

2026 LCSIP DELINEATION PROJECT

Safety Improvement
SR 188 / SR 221 Intersection

Donegal Township
Washington County

SR 188/SR 221 Intersection Line Painting

APRIL, 2026

U.S. Department of Transportation
Federal Highway
Administration

Pennsylvania
Department of Transportation

PROJECT LOCATION

SR 0188 Seg 0100 Offset 0000

This project includes many locations throughout District 12. For this virtual plans display, we are going to focus solely on the intersection of SR 188 and SR 221 in Morgan Township, Greene County.

PURPOSE & NEED

- The intent of work at this location is to improve safety at the intersection of SR 188 (Jefferson Road) and SR 221 (Lippencott Road) in Morgan Township, Greene County.
- This will be accomplished by hatching out a wider turn radius for traffic, which will create an easier right turn movement from SR 221 onto SR 188. A stop bar will also be added to aid in the realignment.
- Work will be completed using single-lane closures with flaggers.
- Detours are not anticipated for this project.

PROJECT IMPROVEMENTS

- Improved line painting to create a wider turn radius for safer movements at the intersection.

PROJECT SCHEDULE

- Final Design: Spring 2026
- Construction: Summer 2026 – Fall 2027
