We are past the half way mark and the 2014 challenge has 355 riders - 88.5% of our goal!

Can you believe riders have:

125,741 logged miles- that's 5 times around the equator!

4,103 total active days of riding

6,816,003 calories burned

\$92,216 saved

113,167 pounds of CO2 reduced

Collaborating With Communities

PennDOT is:

- Investing in a community with each project.
- Involving communities at the beginning of the planning process.
- Learning what project elements may be important to support a community's vision.

How It Works

- PennDOT and our planning partners meet with local governments to discuss details for each project prior to developing project scopes and cost estimates.
- All mobility needs are considered
 - Bicycle
 - Pedestrian
 - Transit
 - Freight
 - Operations and ITS
- Utilities
- Community Health
- Stormwater Management
- Green Infrastructure
