To Chairman Robert N. Barley and Members of the Board,

On behalf of the Board Staff, I respectfully request the submission date for all exhibits for the Area 2 and 3 Cost Replacement Hearing be extended indefinitely. Board Staff are actively working through complexities presented by these Areas, and it is necessary for an extension to ensure information presented before the Board is complete and accurate.

I checked with counsel for the interested parties regarding this request. The Pennsylvania Association of Dairy Cooperatives, Pennsylvania Farm Bureau, and the Pennsylvania Department of Agriculture do not object to this request. As of the time of this filing, I have not heard from the remaining interested parties.

Thank you for the consideration of this request.

Sincerely,

-Amy
