Pennsylvania Conservation Collectibles Expo + Outdoor Gear Exchange

The Pennsylvania Conservation Collectibles Expo + Outdoor Gear Exchange are two events in one.

The Outdoor Gear Exchange is for buy/sell/trade and located in a parking lot outside of the Middle Creek Visitors Center. This area includes gear and clothing for outdoor recreational activities such as hunting, fishing, camping, hiking, backpacking, etc. Each “vendor” is given two parking spaces, with limited spots available.

The Pennsylvania Conservation Collectibles Expo is buy/sell/trade show for collectable, conservation-related memorabilia and related items. Examples of these items would include but are not limited to; patches, publications (Hunter/Trapper Digest, Game News, books, magazines), old licenses, duck stamps, apparel, pins, educational posters, Game News art, and any other conservation related items.

Both events will be held rain or shine, and vendor payments are non-refundable. Vendors must either choose one event to participate in or can pay for two locations (one outside for outdoor gear and one indoors for collectible items, both individually “staffed”).
