Zach is a Brand Identity Specialist and Illustrator with deep knowledge of Pennsylvania's wildlife and outdoor industry. His expertise ensures creative work that speaks directly to conservationists—both consumptive and non-consumptive. He brings fresh ideas and brand standards that meet the agency's current and future needs. With Zach's business being within 40 miles of headquarters, Zach will be able to attend regularly scheduled meetings enabling him to create higher productivity and output.

Zach has developed brand identity assets for the commonwealth that pertained to environmental restoration and was a key part of the creative process on brand strategy, design and website. After review and more research into the specific niche of brand identity work/illustrations the agency is looking for within a radius of 50 miles of headquarters, Zach is the only vendor that meets all the prerequisites being within close proximity to headquarters while having professional brand identity and illustration work in conservation and wildlife. His work aligns extremely well with the direction the agency branding and illustrations are going. Zach will be able to attend regularly scheduled meetings at headquarters which we have been unable to do in the past with the contracted designer.

The Pennsylvania Game Commission has had Justin Bru as a vendor providing basic graphic work for the last 4 yeand was brought on as a sole source. PO 4300689861.

This is a strategic upgrade from a basic graphic design contract. As our marketing grows, we need a true identity specialist to elevate our messaging and connect with the public more effectively. Zach is also local—having a person who can meet with our team in-person to navigate these intricate plans and changes is a requirement.

- 8. What are the consequences of not approving this procurement?
- 9. If timing is a factor, what is the time factor and why?
- List any other information relevant to the acquisition of this procurement here or as an attachment.
- 11. For requests > \$100,000, has the supplier signed cost or pricing data certification and is the pricing breakdown attached?

Without this role, our public and legislative identity will fall short. The Commonwealth is requiring brand updates and accessibility compliance—we need an identity specialist to deliver. Our in-house Graphic Artist is at capacity, and high-priority projects risk delay without this procurement.

Timing is critical. License sales and hunting season is approaching. We'll be without a Brand Identity Specialist as shifts in our agency, brand, programs, and messages are currently taking place.

With new Commonwealth guidelines and our brand at a tipping point, now is the time to strengthen our identity. We need a Branding Specialist with proven outdoor industry experience—ready to make immediate impact.
