

# PENNDOT PROJECT INFORMATION

Rochester Road over Harts Run  
Culvert Replacement  
SR 4011, Section A21  
Ross Township,  
Allegheny County

# PROJECT TEAM

- Design Division
  - Direct questions to:  
Jason Cook- Project Manager at 412-429-4901  
Engineering District 11-0  
45 Thoms Run Road  
Bridgeville, PA 15017  
or at [jascook@pa.gov](mailto:jascook@pa.gov)
    - Mark J.Young - District Environmental Manager
    - Todd Crouch- Environmental Supervisor - NEPA
- Press Office
  - Steve Cowan - District Press Officer

# PURPOSE OF PRESENTATION & PROJECT INFORMATION

- SR 401 I Section A21 (Rochester Road) Project
  - The purpose of this presentation is to introduce the project to the public, gather feedback, and present the proposed design.
  - The purpose of the project is to provide a sustainable travel way / crossing on SR 401 I (Rochester Road) over Harts Run which meets current design standard.
    - Culvert Replacement over Harts Run

# PROJECT LOCATION

# PROPOSED PROJECT IMPROVEMENTS

- Remove existing pipe culvert and replace with a new precast concrete box culvert.
- Minor approach roadway reconstruction to tie into the new structure.
- Acquisition of small areas of Right-of-Way, which are required to accommodate the new culvert.
  - Temporary Construction Easements will also be required.
- Construction is anticipated to begin spring/summer of 2025.
  - Road will be closed and detoured during construction.
  - Road closure anticipated to be approximately 40 calendar days.
  - Proposed detour is approximately 4 miles.

# PROPOSED DESIGN

PRELIMINARY

**PRECAST CONCRETE BOX CULVERT**

# PROPOSED DETOUR

# PROPOSED WORK AREA

PRELIMINARY

# NATIONAL ENVIRONMENTAL POLICY ACT (NEPA)

Public outreach begins with PennDOT Connects and extends into the **NEPA** (National Environmental Policy Act) process:

- PennDOT Connects is a project planning and development approach that engages local and planning partners by collaborating with stakeholders before project scopes are developed.
- NEPA requires agencies to integrate environmental values into their decision-making processes by considering the environmental impacts of their proposed actions and reasonable alternatives to those actions
- NEPA also includes public involvement activities and gathering feedback from the public
- This PowerPoint presentation is part of District I I-0's coordination with the public to obtain feedback on the project and to meet NEPA requirements.

# PROJECT SURVEY

## PLEASE COMPLETE THE PROJECT SURVEY

- The project survey can be found on the project website.
- Click the tile under Resources labeled “Submit Comments” on the right side of the screen.
