

PSERS: 2025 NQPT Refund Report: 1/29/2026

Good morning,

PSERS will be processing the Non-Qualifying (NQ) Partial Refund report for FY2025 (24/25 school year). This report identifies members that have not rendered qualifying service based on their contract history and the work reporting received by PSERS for the fiscal year.

Each year PSERS refunds contributions for employees who did not qualify the previous year and PSERS contributions were withheld. To qualify, employees must work 80 days or 500 hours or have a full time or salaried work status. PSERS will send a check returning member contributions directly to employees who did not qualify in **2024/2025**.

Important Information:

Employers:

- Employers will receive a letter with a list of employees, SSN's, wages, and employer contributions.
