

**SR 4005, Section 01B
Structure Replacement Project
over Meck Creek
Bethel Township, Berks County, PA
Virtual Plans Display Questionnaire/Comment Form**

Please take a few minutes to fill out the survey so we may better understand your concerns. PennDOT plans to replace the existing SR 4005 (Meckville Road) bridge over Meck Creek. During construction, traffic will be under a full detour.

1. Do you have questions about the project? Please Circle - Yes No

If so, please list your questions and the project team will get back to you. (You will need to provide your name, address, and phone # on the next page).

2. The proposed method of Traffic Control presented has been evaluated and developed to provide the most cost effective and the least disruptive plan for this type of construction. Traffic will be maintained as shown on the display. Please tell us any concerns you may have with the construction sequence.

3. Are the plans informative?
