

Public Plans Presentation – April 16, 2026
SR 307 over Stafford Meadow Brook
SR 307 Section D50
Roaring Brook Township,
Lackawanna County

The Pennsylvania Department of Transportation (PennDOT) Engineering District 4 will present the plans for the SR 307 Section D50 Bridge Replacement Project located in Roaring Brook Township, Lackawanna County. The plans will be presented at the Roaring Brook Township Building at [430 Blue Shutters Road in Roaring Brook on April 16, 2026 at 7PM](#).

The purpose is to present engineering plans, anticipated construction schedule, and traffic control information for the construction project.

Please review the displays of the project information at your convenience. You may provide comments to the contact listed below via email or in writing.

Project Overview

PennDOT Engineering District 4 is pursuing the SR 307-D50 project in order to address structural needs and improve the hydraulic flow through the structure. PennDOT proposes to replace the bridge with a single span concrete box beam bridge.

During construction, a one-time 7-day detour will be implemented after which one lane of traffic in each direction will be maintained throughout the remainder of construction.

Project Schedule

Construction season begins Summer 2026 and completes Fall 2028
