

**SR 0080 EB and WB Bridges over SR 0093
Bridge Replacement Project
Sugarloaf Township, Luzerne County, PA**

Plans Display Survey

Please take a few minutes to fill out the survey so we may better understand your concerns.

PennDOT plans to replace the existing eastbound and westbound SR 0080 bridges over SR 0093. During construction, overnight lane closures, short-term overnight detours, stop control configurations, and ramp detours are anticipated.

1. Do you favor the proposed improvements and replacement of the bridges?

1	2	3	4	5
Strongly Object	Somewhat Object	Neutral	Favor	Strongly Favor

2. Do you have questions about the project? Yes No

If so, please list your questions and the project team will get back to you. (You will need to provide your name, address, and phone # on the back of the form).

3. The proposed method of Traffic Control presented has been evaluated and developed to provide the most cost effective and the least disruptive plan for this type of construction. Traffic will be detoured along the routes shown on the display. Please tell us any concerns you may have with the detours.

4. Are the plans informative?

1	2	3
Not Informative	Somewhat Informative	Very Informative

What could be done to improve the presentation?

(continued other side)

5. Do you have other specific comments or concerns? Please list them and the project team will get back to you. (You will need to provide your name, address, and phone # on the form below).
