

NEW DRIVER

WORK ZONE SAFETY PROGRAM

Learn how to safely
and confidently navigate
WORK ZONES

**TAKE THE
COURSE**

Pennsylvania
Department of Transportation

What will I learn?

The New Driver Work Zone Safety Program teaches drivers about many important safety aspects of work zones, such as:

- The importance of work zone safety.
- Safe driving behaviors.
- Work zone signage and devices.
- Work zone characteristics.
- Navigating lane closures and merging.
- PA work zone laws and regulations.
- What to do if you break down in a work zone.
