

**SR 4031, Section 01B
Structure Replacement Project over
Shenandoah Creek
West Mahanoy Township,
Schuylkill County, PA Plans Display Survey**

Please take a few minutes to fill out the survey so we may better understand your concerns. PennDOT plans to replace the existing SR 4031 (Raven Run Road) bridge over Shenandoah Creek. During construction, traffic will be maintained utilizing staged construction. Access to adjacent driveways will be maintained at all times.

1. Do you have questions about the project? Please Circle - Yes No

If so, please list your questions and the project team will get back to you. (You will need to provide your name, address, and phone # on the next page).

2. The proposed method of Traffic Control presented has been evaluated and developed to provide the most cost effective and the least disruptive plan for this type of construction. Traffic will be maintained as shown on the display. Please tell us any concerns you may have with the construction sequence.

3. Are the plans informative?
