll Cilento

Database Manager
Education: BS Geography
Professional Experience: 23 years
Role: ArcGIS Enterprise/Database

Lori Cole, AICP

National Director of Transportation NEPA, Vice
President
Education: BA Geography, MA Geography and
Environmental Planning
Professional Experience: 31 years
Role: Design Team Assistant Project Manager,
Planning and NEPA Lead, EIS Document

Heather Coons

Senior Planner
Education: BS Environmental Science, MAS
Environmental Policy and Management
Professional Experience: 21 years
Role: EIS Document

Carolyn Gimbal

Architectural Historian
Education: BA Anthropology/Archaeology, MA
Historic Preservation Planning
Professional Experience: 10 years
Role: Architectural Historian

Hussain A. Khan, PE, PTOE, RSP1

Senior Project Engineer
Education: MS Civil Engineering, BS Civil &
Environmental Engineering
Professional Experience: 25 years
Role: Traffic Safety (HSM) Analysis

Tobi Louise Kester

Senior Associate
Education: BLA Landscape Architecture, MLA
Landscape Architecture
Professional Experience: 34 years
Role: EIS Development

Sean Lain

Deputy Director of Geospatial Solutions
Education: BA Geography
Professional Experience: 17 years
Role: GIS Manager

Bradley John Marsteller, PE

Senior Project Engineer
Education: BS Civil Engineering
Professional Experience: 36 years
Role: Traffic Engineer

Stephen McAvoy

Programmer
Education: BA Graphic Design
Professional Experience: 36 years
Role: Configured VirtualSpaces online room for public information dissemination

Craig Patterson Nein

Environmental Scientist
Education: BS Environmental Science; MS Biology
Professional Experience: 18
Role: Wetland Specialist, Threatened and Endangered Species

Vincent R. Novak

Director of Digital Experience
Education: BA Graphic Design
Professional Experience: 26 years
Role: Interactive Design Lead, Public Involvement Specialist

Matthew A Nulton, P.E.

Senior Project Manager/PA Surface Transportation Lead
Education: BS Civil Engineering Technology
Professional Experience: 35 years
Role: Project Manager/Highway Design

Jared Patrick, PE, ENV SP

Highway Engineer/Senior Associate
Education: BS Civil Engineering
Professional Experience: 17 years
Role: Highway Engineer

Anna Pultro

GIS Analyst
Education: BS Environmental Science
Professional Experience: 5 years
Role: GIS Analyst

Jason Ramsey, PE, GISP, AICP

Systems Engineer
Education: BS Civil Engineering, MA Community Planning
Professional Experience: 27 years
Role: GIS Support

Nathaniel Saxe

Environmental Scientist
Education: BS Ecological Biology
Professional Experience: 1 year
Role: GIS Support, Public Involvement

Kristen Sklarsky, PE

Traffic and Highway Engineer
Education: BS Civil Engineering
Professional Experience: 13 years
Role: Traffic Engineer and Public Outreach

Matthew Smith, PE

Associate Vice President
Education: BS Civil Engineering
Professional Experience: 19 years
Role: Water Resources Technical Advisor (Stormwater, Drainage and Erosion & Sediment Control)

Samantha Smith

Architectural Historian
Education: MS Historic Preservation
Professional Experience: 5 years
Role: Architectural Historian

Rachel Thomas

Senior Interactive Design Specialist
Education: BFA Graphic Design
Professional Experience: 22 years
Role: User Experience Designer

Kim Waters, PE

Project Engineer
Education: BS - Civil Engineering
Professional Experience: 15
Role: Roadway Design Engineer

Madeleine Wells

Environmental Scientist
Education: BS Biology
Professional Experience: 1 year
Role: Environmental Specialist and Traffic Noise Analyst

Adam David Welter, PE

Associate Vice President
Education: BS Civil and Environmental Engineering
Professional Experience: 27 years
Role: Structural Engineer

Thomas Wilson

Senior Architectural Historian
Education: MS Historic Preservation
Professional Experience: 15 years
Role: Architectural Historian

Ken Yerges, PE

Vice President / York Office Highway Section Head
Education: BS Civil Engineering
Professional Experience: 25 years
Role: Roadway Design Engineer

American Geotechnical & Environmental Services, Inc.

