Rebuttal Testimony of Alexandra Deimler, CPA

Area 1 – Cost Replacement Hearing

I am Alexandra Deimler, Consultant at Cherry Bekaert, which acquired Herbein + Company, Inc. on October 20, 2025 and my address is 2763 Century Blvd., Reading, PA 19610. I am offering testimony on behalf of the Area 1 Milk Dealers. I attach my Curriculum Vitae, as Rebuttal Exhibit D1, which outlines my education, and experience in the dairy industry.

Study Conducted

On behalf of the Area 1 Milk Dealers, I have reviewed the audit files and proposed adjustments prepared by the Pennsylvania Milk Board audit staff and I have reviewed the financial information of each of the dealers in the cross-section and I am presenting my opinion and recommendation based on that review, the Board Staff's initial pre-submission, and my own cost build-up. My cost build-up agrees with Staff's initial exhibits that were filed. I recommend that the Board make the adjustments on Staff's exhibits.

I have reviewed the cross section compiled by Board Staff and I conclude that the cross section is representative of milk dealers serving Area 1 because the cross-section companies process, package and deliver to supermarkets, convenience stores, schools, institutions, and small retail outlets.

Rate of Return

I recommend that the Board maintain the rate of return for the Area 1 dealers at 3.5%. The rate of return serves as an important factor in the ability of Pennsylvania's fluid milk processors to maintain and invest in their operations. Maintaining the current rate of return is also important for consistency and stability when the fresh fluid milk industry continues to face a difficult business environment.

Summary and Recommendation

The Area 1 Milk Dealers recommend that the Milk Marketing Board make the cost replacement adjustments that I have just outlined.
