- Fee required with this application is one check or money order in the amount of \$26. (An additional \$128 fee for personalization is required.) Payment is to be made payable to the Commonwealth of Pennsylvania. **DO NOT SEND CASH.**

A registration plate is considered to be defaced when the registration plate is damaged by a specific incident such as a traffic accident, cutting, scraping or damaged caused by intense cleaning or harmful chemicals. There is a fee of \$13 to replace a defaced standard issue or specialty registration plate. If your registration plate is a personalized registration plate, it will be replaced with the same configuration as before at no cost. Personalized registration plates that are lost or stolen are not able to be replaced with the same configuration. If your personalized registration plate was lost or stolen, we will replace it with the same style of registration plate, however, customers will be required to select a new configuration. The registration plate will be produced with the new configuration if it is available. Please make sure to indicate that you are replacing a defaced personalized registration plate on the front of the MV-44. If an immediate replacement registration plate is needed while waiting for your replacement personalized registration plate, please complete and submit a second Form MV-44, and the replacement registration plate fee. A standard issue registration plate will be issued until the replacement personalized, lost or stolen registration plate can be provided. NOTE: The replacement personalized registration plate will take approximately 6-8 weeks to receive in the mail from the time PennDOT receives and processes the application. - To apply for a **free registration plate**, due to current plate being illegible, the vehicle owner should visit our website at www.dmv.pa.gov and take Form MV-46, "Application to Replace an Illegible Registration Plate," to any official Pennsylvania inspection station for verification that their registration plate is illegible OR have a law enforcement official verify the need for a replacement registration plate on Form MV-46. The vehicle owner is then responsible for signing and returning the completed Form MV-46 to PennDOT in order to receive a replacement registration plate free of charge. Your registration plate will be replaced with the next registration plate in the series and with the same style of registration plate you are replacing. If your registration plate is currently personalized, PennDOT will replace it with the same style and configuration as the registration plate you are replacing. If replacing your personalized registration plate, please attach a photograph or tracing of the registration plate for identification purposes. **If an immediate replacement registration plate is needed while waiting for your illegible personalized registration plate, please complete and submit Form MV-44, and the replacement registration plate fee.
