MILK DEALERS RECEIVING MILK FROM UNLICENSED MILK HAULERS

The Milk Marketing Law prohibits milk dealers from receiving milk from unlicensed milk haulers.

Milk dealers should ensure that milk haulers from which they receive Pennsylvania milk are licensed. A list of licensed haulers can be found on the Board website at https://www.pa.gov/agencies/pmb/license-lists.

Currently, Patrick Altizer is transporting Pennsylvania milk without a milk hauler license. Dealers receiving milk from Altizer will be referred for potential prosecution.

If Board Staff becomes aware of other unlicensed milk haulers we will notify the industry.

Contact Doug Eberly at 717-836-3115 with any questions.
