

PSERS ESC Employer Training Series: 10/8/2026

Introducing PSERS Employer Training Series

The Employer Service Center (ESC) reviewed the survey results from our spring employer workshop and discovered that many of you want to learn more about a variety of topics. Starting in November, ESC is excited to offer short training webinars on the first Tuesday of each month at 11:00 am. Each session will focus on a specific employer reporting topic. The goal is to provide concise, bite-sized trainings through focused 20 to 30 minute sessions. Please note that these sessions will not be recorded or posted to the PSERS website. If you are not able to attend, there will not be an opportunity to review a recording or attend another webinar on the specific topic.

To register, please click on a training below.

Future monthly webinars include: Rate/Class and Withholding, Common Work Report Errors, Return to Service, Retirement Covered Compensation, Manual Work History Adjustments, and DC reporting.

We look forward to having you attend!
