

2026 PSERS Spring Employer Workshop: 3/12/26

It's time to register for the 2026 PSERS Employer Workshop! The PSERS Employer Service Center (ESC) would like to invite you to attend an in-person session. This year's presentation will focus on membership and enrolling employees, and key Employee Self-Service (ESS) features. Topics will include how individuals become members, when someone may be ineligible for membership, how long membership lasts, and whether a person can requalify after losing eligibility. We will also review membership classes and contribution rates, along with methods for determining the correct withholding details for your employees. The session will provide an in-depth overview of reporting coaches, covering everything from entering the correct contract record to reporting salary and calculating the appropriate service credit. We will also discuss class election options for coaches, including what to do when an individual chooses to waive membership. Finally, we will cover return-to-service guidelines for retirees, addressing the common question of when members should or should not be reported. Come prepared to ask questions and take notes!

Registration for a session is easy. Select the location best suited for you from the list below. Complete the form that opens when you click on the link. Remember, each person should register individually to ensure we have the right number of handouts. We look forward to seeing all of you this spring!

Not sure which location is closest to you? Take a look at the map on the ESC tab on the PSERS website. [Employer Service Center \(pa.gov\)](https://pa.gov). You do not need to attend a session hosted by your rep if another date or location suits your needs better.
