

Project Overview –Elizabeth Township, Lancaster County
SR 1026-007 (Sleepy Hollow Rd) over Unnamed Tributary to Hammer Creek

The Pennsylvania Department of Transportation (PennDOT) is proposing improvements to **Sleepy Hollow Road in Elizabeth Township, Lancaster County**. The project aims to improve roadway conditions and reduce recurring flooding caused by a nearby stream (Unnamed Tributary to Hammer Creek).

Proposed improvements will include localized full-depth pavement and base repairs, roadway resurfacing, shoulder widening to current design standards, replacement of the existing cross-pipe drainage facility, and relocation of the adjacent Unnamed Tributary to improve hydraulic performance and reduce roadway flooding and erosion.

Project information will be available online from **May 8 through June 12, 2026**. The public is encouraged to review the materials and submit comments. Public input will be considered as the project design advances.
