Construction CS and TR Forms Listing

Please note:

There could be different file formats, Adobe .pdf, MS Word .docx, MS Excel .xlsx, or MS Excel .xltx. To open a file, your computer will need the appropriate software program installed.

There are different form types. Each type is indicated under the form number on the form:

Fillable Fields/Print – Fields can be filled in and the form printed but cannot be saved.

Fillable Fields/Save As – Fields can be filled in and saved as another filename.

Reproduce Locally - Print and make copies as needed. Fill in by hand.

WARNING:

Some features used in our PDF documents may not work when using certain in-browser viewers, such as Microsoft Edge and Google Chrome. If you encounter issues, please download the document to your computer and open with Adobe Acrobat. However, we do not recommend saving these documents for future use. Always return here to be sure you are viewing the most up-to-date and accurate documents.

Directions:

1. Click on the link of the desired form to open it.
2. Save a copy of the file to your hard drive.
3. Use the form from your hard drive.
