DISTRICT 4 PROJECTS – SUSQUEHANNA COUNTY

Route 1018, Section D50, over Norfolk Southern Railroad Project

provide updated plan

Project Status

Step 2 of 4
Design

Next Step: Construction

Project Overview

County: Susquehanna
Municipality: New Milford Borough
State Route: 1018
Local Name: Old Route 11
Project Type: ~~Structure Rehabilitation~~ Bridge and Roadway Realignment
Proposed Construction Start: ~~2026~~ 2027
Last Updated: Fall 2025

Old Route 11 (Route 1018) is a two-lane rural road that carries traffic over the Norfolk Southern Railroad. The bridge is considered a contributing element to the National Register of Historic Places eligible railroad it crosses. New Milford Borough is located approximately 1.0 miles south of the bridge.

The purpose of this project is to provide safe and efficient access over the active Norfolk Southern rail line with a structure that meets current design standards, carries current legal loads, and supports sustainable growth and development. Additionally, this project will address roadway deficiencies, provide guide rail to meet current guidelines, and the intersection with Route 0011.

The project is currently in design and work is expected to occur during the ~~2026~~²⁰²⁷ and ~~2027~~²⁰²⁸ construction season. The existing bridge will remain open during the construction of the new bridge.

The purpose of the public meeting and online plans display is to introduce the project and receive public input regarding any questions or concerns with the project. It is also an opportunity for the public to review and comment on the project's potential effect upon Cultural Resources pursuant to the Advisory Council on Historic Preservation's 36 CFR Part 800 regulations implementing Section 106 of the National Historic Preservation Act.

Past Public Outreach

An in-person public meeting was held on May 22, 2024 at First United Methodist Church (69 Pratt Street, New Milford, PA 18834). The virtual plans display and public comment period was available from April 22, 2024 to June 22, 2024.