Suresh Gutta, Ph.D., P.E.

Senior Geotechnical Engineer/ Geotechnical
Project Manager

Education: PhD in Geotechnical Engineering

Professional Experience: 22

Role: Geotechnical Reconnaissance

Drive Engineering

Mike Davidson, PE, PTOE

Senior Traffic Engineer

Education: BS Civil Engineering, MS Civil
Engineering

Professional Experience: 18 Years

Role: Traffic Engineer

Mohammed Mahmood, EIT

Transportation Civil Engineer

Education: BS Civil Engineering, MS Civil
Engineering

Professional Experience: 8 Years

Role: Traffic Engineer

Eric Klepadlo, PE

Traffic Engineer

Education: BS Civil Engineering, M. Eng.

Transportation Engineering

Professional Experience: 11 Years

Role: Traffic Engineer

Erdman Anthony

Mina Grees, E.I.T

Design Engineer - Transportation

Education: BS Civil Engineering

Professional Experience: 5 years

Role: Roadway Design Engineer

Scott R. Raboci, PE

Senior Engineer

Education: BS Civil Engineering

Professional Experience: 40 years

Role: Roadway Design Engineer

Robert Leonard, PE

Regional Manager - Transportation

Education: BS Civil Engineering

Professional Experience: 38 years

Role: Roadway Design Engineer

Zachary Saich, PE

Highway Engineer

Education: BS Civil Engineering

Professional Experience: 8 years

Role: Roadway Design Engineer

Brandon Peterson, PE

Project Manager

Education: BS Civil Engineering

Professional Experience: 24 years

Role: Roadway Design Engineer

Larson Design Group

Alex Classon, EIT

Engineering Associate – Highway
Education: BS - Civil Engineering
Professional Experience: 1.5 years
Role: Stormwater Engineer

Alexander Citerone, EIT

Engineering Associate
Education: BS Civil Engineering
Professional Experience: 5 years
Role: Stormwater Engineer

Jason Jackson, PE

Project Manager
Education: BS Civil Engineering Technology
Professional Experience: 16 years
Role: Roadway and Stormwater Design

Wade Pryor, PE, CPESC

Senior Engineer
Education: BA Civil Engineering
Professional Experience: 24 years
Role: Stormwater Engineer

Brett Sherbine, PE

Engineer
Education: BS Civil Engineering Technology
Professional Experience: 6 years
Role: Stormwater Design

Joel Herman, EIT

Engineering Associate
Education: BS - Civil Engineering
Professional Experience: 0 years
Role: Stormwater Engineer

Kerry Henneberger, PE

Sr. Project Manager
Education: BS Civil Engineering
Professional Experience: 39 years
Role: Roadway Design Engineer

Russell Stringfellow

Senior Technical Specialist
Education: Assoc. Computer Aided Drafting and
Design
Professional Experience: 28 years
Role: Roadway Designer

David J Worst, PE

Technical Manager – Highway
Education: BS Civil Engineering
Professional Experience: 22 years
Role: Roadway Design

Skelly and Loy, A Terracon Company

Nathan Baldwin

GIS Analyst I
Education: BS Geology, Minor Geographic Information Technology
Professional Experience: 10 years
Role: GIS Analyst

Eric R. Bruggeman

Environmental Department Manager
Education: BS Geography
Professional Experience: 22 years
Role: Agricultural Resources

Alan Dunay

Senior Scientist, Acoustics
Education: BS Biology
Professional Experience: 28 years
Role: Highway Traffic Noise, Air Quality

Samantha R. Hockenberry, PWS, CE

Education: BS Biology, MS Biology, Environmental Science Concentration
Professional Experience: 12 years
Role: Environmental Scientist

Daniel Johnston

CADD Supervisor and Sr GIS Analyst
Professional Experience: 32 years
Role: Aesthetics / Visual

Gerald M. Kuncio, M.A.

