Improving Water Quality Through Capital Funding

What Do We Do?

PENNVEST provides low-cost financial assistance for water quality improvement projects throughout the Commonwealth, benefiting Pennsylvania's environment and the health of our citizens.

Data Stream

- ◇ 5,522 projects awarded since the inception of PENNVEST.
- ◇ \$15.1+ billion investment.
- ◇ \$1.2 billion budgeted for award, FY 2026-2027.

Board Meetings

Financing award decisions are made by PENNVEST board members each quarter.
