Good afternoon employers,

As the 2026 PSERS Employer Workshop season comes to a close, the Employer Service Center (ESC) would like to extend a thank you to all who attended an in-person session this year. We had many productive discussions and gained valuable insights throughout our conversations. It was wonderful meeting with all of you.

If you are not able to attend a workshop in person this year, we invite you to attend the virtual Teams presentation scheduled for May 19th at 9:30 am. Click the link below to register. The presentation will run approximately 2 hours. Questions and participation are welcome through the chat window as the session progresses.
