

# Celebrate the 55th anniversary of Earth Day

Earth Day is April 22nd. It's a perfect time to reflect on how we can contribute to a healthier planet. One simple yet helpful way to make a difference as a Public School Employees' Retirement System (PSERS) member is by going paperless.

## By going paperless, you can:

- **Reduce paper waste.** Help save trees and reduce the environmental impact of paper production and disposal.
- **Access information quickly.** Receive your documents faster and access them anytime, anywhere.
- **Stay organized.** Keep your important documents in one secure, digital location.

You have two ways to go paperless with PSERS. For your overall PSERS membership, visit PSERS online to register for Member Self-Service (MSS) and log in through the PSERS MSS Portal. For your PSERS DC account, log in to MSS and go to the Voya Account Access box. In your PSERS DC account, go to your profile in the upper right hand corner and click *Personal Information* to update your communication preferences. Call **1.888.432.6627** weekdays between 8:00 a.m. – 8:00 p.m., excluding stock market holidays, for assistance with updating your PSERS DC account profile and settings.

Join us in celebrating Earth Day by making smart choices for you and your family. Visit [earthday.org](https://earthday.org) to learn more about the forces changing the planet, taking individual action, conserving species, and more. Together, we can make a difference.