Group Manager, Cultural Resources, Pittsburgh Office
Education: BA History, MA History
Professional Experience: 37 years
Role: Deliverable Review, Cultural Resources

Gary Coppock, RPA

Senior Archaeologist
Education: BS Zoology, MA Anthropology
Professional Experience: 38 years
Role: Senior Archaeologist/Principal Investigator

Paul DeAngelo

Senior Principal/VP - Operations Manager
Education: MS Environmental Pollution Control, BS Biology
Professional Experience: 34 years
Role: Environmental Project Manager

Doug Meneely

GIS Analyst
Education: BA Geographic Information Systems
Professional Experience: 8 Years
Role: Lead GIS Manager: Database, Mapping, Applications

Bradley S. Reese

Operations Manager
Education: BA Urban Planning
Professional Experience: 21 years
Role: GIS, QA/QC

Alison J. Ross

Sr. Architectural Historian
Education: BS Interior Design, MS Historic Preservation
Professional Experience: 37 years
Role: Historian, Architectural Historian

Emma Shuey

Field Scientist
Education: BS Fish, Wildlife, and Conservation Biology
Professional Experience: 1 year
Role: Environmental Scientist

Kathryn M. Lombardi, M.A., R.P.A.

Senior Archaeologist
Education: M.A. Historical Archaeology
Professional Experience: 28 years
Role: Historian

Alyssa Lynd

Senior Staff Scientist, NEPA
Education: BS Earth and Environmental Science,
MS Geoenvironmental Science
Professional Experience: 10 years
Role: Environmental Scientist

Lauren D. Tilley

Senior Scientist
Education: BS Geoenvironmental Science
Professional Experience: 20 years
Role: Hazardous and Residual Wastes

Logan T. Zugay, QTBS

Scientist
Education: BS Wildlife and Fisheries Science
Professional Experience: 15 years
Role: Scientist

James A. Sinclair

Senior Scientist, Threatened and Endangered
Species
Education: BA Wildlife and Fisheries Science
Professional Experience: 24 years
Role: USFWS Qualified Bat Biologist

Jenna Thomas Cline, MA

Architectural historian
Education: BS Art History, MS Art History
Professional Experience: 8
Role: Architectural Historian

Stephanie Zellers, MA, RPA

Staff Archaeologist
Education: BA History, MA Applied Archaeology
& MA Classics and Ancient History
Professional Experience: 10 years
Role: Architectural Historian

Susquehanna Civil

Gail Farley, PE

Senior Project Manager
Education: BS Structural Design and Civil
Engineering
Technology
Professional Experience: 34 years
Role: Survey, Right-of-Way

Quest Corporation of America

Lisa Lawrence

Senior Creative Designer
Education: BA Graphic Design
Professional Experience: 30 years
Role: Graphic Designer

Sandee Launch

Senior Vice President
Education: MS Public Administration, BS
Journalism
Professional Experience: 39 years
Role: Senior Communications Manager - Public
Involvement

Mercedyz Mitchell

Multimedia Production
Education: BS Show Production
Professional Experience: 7 years
Role: Graphic Designer Multimedia

David Moran

Senior Graphic Designer
Education: BA Studio Art, Graphic Design
Professional Experience: 18 years
Role: Graphic Design

Megan Olivera

Business Unit Leader
Education: MBA Business Administration and
Marketing
Professional Experience: 18 years
Role: Senior Communications Manager, Public
Involvement

Chris Ward

Graphic Designer
Education: BA Digital Media
Professional Experience: 12 years
Role: Graphic Design
