STATE GAME LANDS No. 106 BERKS, LEHIGH & SCHUYLKILL COUNTIES

Each time a hunter buys a hunting license, the money he spends goes toward many facets of wildlife management. Since 1920, close to a million and a half acres of State Game Lands have been acquired with these funds. Each year nearly \$7,000,000 is spent to improve wildlife habitat. Habitat improvements enhance living conditions for non-game birds and mammals as well as those species which are hunted. Pennsylvania hunters willingly share these lands with the non-hunting public, and with few exceptions, State Game Lands are open for general use year round. Surveys indicate that hunting accounts for only thirty-five percent of game land usage. The remaining sixty-five percent is used by the general public for non-hunting purposes.

“Working Together for Wildlife” is a Game Commission program providing everyone an opportunity to help support wildlife management in the areas for endangered and non-game animals. Monies derived from the “Working Together for Wildlife” Program are being used in Pennsylvania to re-introduce the osprey, river otter, bald eagle, peregrine falcon and provide habitat for other birds and mammals indigenous to the Commonwealth. Construction placement of blue bird houses on State Game Lands provides needed homes for this beautiful songbird. Islands in the Susquehanna River have been set aside as propagations areas for non-game shore birds. Numerous other projects are planned on State Game Lands and other public properties which will also provide food and habitat for non-game wildlife.

The future of Pennsylvania’s wildlife resources requires the concern, cooperation and financial support of everyone, hunters and non-hunters alike. “Working Together for Wildlife” is the answer. Send your contributions to “Working Together for Wildlife”, 2001 Elmerton Avenue, Harrisburg, Pennsylvania 17110-9797.

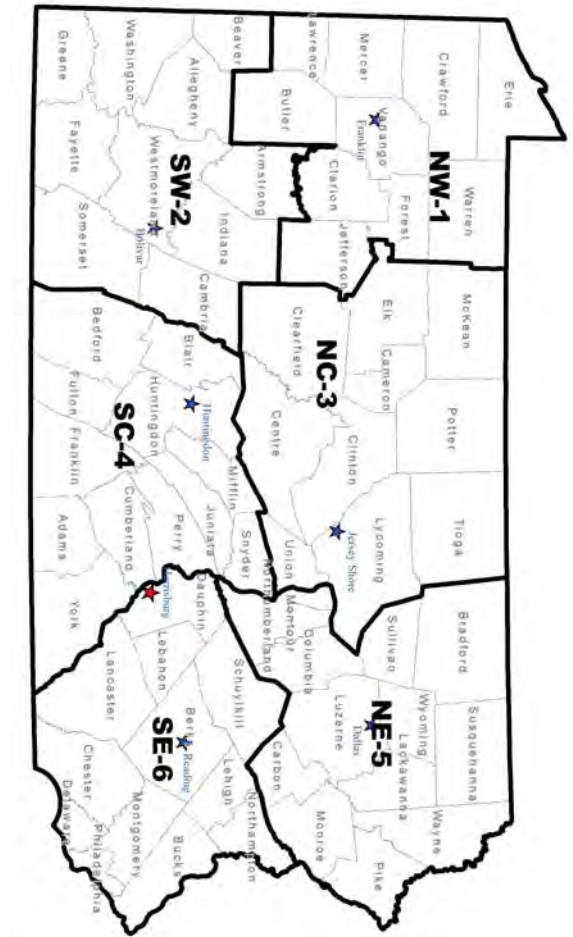

State Game Lands (SGL) 106 is located in Southeast Schuylkill County in the townships of East Brunswick and West Brunswick Townships. In Northern Berks County the Game Lands is located in Albany and Windsor townships and Lynn Township in Western Lehigh County. The deeded acreage for this Game Lands is 9,720.847 acres. It is located in Land Management Group 3 of the Southeast Region, Wildlife Management Unit 4C. The Schuylkill River borders the Game Lands on the western edge and several headwaters begin for the Rattling Run, Pine Creek and several unnamed streams. Elevations range from a high of 1600' along the ridge top of the Blue Mountain to 500' along the Schuylkill River near Port Clinton.

The Pennsylvania Game Commission currently maintains eight parking areas on SGL 106. There are ~22 miles of maintained administrative roads providing for public access to the Game Lands. The gated roads provide access for hunters, fishermen, avenues for hiking, bird watching and wildlife photography.

This Game Lands is situated in Wildlife Management Unit 4C. Both big game and small game are hunted on SGL 106. Deer, black bear, turkey, grouse, rabbits, pheasants and squirrels are found here. Gray fox, raccoons, opossums and provide trapping opportunities on the Game Lands. Ducks and geese are occasionally hunted along the Schuylkill River and on the Game Land's small impoundments and streams.

Hiking, biking, horseback riding and bird watching are lawful recreational activities. Game Lands 106 has a shooting range located near the town of Eckville.

Public utilization of this Game Lands is very extensive. Sport hunting for game species is not the only major activity. Intensive public activity can be found year round. Fishing in the Schuylkill River and the properties numerous small streams, observation of raptures, fall foliage tours, and heavy usage of the Appalachian Trail corridor are examples of non-consumptive uses of the game lands. Winter season enables the public to take advantage of the snowmobile trail system.
